"Northerners know nothing at all about Slavery. They think it is perpetual bondage only. They have no conception of the depth of degradation involved in that word, SLAVERY; if they had, they would never cease their efforts until so horrible a system was overthrown."A Woman Of North Carolina."Rise up, ye women that

are at ease! Hear my voice, ye careless daughters! Give ear unto my speech."Isaiah xxxii. 9.This volume of Harriet Jacobs' "Slave Girl" is number 3 in the Black History Series. It is printed on high quality paper with a durable cover.

Createspace Independent Publishing Platform

Biography of a Runaway Slave Northwestern University Press

University of Chicago Press

In this groundbreaking compilation of first-person accounts of the runaway slave phenomenon, editors Devon W. Carbado and Donald Weise have recovered twelve narratives spanning eight decades—more than half of which have been long out of print. Told in the voices of the runaway slaves themselves, these narratives reveal the extraordinary and often innovative ways that these men and women sought freedom and demanded citizenship. Also included is an essay by UCLA history professor Brenda Stevenson that contextualizes these narratives, providing a brief yet comprehensive history of slavery, as well as a look into the daily life of a slave. Divided into four categories—running away for family, running inspired by religion, running by any means necessary, and running to be free—these stories are a testament to the indelible spirit of these remarkable survivors. The Long Walk to Freedom presents excerpts from the narratives of well-known runaway slaves, like Frederick Douglass and Harriet Jacobs, as well as from the narratives of lesser-known and virtually unknown people. Several of these excerpts have not been published for more than a hundred years. But they all portray the courageous and sometimes shocking ways that these men and women sought their freedom and asserted power, often challenging many of the common assumptions about slaves' lack of agency. Among the remarkable and inspiring stories is the tense but triumphant tale of Henry Box Brown, who, with a white abolitionist's help, shipped himself in a box—over a twenty-seven-hour train ride, part of which he spent standing on his head—to freedom in Philadelphia. And there's the story of William and Ellen Craft, who fled across thousands of miles, with Ellen, who was light-skinned, disguised as a white male slave-owner so she and

her husband could achieve their dream of raising their children as free people. Gripping, inspiring, and captivating, *The Long Walk to Freedom* is a remarkable collection that celebrates those who risked their lives in pursuit of basic human rights.

[His Promised Land: The Autobiography of John P. Parker, Former Slave and Conductor on the Underground Railroad](#) W. W. Norton & Company

Escaping Bondage: A Documentary History of Runaway Slaves in Eighteenth-Century New England, 1700-1789 is an edited

collection of runaway slave advertisements that appeared in newspapers in eighteenth-century Massachusetts, Connecticut, Rhode Island, and New Hampshire. This compilation provides valuable insights into an important chapter in the history of slavery.

Gateway to Freedom: The Hidden History of the Underground Railroad Fantagraphics Books

The “unforgettable” novel from the Newbery Medal-winning author tells the true story of a runaway slave whose capture and trial set off abolitionist riots (Kirkus Reviews). Anthony Burns is a runaway slave who has just started to build a life for himself in Boston. Then his former owner comes to town to collect him. Anthony won't go willingly, though, and people across the city step forward to make sure he's not taken. Based on the true story of a man who stood up against the Fugitive Slave Law, Hamilton's gripping account follows the battle in the streets and in the courts to keep Burns a citizen of Boston—a battle that is the prelude to the nation's bloody Civil War.

Narrative of the Life of J.D Green... DigiCat

The first full-length biography of William Still, one of the most important leaders of the Underground Railroad. William Still: The Underground Railroad and the Angel at Philadelphia is the first major biography of the free Black abolitionist William Still, who coordinated the Eastern Line of the Underground Railroad and was a pillar of the Railroad as a whole. Based in Philadelphia, Still built a reputation as a courageous leader, writer, philanthropist, and guide for fugitive enslaved people. This monumental work details Still's life story beginning with his parents' escape from bondage in the early nineteenth century and continuing through his youth and adulthood as one of the nation's most important Underground Railroad agents and, later, as an early civil rights pioneer. Still worked personally with Harriet Tubman, assisted the family of John Brown, helped Brown's associates escape from Harper's Ferry after their famous raid, and was a rival to Frederick Douglass among nationally prominent African American abolitionists. Still's life story is told in the broader context of the anti-slavery movement, Philadelphia Quaker and free black history, and the generational conflict that occurred between Still and a younger group of free black activists led by Octavius Catto. Unique to this book is an accessible and detailed database of the 995 fugitives Still helped escape from the South to the North and

Canada between 1853 and 1861. The database contains twenty different fields—including name, age, gender, skin color, date of escape, place of origin, mode of transportation, and literacy—and serves as a valuable aid for scholars by offering the opportunity to find new information, and therefore a new perspective, on runaway enslaved people who escaped on the Eastern Line of the Underground Railroad. Based on Still's own writings and a multivariate statistical analysis of the database of the runaways he assisted on their escape to freedom, the book challenges previously accepted interpretations of the Underground Railroad. The audience for William Still is a diverse one, including scholars and general readers interested in the history of the anti-slavery movement and the operation of the Underground Railroad, as well as genealogists tracing African American ancestors.

