When the fight gets
fierce, you have to get
ferocious. This book
will teach me how to
train with my pain,
push with my prayers
and conquer what's
trying to conquer me.
SUMMARY: This book
isn't about winning
pretty. Rather, it will
show you how to punch

through your pain,
deliver a fatal blow to
the enemy, possess all
God has for you, and
experience ferocious
victory. The devil is
striking from every
side and it's not
because he wants to
distract you or ruin
your day--he wants to
take you out! He'll do
anything to break you
down. But you can flip
the script and
dismantle him instead!
When the enemy
attacks, the fight gets
ugly. Your prayers and

your faith have to get intense. You have to remove the makeup, take off the tie, and get down in the dirt of life to destroy the work of the devil. In *Ferocious Warrior*, Cora Jakes Coleman shows you how to win. Sharing keys that helped her through personal battles with depression, insecurity, infertility, and loss, Cora offers strategies to help identify the tactics and agenda of the enemy, and the obstacles to your breakthrough. *Ferocious warriors* don't shrink back from the enemy--they go into his camp and take back everything he stole from them. Peter Forrest expounds a program of best-explanation apologetics. He contends that since the existence of God would provide the best possible explanation of various facts, those facts support theism.

Among the facts cited are the suitability of the universe for life, the regularity of the universe, the human capacity for intellectual progress, the experience of a moral order, and various forms of beauty. The beauty that interests Forrest as evidence for the existence of God includes sensuous beauty; the beauty of the natural order, as revealed by the sciences; and the beauty of necessity discovered by mathematicians. In addressing the need for an adequate motive for creation, Forrest conjectures that God created the universe for embodied persons not for their life on earth alone but also for an afterlife. Forrest acknowledges the speculative nature of

such an account. He suggests that philosophical speculation is also required to defend theism against the charge that it is too extravagant a hypothesis to be warranted. Providing a speculative defense against the argument from evil, he explains how such speculations can be used to support best-explanation arguments without the conclusions themselves being rendered purely speculative.

What is the most hopeful word in History? For Billy Graham, that word is SALVATION. Salvation from what? From our selfish and self-destructive selves. From the messes we get ourselves into. From the sin that has haunted humanity from the beginning of time and the evil that pulls us down every day. From the cultural deceits that blind us to God's saving message. From the Hell so many don't believe in. If we don't think we need salvation, we're fooling ourselves. If we think we are beyond salvation, we're underestimating God. If we just don't want to think about salvation,

we're putting ourselves in eternal peril. At the age of ninety-five Billy Graham proclaims God's Gospel with resolve and deep compassion. It is a message he has been preaching for more than seventy years. And in this book you will sense its urgency, filled with hope for the future. "Believe on the Lord Jesus Christ, and you will be saved" (Acts 16:31) From America's evangelistic elder statesman: Salvation is what we all long for, when we are lost or in danger or have made a mess of our lives. And salvation belongs to us, when we reach out for the only One who can rescue us, Jesus. The saving message of the Gospel is the heartbeat of this preacher and evangelist. Millions

around the world have heard Billy Graham proclaim this unchanging truth. He has never forgotten the transformation of his own life, when he first said yes to God's gift of salvation, and he has witnessed multitudes turn their hearts to the God of Hope. The Reason for My Hope: Salvation presents the essence of that transformative message. It is biblical and timeless, and though simple and direct, it is far from easy. There are hard words, prophetic words, directed toward a culture that denies the reality of sin and distracts us from the veracity of Hell. But through its ominous warnings shines a light that cannot be extinguished, a beacon of hope that Jesus

came to seek and to save that which was lost. (Luke 19:10).

 I'm not good enough.
 It's my fault. I am alone. I am worthless. The voices and lies you give power to shape who you are and attempt to hijack your identity, twisting your perspective on God, family, career, church, and other relationships. Whose voice are you listening to? You are a champion by God's design. In Fight Forward, Brenda Crouch bravely shares her story of overcoming the abuse she suffered as a child and an adult. She offers practical solutions that will help you: - Find courage to dismantle the façade and embrace your true

identity. - Break the cycle of a victim mindset and trust the power of God to set you free. - Discover the strength to say no to users and learn to recognize authentic love. - Ditch self-ambition and explore the wealth of your divine purpose. - Find your voice and help others heal. Be propelled into favor and fulfillment as you listen to God's voice. He wants you to know the relevance of your authentic value and the unique purpose for which you were born.

