Elijah - Bible Study Book Lifeway Church Resources

The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In One in a Million, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

THE ARMOR OF GOD

David C Cook

It is troubling how often we cease to be amazed at the transforming power of God in people's lives. When we meet Jesus, we are supposed to be changed. Jesus' death not only saves us and secures heaven for us, it is the power by which we can live a victorious Christian life here on earth. In *And We Are Changed*, Priscilla Shirer challenges readers to walk in freedom, throwing off the chains that have kept them from fully following Christ. She helps readers discover how to let the Word of God set us free, transforming us for His glory.

A STORY OF UNLIKELY JOY

B&H Publishing Group

The story of Jesus interacting with the Emmaus disciples after his resurrection provides an outline for what a gospel-centered kids ministry looks like: gospel-centered teaching that points to Jesus in every session, gospel-centered transformation that positions the gospel to change a child's heart and then his or her behavior, and gospel-centered mission where kids join in on the big story of Jesus that continues to unfold. Seven out of ten kids will walk away from church after they turn eighteen. About five will return when they have families of their own. But two will never return. Clearly, something isn't connecting with our kids. As kids ministry leaders, we need to take a hard look at what we are missing in our kids ministries and provide kids the one thing that will satisfy them and keep them connected to the church—the gospel. Gospel-Centered Kids Ministry also addresses how to communicate with and encourage gospel-centered leaders and parents as part of your ministry.