VOICES OF THE ENSLAVED IN NINETEENTH-CENTURY CUBA

Beacon Press

Fiftieth Anniversary Edition Translated from the Spanish by W. Nick Hill Introduction by William Luis Originally published in 1966, Miguel Barnet's *Biography of a Runaway Slave* provides the written history of the life of Esteban Montejo, who lived as a slave, as a fugitive in the wilderness, and as a soldier fighting against Spain in the Cuban War of Independence. A new introduction by one of the most preeminent Afro-Hispanic scholars, William Luis, situates Barnet's ethnographic strategy and lyrical narrative style as foundational for the tradition of testimonial fiction in Latin American literature. Barnet recorded his interviews with the 103-year-old Montejo at the onset of the Cuban Revolution. This insurgent's history allows the reader into the folklore and cultural history of Afro-Cubans before and after the abolition of slavery. The book serves as an important contribution to the archive of black experience in Cuba and as a reminder of the many ways that the present continues to echo the past.

A SLAVE NO MORE

Hill and Wang

An independent kingdom of runaway slaves founded in the late 16th century, Angola Janga was a beacon of freedom in a land plagued with oppression. In stark black ink and chiaroscuro panel compositions, D'Salete brings history to life; the painful stories of

fugitive slaves on the run, the brutal raids by Portuguese colonists, and the tense power struggles within this precarious kingdom. At turns heartbreaking and empowering, Angola Janga sheds light on a long-overlooked moment of resistance against oppression.

Life of Isaac Mason as a Slave Tredition Classics

Recollections of Slavery By A Runaway Slave The True Story of Sugar House, Charleston, South Carolina The Slave Torture House A Slave Narrative Serialized in The Emancipator in 1838and then carried me to the Sugar House in Charleston. As soon as we got there they made me strip off all my clothes, and searched me to see if I had anything hid. They found nothing but a knife. After that they drove me into the yard where I staid till night. As soon as master's father, Mordecai Cohen, heard that I was caught, he sent word to his son, and the next morning master came. He said "well, you staid in the woods as long as you could, now which will you do,--stay here, or go home?" I told him I did'nt know. Then he said if I would not go home willingly I might stay there two or three months. He said "Mr. Wolf, give this fellow fifty lashes and put him on the tread mill. I'm going North, and shall not be back till July, and you may keep him till that time." When they had got me fixed in the rope good, and the cap on my face, they called Mr. Jim Wolf, and told him they had me ready. He came and stood till they had done whipping me. One drew me up tight by the rope and the other whipped, and Wolf felt of my skin to tell when it was tight enough. They whipped till he stamped. Then they rubbed brine in, and put on my old clothes which were torn into rags while I was in the swamp, and put me into a cell. The cells are little narrow rooms about five feet wide, with a little hole up high to let in air. I was kept in the cell till next day, when they put me on the tread mill, and kept me there three days, and then back in the cell for three days. And then I was whipped and put on the tread mill again, and they did so with me for a fortnight, just as Cohen had directed. He told them to whip me twice a week till they had given me two hundred lashes. My back, when they went to whip me, would be full of scabs, and they whipped them off till I bled so that my clothes were all wet. Many a night I have laid up there in the Sugar House and scratched them off by the handful. There was a little girl, named Margaret, that one day did not work to suit the overseer, and he lashed her with his cow-skin. She was about seven years old. As soon as he had gone she ran away to

go to her mother, who was at work on the turnpike road, digging ditches and filling up ruts made by the wagons. She had to go through a swamp, and tried to cross the creek in the middle of the swamp, the way she saw her mother go every night. It had rained a great deal for several days, and the creek was 15 or 16 feet wide, and deep enough for horses to swim it. When night came she did not come back, and her mother had not seen her. The overseer cared very little about it, for she was only a child and not worth a great deal. Her mother and the rest of the hands hunted after her that night with pine torches, and the next night after they had done work, and every night for a week, and two Sundays all day. They would not let us hunt in the day time any other day. Her mother mourned a good deal about her, when she was in the camp among the people, but dared not let the overseer know it, because he would whip her. In about two weeks the water had dried up a good deal, and then a white man came in and said that "somebody's little nigger was dead down in the brook." We thought it must be Margaret, and afterwards went down and found her. She had fallen from the log-bridge into the water. Something had eat all her flesh off, and the only way we knew her was by her dress.

