Lingua Latina Per Se

Illustrata Good Press

A sequel to her widely used *A Companion to Familia Romana* (now in its second edition), Jeanne Marie Neumann's *A Companion to Roma Aeterna* offers a running commentary, in English, of the Latin grammar covered in Hans H. Ørberg's *Roma Aeterna*, and includes the complete text of the Ørberg ancillaries *Grammatica Latina* and *Latin-English Vocabulary II*. It also serves as a substitute for Ørberg's *Instructions*, on which it is based. Though designed especially for those approaching *Roma Aeterna* at an accelerated pace, this volume will be useful to anyone seeking an explicit exposition of that volume's implicitly presented grammar. In addition to many revisions of the text, *A Companion to Roma Aeterna* also includes new units on cultural context, tied to the narrative content of the chapter.

Familia Romana Domos Latina

"Phaedrus" by Plato (translated by Benjamin Jowett). Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Roma aeterna. Pars II Harper Collins

Roma Aeterna (the main book of Pars II of the *Lingua Latina per se illustrata* series) introduces some of the most celebrated authors of Roman antiquity through the lens of Roman literature and mythology. A vivid description of the city's monuments precedes a prose retelling of the first four books of Virgil's

Aeneid, with many of the most famous passages in their original verse form. The selection from Virgil is followed by Book One of Livy's engaging mythical history of Rome's foundation. The prose selections are judiciously chosen and, in the first few chapters, gently adapted to provide students with a text that is authentically Latin and yet not difficult. The unadapted selections, which make up the majority of the text, are taken from Aulus Gellius, Ovid, Nepos, Sallust, and Horace. These annotated selections make *Roma Aeterna* useful both as the next step after *Familia Romana* and as a survey of Latin literature in its own right. *Roma Aeterna* incorporates the following features: Latin immersion with vowel lengths marked Approximately 3,000 vocabulary words Short discussions of grammar and exercises for each chapter Selected readings that cover the material in a Roman history course Index of Roman rulers and of historical events arranged chronologically Now with full-color illustrations

Colloquia personarum
Museum Tusulanum
This volume is the completely reset Second Edition of Jeanne Marie Neumann's A College Companion (Focus, 2008). It offers a running exposition, in English, of the Latin grammar covered in Hans H. Ørberg's *Familia Romana*, and includes the complete text of the Ørberg ancillaries *Grammatica Latina* and *Latin-English Vocabulary*. It also serves as a substitute for Ørberg's *Latine Disco*, on which it is based. As it includes no exercises, however, it is not a substitute for the Ørberg ancillary *Exercitia Latina I*. Though designed especially for those approaching *Familia Romana* at an accelerated pace, this volume will be useful to anyone seeking an explicit layout of *Familia Romana*'s inductively-presented grammar. In addition to many revisions of the text, the Second Edition also includes new units on cultural context, tied to the narrative content of the chapter.

The Fourth Edition
Cambridge Latin Course is an introductory program organized into four well-integrated units.
Cambridge's proven approach includes a stimulating continuous story line, interwoven

grammatical development and cultural information, supportive illustrations and photographs, and a complete Language Information section. Reading is the heart of the *Cambridge Latin Course*, and all the elements of the program - illustrations, vocabulary, grammar and syntax, cultural contexts and references, activities - are carefully introduced and arranged to provide students with the skills they need to read with comprehension and enjoyment from the very first page.

FAMILIA ROMANA. LATINE DISCO I (UŃM SE LATINSKY) : PŃRUŃKA PRO STUDENTY (KAP. I-XXXV). PARS I

Hackett Publishing
Lingua Latina is a complete immersion course providing Latin that students read and understand immediately. Every sentence is intelligible *per se* because the meaning and function of all new word forms is clear from the context, illustrations, or marginal notes throughout this carefully graded text. Part 1 (*Familia Romana*) is the eventful and entertaining story of a Roman family,

which also serves as an introduction to the life and culture of ancient Rome. Part 2 (Roma Aeterna) tells Roman history from the beginnings. Students who have completed Part 1 are already able to read classical texts, such as Ørberg's editions of Caesar's Gallic Wars or of Plautus' Amphitryo. In Part 2, students read extensive selections from classical authors, refine their knowledge of syntax, and develop a vocabulary of over 4000 words. Upon completion of the course, students can read the most challenging classical texts with relative ease. Colloquia Personarum Harper Collins Learn to Read Latin helps students acquire an ability to read and appreciate the great works of Latin literature as quickly as possible. It not only presents basic Latin morphology and syntax with clear explanations and examples but also offers direct access to unabridged passages drawn from a wide variety of Latin texts. As beginning students learn basic forms and grammar, they also gain familiarity with patterns of Latin word order and other features of style. Learn to Read Latin is designed to

