 An emotional, angsty, rockstar romance from the bestselling author of *The Trouble With You and Wicked Beginnings*. The sweetheart of Country is

about to show the bad boys of Rock, it only takes a single beat for everything to change.

Evangeline Walker knows how quickly everything can change. But nothing can prepare her for the moment she meets Rafe Hunter.

Intense gray eyes. Wicked smile. Tattoos inked on his skin just begging to be touched.

Those aren't the reasons Eva should stay away from him though. The fact he's the

bassist for America's hottest rock band is the reason she should run and never look back. Everyone knows the greatest love stories all start somewhere. ... this is their beginning. Rush is the first book in Eva and Rafe's story. Rise: The Interlude, and Rule: The Finale are now available!

And one thing is for certain... neither of them will ever

be the same again. Box Set Includes:

**IT'S WHERE MY DEMONS HIDE**

Hal Leonard Corporation  
 From USA TODAY bestselling author "Throne of Glass meets Game of Thrones" My mum used to say, "One day, your true self will be

revealed. And on that day, your closest friends will turn against you." My name is Sky Knightly. I had an ordinary life. My work as a firefighter. My kids. Rinse and Repeat. Until someone kidnapped my little girl. Kara. I'll do anything to get her back. So when a mysterious stranger offers me a way to find her, I have no choice but to agree. Even though it means leaving everything behind. Even though it

means traveling to a new world. Now, I must train to be an Ashlord, and fight in a war greater than any before. A war between humanity... and dragons. If I trust the wrong person, I'm dead. If I love the wrong person, I'm dead. And if I die, who will save Kara? If I die, who will save the world? The dragons are coming. Are you ready?

 This book covers the developing and important issue of the role and place of Islam in the increasingly complex dynamics of Russian politics. It is achieved by examining various aspects of Islam and Muslims in Russia from a multidisciplinary perspective. Islam and Muslims are currently at the forefront of popular culture, mass media and political

imaginations in the age of the 'Global War on Terrorism'. Frequently, these are for the 'wrong' reasons as they are not well understood, but rather stereotypically misrepresented, often for various political reasons. Russia is also highly stereotyped; the diverse and mysterious country is often misunderstood in terms of the communicated cultural,

social and political images. This book is an attempt to expose and analyse the wealth in diversity of Islam and Muslims in Russia, a country where different religions have occupied the same political spaces, for better and worse, for many centuries. The content of this book is focused upon the contemporary social, political, cultural and identity contexts of

Russia in terms of the interrelated dynamics and forces that are shaping the relations and place of Islam and Muslims in Russia today. The chapters in this book were originally published in the journal Religion, State & Society.
