BODY MIND BALANCING is that our

thoughts and ideas have been trained to be one way, while our bodies operate naturally, which generally puts the two at odds. The harder you try to force them together, the more they fight each other.

Body Mind Balancing: Using Your Mind to Heal Your Body ...Body Mind Balancing provides both the conscious understanding and the practical tools that are needed to support this partnership of body and mind. The CD included is a guided process of the Osho method, 'Reminding yourself of the forgotten language of talking to the BodyMind.'