The Dream King

 How a doctor's glimpses of eternity confirmed everything he believed about God, suffering, life on earth, and what happens after death. Dr. Chauncey Crandall

knows his patients well. When they are dying, he sits at the bedside with them and holds their hands. He prays with them. Sometimes he can feel what they feel and see what they see. At other times his patients have near-death experiences and "come back" with astonishing descriptions of the afterlife. In TOUCHING HEAVEN, Dr. Crandall reveals how what he has seen and heard has convinced him that God is real, that we are created for a divine purpose, that death is not the end, that we will see our departed loved ones again, and that we are closer to the next world than we think.

In this sermon on

Romans 8:26-27, Spurgeon shows us how the Holy Spirit helps us in our prayers. The Holy Spirit inspires prayer in us from our inmost soul. These prayers are sometimes deeper than can be expressed in words. "All the prayers which the Spirit of God inspires in us must succeed, because...there is a meaning in them which God reads and approves." These prayers are according to the will of God and will be answered!

When was the last time we truly paused to meditate and study the crucially important doctrine of the sovereignty of God? In this book A.W. Pink unpacks the theology of the sovereignty of God for us in a way few others have before or after him. Pink dives into Scripture not only to define the sovereignty of God; he goes on to help us apply the doctrine to various aspects of our lives. Pink passionately challenges us to wrestle with and accept a higher,

deeper and broader view of our omniscient and omnipotent King.

In this book, you're going to read about a different kind of love story. It's a love story each and every one of us is currently playing a role in--whether we're aware of it or not. And truth be told, it's scary-critical that we stay tuned-in to this love story. Because outside of a growing relationship with your heavenly Father, no other love (or lack of love) has the potential to improve or implode your life like the love that you have for you. For anyone who has ever struggled with their identity, Landra Young Hughes has a

radically simple message: give up. Specifically, give up your need to be in control of how other people see you. Instead, let God's words--not yours and not others'--define you. Through her own deeply personal story of trying to control her circumstances and others' perceptions of her through an eating disorder, Landra points the way toward a life free from self-obsession and self-resentment. She shows you how to listen to God's voice, let go of the struggle for perfection, and live authentically from your deepest self.

What does it take to be
a "real" man? You
don't have to be
perfect to be a man of
God. As Dr. Charles
Stanley writes, a man
of God is a maturing
man, a striving man, a
knowledgeable man.

And the first step in real manhood is spiritual rebirth. In *Man of God*, Dr. Stanley asks and answers questions such as these: What can we learn about manhood from Jesus's example? How does a true leader allow God to lead him? Why is a godly man "both velvet and steel"? What does it look like to be a provider? What does it mean to lead with sensitivity? *Man of God* will challenge and equip you to become a better leader, teacher, father, and husband. What makes a man? The answer starts here. Includes study guide for individuals or groups.

Over 750 5-Star reviews Wiese's visit to the devil's lair lasted just twenty-three minutes, but he returned with vivid details etched in his memory, capturing the attention of national media, including the Christian Broadcasting Network, Daystar Television Network, Trinity Broadcasting Network, the Miracle Channel, Sid Roth's *It's Supernatural!*, Sean Hannity's *America*, Charisma News, and many others. Bill Wiese experienced something so horrifying it continues to captivate the world. He saw the searing flames of hell, felt total isolation, smelled the putrid and rotting stench, heard deafening screams of agony, and experienced terrorizing

demons. Finally the strong hand of God lifted him out of the pit. Now Wiese shares his insights on commonly asked questions such as: Is hell a literal burning place? Where is hell? Do you have a body in hell? Are there degrees of punishment in hell? Are there children in hell? Can demons torment people in hell? Can "good" people go to hell?

The Fourth Dimension

The Inner Chamber suggests thoughts of the utmost importance. The daily need of retirement and quiet; the true spirit of prayer; the devotional reading of God's Word; the fellowship with God for which these are meant and by which alone they bring a

blessing; the spiritual life which they are meant to strengthen and fit for daily duty in intercourse with the world; the service for the kingdom of God in soul-winning and intercession -- all these truths have their share in making our devotions a source of joy and of strength. In this little book I have not attempted to take them up systematically, but I hope that the fragments I have given may bring help to some in the cultivation of the hidden life and its intercourse with God. - Preface.
