Internationally celebrated, award-winning

author Mavis Gallant is a contemporary legend: an undisputed master of the short story whose peerless prose captures the range of human experience while evoking time and place with unequalled skill. This new selection of Gallant's stories, edited by novelist and poet Michael Ondaatje, gathers the best of her many stories set in Paris, where Gallant has long lived. Here she writes of expatriates and locals, exile and homecoming, and of the illusions of youth and age, offering a kaleidoscopic impression of the world within the world that is Paris.

J.D. Salinger's Uncollected Stories and the Development of Aesthetic and

Moral Themes in The Catcher in the Rye Convergent Books

The novel that inspired *Field of Dreams*: "A lyrical, seductive, and altogether winning concoction." —The New York Times Book Review One of *Sports Illustrated's* 100 Greatest Sports Books "If you build it, he will come." When Ray Kinsella hears these mysterious words spoken in the voice of an Iowa baseball announcer, he is inspired to carve a baseball diamond in his cornfield. It is a tribute to his hero, the legendary Shoeless Joe Jackson, whose reputation was forever tarnished by the scandalous 1919 World Series. What follows is a timeless story that is "not so

much about baseball as it is about dreams, magic, life, and what is quintessentially American" (The Philadelphia Inquirer). "A triumph of hope." —The Boston Globe "A moonlit novel about baseball, dreams, family, the land, and literature." —Sports Illustrated

Based on eight years of exhaustive research and exclusive interviews with more than 200 people—and published in

coordination with the international theatrical release of a major documentary film from the Weinstein Company—Salinger is a global cultural event: the definitive biography of one of the most beloved and mysterious figures of the twentieth century. For more than fifty years, the ever elusive author of *The Catcher in the Rye* has been the subject of a relentless stream of newspaper and magazine articles as well as several biographies. Yet all of these attempts have been hampered by a fundamental lack of access and by the persistent recycling of inaccurate information. Salinger remains, astonishingly, an enigma. The complex and contradictory human being behind the myth has never been revealed. No longer. In the eight years since Salinger was begun, and especially in the three years since Salinger's death, the authors interviewed on five continents more than 200 people, many of whom had previously refused to go on the record about their relationship with Salinger. This oral biography offers direct eyewitness accounts from Salinger's World War II brothers-in-arms, his family members, his close friends, his lovers, his classmates,

his neighbors, his editors, his publishers, his New Yorker colleagues, and people with whom he had relationships that were secret even to his own family. Shields and Salerno illuminate most brightly the last fifty-six years of Salinger's life: a period that, until now, had remained completely dark to biographers. Provided unprecedented access to never-before-published photographs (more than 100 throughout the book), diaries, letters, legal records, and secret documents, readers will feel they have, for the first time, gotten beyond Salinger's meticulously built-up wall. The result is the definitive portrait of one of the most fascinating figures of the twentieth century.

New & Collected Essays Renaissance Books

Aesthetic and moral directives present in the twenty uncollected stories that preceded publication of *The catcher in the rye* suggest that the novel can be read as a war story and/or a comment on the genre of war stories. As such, the stories exhibit a particular "aesthetic morality" that condemns the "phoniness" of movies, especially war movies. Clues that suggest *Catcher* was written as an alternative to a

more straightforward war story include soldier characters that prefigure and resemble Holden Caulfield in voice and mannerism and an overall aesthetic-moral philosophy regarding the negative effects of war stories. Other topics of discussion include "the movies," the link between compassion and familiarity with death, phoniness, and the power of music.

