Accidental Empires: How the Boys of Silicon Valley Make Their Millions, Battle Foreign Competition, and Still Can't Get a Date (1992, 1996), is a book written by Mark Stephens under the pen name Robert X. Cringely about the founding of the personal computer industry and the history of Silicon Valley. Accidental Empires - Wikipedia Although Accidental Empires was written in 1996, and has to be read old-school style since it's not available on the Kindle, this is a great history of how all of the major tech companies that are still around got their start. Accidental