be comprehensive and requires no supplementary materials explains English grammar points and provides drills especially for today's students offers sections on Latin metrics includes numerous unaltered examples of ancient Latin prose and poetry incorporates selections by authors such as Caesar, Cicero, Sallust, Catullus, Vergil, and Ovid, presented chronologically with introductions to each author and work offers a comprehensive workbook that provides drills and homework assignments. This enlarged second edition improves upon an already strong foundation by streamlining grammatical explanations, increasing the number of syntax and morphology drills, and offering additional short and longer readings in Latin prose and poetry. **Based on Hans Ørberg's Latine Disco, with Vocabulary and Grammar** Accademia Vivarium Novum The Latin course is written entirely in Latin. It consists of two parts: I: Familia Romana -- the fundamental or elementary course. II: Roma Aeterna -- the advanced course, with Indices covering both

parts. The direct method is based on the inductive principle of learning. In the text every sentence is intelligible per se, or self-explanatory, because the meaning and function of all new words and grammatical forms are made clear by the context in which they occur, or if necessary, by illustrations or marginal notes using vocabulary already learned. This demands a carefully graded text, but in order to make learning efficient the content should stimulate interest and curiosity and make it easy for the reader to visualise the scenes and situations described. To meet these demands the chapters of Lingua Latina I form a continuous narrative, a sort of Latin novel, which captivates the students so that they look forward to reading the continuation of the story. While reading this story and learning facts about the Roman life and traditions, the students pick up the vocabulary and grammar that will enable them to go on, in Part II, to read a representative selection of Latin literature, both prose and poetry. Here, too, all new words and structures, if not immediately intelligible from the context, are

explained by marginal notes or illustrations. In addition, factual information is given in the margin. Part I covers the essentials of Latin grammar and introduces a basic vocabulary of some 1600 words. The 35 chapters form a sequence of scenes and incidents from the life of a Roman family in the second century A.D. Each chapter is divided into 3 or 4 lessons (lectiones) and consists of several text pages followed by a section on grammar, three exercises, and a list of new words. At the end of the volume there is a survey of inflexions, a Roman calendar, and alphabetical word-list and a grammatical index.

Pars I Hackett Publishing

A convenient, single-volume vocabulary reference for Pars I of the *Lingua Latina per se illustrata* series by Hans H. Ørberg. This Latin-to-English glossary includes all of the vocabulary which a first-year student can be expected to encounter, namely the vocabulary used in *Familia Romana*, *Colloquia Personarum*, *Fabellae Latinae*, and *Fabulae Syrae*. Includes 2,435 words with their English equivalents.

Lingua Latina per se

illustrata *Lingua latina per se illustrata* : familia romanaGlossariumPars I *Lingua Latina per se illustrata*, de Hans H. Ørberg, es un curso de latín escrito enteramente en lengua latina. Consta de dos partes, *Familia Romana*, el curso básico, y *Roma Aeterna*, el curso avanzado, acompañados de un volumen de Indices. El método se complementa con unos manuales de instrucciones, *Latine disco*, necesarios para la aplicación del curso en clase, y dos libros de ejercicios (*Exercitia latina*) que el profesor puede utilizar con los alumnos como material suplementario. Los manuales para los alumnos, *Latine disco I* y *II*, así como la guía para el profesorado, *Latine doceo*, han sido adaptados y traducidos al español por Emilio Canales Muñoz y Antonio González Amador, profesores de Latín y miembros fundadores de la Asociación *CulturaClasica.com*. El método incorpora, además, varios materiales complementarios, en su mayoría textos de diversos autores, para su uso en los distintos niveles.

LINGUA LATINA PER SE ILLUSTRATA

Museum Tusculanum
This text is for a first year Latin course and uses the immersion approach; students learn Latin by using only Latin. The thirty-five chapters describe the life of a Roman family in the 2nd century A.D. and culminate in readings from classical poets.

FAMILIA ROMANA. PARS 1

Loyola Press
For nearly sixty years, Wheelock's Latin has remained the optimum liber of beginning Latin textbooks. When Professor Frederic M. Wheelock's Latin first appeared in 1956, the reviews extolled its thoroughness, organization, and conciseness; one reviewer predicted that the book "might well become the standard text" for introducing students to elementary Latin. Now, nearly six decades later,

that prediction has certainly proved accurate. This new edition of Wheelock's Latin has all of the features, many of them improved and expanded, that have made it the bestselling single-volume beginning Latin textbook: 40 chapters with grammatical explanations and readings drawn from the works of Rome's major prose and verse writers; Self-tutorial exercises, each with an answer key, for independent study; An extensive English-Latin/Latin-English vocabulary section; A

rich selection of original Latin readings—unlike other Latin textbooks, which contain primarily made-up texts; Etymological aids, maps, and dozens of images illustrating aspects of the classical culture and mythology presented in the chapter readings. Also included are expanded notes on the literary passages, comments on vocabulary, and translation tips; new comprehension and discussion questions; and new authentic classical Latin readings, including Roman graffiti, in every chapter.