Life of William Grimes, the Runaway Slave Cambridge University Press

This book (hardcover) is part of the TREDITION CLASSICS. It contains classical literature works from over two thousand years. Most of these titles have been out of print and off the bookstore shelves for decades. The book series is intended to preserve the cultural legacy and to promote the timeless works of classical literature. Readers of a TREDITION CLASSICS book support the mission to save many of the amazing works of world literature from oblivion. With this series, tredition intends to make thousands of international literature classics available in printed format again - worldwide.

Slave Life in Georgia OUP USA

Born to a wealthy family in West Africa around 1770, Omar Ibn Said was abducted and sold into slavery in the United States, where he came to the attention of a prominent North Carolina family after filling "the walls of his room with piteous petitions to be released, all written in the Arabic language," as one local newspaper reported. Ibn Said soon became a local celebrity, and in 1831 he was asked to write his life story, producing the only

known surviving American slave narrative written in Arabic. In *A Muslim American Slave*, scholar and translator Ala Alryyes offers both a definitive translation and an authoritative edition of this singularly important work, lending new insights into the early history of Islam in America and exploring the multiple, shifting interpretations of Ibn Said's narrative by the nineteenth-century missionaries, ethnographers, and intellectuals who championed it. This edition presents the English translation on pages facing facsimile pages of Ibn Said's Arabic narrative, augmented by Alryyes's comprehensive introduction, contextual essays and historical commentary by leading literary critics and scholars of Islam and the African diaspora, photographs, maps, and other writings by Omar Ibn Said. The result is an invaluable addition to our understanding of writings by enslaved Americans and a timely reminder that "Islam" and "America" are not mutually exclusive terms. This edition presents the English translation on pages facing facsimile pages of Ibn Said's Arabic narrative, augmented by Alryyes's comprehensive introduction and by photographs, maps, and other writings by Omar Ibn Said. The volume also includes contextual essays and historical commentary by literary critics and scholars of Islam and the African diaspora: Michael A. Gomez, Allan D. Austin, Robert J. Allison, Sylviane A. Diouf, Ghada Osman, and Camille F. Forbes. The result is an invaluable addition to our understanding of writings by enslaved Americans and a timely reminder that "Islam" and "America" are not mutually exclusive terms. Lieutenant Nun Biography of a Runaway Slave

A powerful poem about Ona Judge's life and her self-emancipation from George Washington's household. Ona Judge was enslaved by the Washingtons, and served the President's wife, Martha. Ona was widely known for her excellent skills as a seamstress, and was raised alongside Washington's grandchildren. Indeed, she was frequently mistaken for his granddaughter. This poetic biography follows her childhood and adolescence until she decides to run away. Author Ray Anthony Shepard welcomes meaningful and necessary conversation among young readers about the horrors of slavery and the experience of house servants through call-and-response style lines. Illustrator Keith Mallett's rich paintings include fabric collage and add further feeling and majesty to Ona's daring escape. With extensive backmatter, this poem may serve as a new introduction to American slavery and Ona Judge's legacy.

Autobiography of a Runaway Slave Penguin

This magisterial study, ten years in the making by one of the field's most distinguished historians, will be the first to explore the impact fugitive slaves had on the politics of the critical decade leading up to the Civil War. Through the close reading of diverse sources ranging from government documents to personal accounts, Richard J. M. Blackett traces the decisions of slaves to escape, the actions of those who assisted them, the many ways black communities responded to the capture of fugitive slaves, and how local laws either buttressed or undermined enforcement

of the federal law. Every effort to enforce the law in northern communities produced levels of subversion that generated national debate so much so that, on the eve of secession, many in the South, looking back on the decade, could argue that the law had been effectively subverted by those individuals and states who assisted fleeing slaves.

The Man Who Stole Himself Northwestern University Press
Scientist, abolitionist, revolutionary: that is the Benjamin Franklin we know and celebrate. To this description, the talented young historian David Waldstreicher shows we must add runaway, slave master, and empire builder. But *Runaway America* does much more than revise our image of a beloved founding father. Finding slavery at the center of Franklin's life, Waldstreicher proves it was likewise central to the Revolution, America's founding, and the very notion of freedom we associate with both. Franklin was the sole Founding Father who was once owned by someone else and was among the few to derive his fortune from slavery. As an indentured servant, Franklin fled his master before his term was complete; as a struggling printer, he built a financial empire selling newspapers that not only advertised the goods of a slave economy (not to mention slaves) but also ran the notices that led to the recapture of runaway servants. Perhaps Waldstreicher's greatest achievement is in showing that this was not an ironic outcome but a calculated one. America's freedom, no less than Franklin's, demanded that others forgo liberty. Through the life of Franklin, *Runaway America* provides an original explanation to the paradox of American slavery and freedom.