J. D. SALINGER, NEW EDITION

Infobase Publishing

Three formative short stories by one of the most significant American writers of the twentieth century. A cocktail party conversation is most revealing in what is left unsaid. Tensions between a brother and sister escalate to violent threats. A soldier heading off to war is torn between duty to his country and to his family. These stories, first published in magazines in the 1940s and long out of print, showcase the formidable talent that would blossom in *The Catcher in the Rye*. The first book by J. D. Salinger to be published in fifty years, *Three Early Stories* is a crucial addition to the shelves of Salinger fans and newcomers to his work alike. Jerome David Salinger published just one

novel and three short story collections in his lifetime, but is regarded as one of the most influential American writers of the twentieth century. His books - *The Catcher in the Rye*, *Nine Stories*, *Franny and Zooey* and *Raise High the Roof Beam, Carpenters and Seymour: An Introduction* - were published between 1951 and 1963, and Salinger lived most of his later life out of the public eye. J. D. Salinger died in 2010. [Salinger](#) Rosetta Books

J.D. Salinger was one of the twentieth century's greatest writers. He was also one of its most elusive. After making his mark on the American literary scene, Salinger retreated to a small town in New Hampshire where he hoped to hide his life away from the world. With dogged determination, however, journalist and biographer Paul Alexander captured Salinger's story in this, the only complete biography of Holden Caulfield's creator published to date. Using the archives at Princeton, Yale, Harvard, Columbia, NYU and the New York Public Library as well as research in New York and New Hampshire, Alexander has created a great biography of Salinger that's further enriched by interviews with some of the greatest

literary figures of our time: George Plimpton, Gay Talese, Ian Hamilton, Harold Bloom, Roger Angell, A. Scott Berg, Robert Giroux, Ved Mehta, Gordon Lish and Tom Wolfe.

J. D. Salinger: The Last Interview

McClelland & Stewart

From the moment J. D. Salinger published *The Catcher in the Rye* in 1951, he was stalked by besotted fans, would-be biographers, and pushy journalists. In this collection of rare and revealing encounters with the elusive literary giant, Salinger discusses—sometimes willingly, sometimes grudgingly—what that onslaught was like, the autobiographical origins of his art, and his advice to writers. Including his final, surprising interview, and with an insightful introduction by New York Times journalist David Streitfeld, these enlightening, provocative, and even amusing conversations reveal a writer fiercely resistant to the spotlight but powerless to escape its glare.

The Inverted Forest
A Novel

This is a book about translation and literary influence. It takes as its subject Spain's most important contemporary novelist, Javier Marías (1951-), who worked as a literary translator for a significant portion of his early career. Since then, he has maintained that translation had a crucial impact on the development of his writing style and his literary frame of reference. It examines his claims to the influence of three writers whose works he translated, Laurence Sterne, Sir Thomas Browne, and Vladimir Nabokov. It does so

by engaging in close reading of his translations, examining how he meets the linguistic, syntactic, and cultural challenges they present. His prolonged engagement with their prose is then set alongside his own novels and short stories, the better to discern precisely how and in what ways his works have been shaped by their influence and through translation. Hence this study begins by asking why Marías should have turned to translation in the cultural landscape of Spain in the 1970s and how the ideological standpoints that animated his decision affect the way he translates. His translation of Sterne's *Life and Opinions of Tristram Shandy, Gentleman* is set alongside his pseudo-autobiographical novel *Negra espalda del tiempo* (Dark Back of Time), while his translation of Sir Thomas Browne's *Urn Burial* is then analysed in tandem with that produced by Jorge Luis Borges and Adolfo Bioy Casares. Subsequent chapters examine how Browne's prose has shaped Marías's thinking on oblivion, posterity, and time. The final chapters offer an analysis of the partial translation and palimpsest of *Lolita* he undertook in the early 1990s and of his most ambitious

novel to date, *Tu rostro mañana* (Your Face Tomorrow), as a work in which characterization is underpinned by both literary allusion and the hybridization of works Marías has translated.

COMPANION TO LITERATURE

Simon and Schuster
The last book-length work of fiction by J. D. Salinger published in his lifetime collects two novellas about "one of the liveliest, funniest, most fully realized families in all fiction" (New York Times). These two novellas, set seventeen years apart, are both concerned with Seymour Glass--the eldest son of J. D. Salinger's fictional Glass family--as recalled by his closest brother, Buddy. "He was a great many things to a great many people while he lived, and virtually all things to his brothers and sisters in our somewhat outsized family. Surely he was all real things to us: our blue-striped unicorn, our double-lensed burning glass, our consultant genius, our portable conscience, our supercargo, and our one full poet..."

J. D. Salinger's the Catcher in the Rye
Little, Brown

The complete stories of a 20th century

master of fiction Affairs, obsessions, ardors, fantasy, myth, legends, dreams, fear, pity, and violence—this magnificent collection of stories illuminates all corners of the human experience. Including four previously uncollected stories, this new complete edition reveals Graham Greene in a range of contrasting moods, sometimes cynical and witty, sometimes searching and philosophical. Each of these forty-nine stories confirms V. S. Pritchett’s declaration that Greene is “a master of storytelling.” This Penguin Classics edition features an introduction by Pico Iyer. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Salinger Facts on File

Facts on File Companion to the American Short Story Greenwood

A collection including the last complete unpublished short stories by F. Scott Fitzgerald, the iconic American writer of *The Great Gatsby* who is more widely read today than ever. *I’d Die For You* is a collection of the last remaining unpublished and uncollected short stories by F. Scott Fitzgerald, edited by Anne Margaret Daniel. Fitzgerald did not design the stories in *I’d Die For You* as a collection. Most were submitted individually to major magazines during the 1930s and accepted for publication during Fitzgerald’s lifetime, but were never printed. Some were written as movie scenarios and sent to studios or producers, but not filmed. Others are stories that could not be sold because their subject matter or style departed from what editors expected of Fitzgerald. They date from the earliest days of Fitzgerald’s career to the last. They come from various sources,

from libraries to private collections, including those of Fitzgerald’s family. Readers will experience Fitzgerald writing about controversial topics, depicting young men and women who actually spoke and thought more as young men and women did, without censorship. Rather than permit changes and sanitizing by his contemporary editors, Fitzgerald preferred to let his work remain unpublished, even at a time when he was in great need of money and review attention. “*I’d Die For You*,” the collection’s title story, is drawn from Fitzgerald’s stays in the mountains of North Carolina when his health, and that of his wife Zelda, was falling apart. With the addition of a Hollywood star and film crew to the Smoky Mountain lakes and pines, Fitzgerald brings in the cinematic world in which he would soon be living. Most of the stories printed here come from this time period, during the middle and late 1930s, though the collection spans Fitzgerald’s career from 1920 to the end of his life. The book is subtitled *And Other Lost Stories* in recognition of an absence until now. Some of the eighteen stories were physically lost, coming to light only in the past few

years. All were lost, in one sense or another: lost in the painful shuffle of the difficulties of Fitzgerald's life in the middle 1930s; lost to readers because contemporary editors did not understand or accept what he was trying to write; lost because archives are like that, and good things can wait patiently in libraries for many centuries sometimes. *I'd Die For You And Other Lost Stories* echoes as well the nostalgia and elegy in Gertrude Stein's famous phrase "a lost generation," that generation for whom Fitzgerald was a leading figure. Written in his characteristically beautiful, sharp, and surprising language, exploring themes both familiar and fresh, these stories

provide new insight into the bold and uncompromising arc of Fitzgerald's career. *I'd Die For You* is a revealing, intimate look at Fitzgerald's creative process that shows him to be a writer working at the fore of modern literature—in all its developing complexities.

Sterne, Browne, Nabokov Infobase Publishing

Draws on extensive research and exclusive interviews to share previously undisclosed aspects of the enigmatic writer's life, from his private relationships and service in World War II to his legal concerns and innermost secrets.

Dream Catcher Marshall Cavendish

Gathers the limited edition's 11 original essays as well as new and previously uncollected pieces in a volume that offers insight into the author's views on such subjects as Native American whaling, the work of J. D. Salinger and his own family. By the award-winning author of *The Point. Original.*

A Biography Tin House Books

Best known for *The Catcher in the Rye*, which continues to be read and discussed by secondary school students, undergraduates, and scholars, Salinger also wrote numerous shorter works. This reference covers his entire oeuvre, including autobiographical elements in his writings.
