Apa Publications (UK) Limited

"With its gentle hills and timeless villages, the Cotswold countryside is a vision of rural calm, but the region's history reveals a darker picture. Over the centuries, people in the Cotswolds have known prosperity, but they have also experienced war, poverty, and despair. Lying between the provinces and the capital, the region has been home to kings and aristocrats, and has played a dramatic role in the story of Britain. Everywhere in the Cotswolds are reminders of the past: prehistoric monuments, ruined Roman villas, and Tudor mansions. Wealthy medieval wool merchants paid for fine churches and manor houses. Later, the landscape was scarred by the English Civil War, while evidence of an industrial past can be seen in the mills and factories of the south-west. After the wool

trade reached its peak in the fifteenth century, the fortunes of the Cotswolds suffered a slow decline. By the 1890s poverty was widespread and villages were sinking into picturesque decay. It was around this time that William Morris and his followers discovered the area and established thriving centers for Arts and Crafts. In the following century writers and artists moved to the Cotswolds and tourism gathered pace. Today, the region continues to attract visitors, as well as country-weekenders and celebrities. Observing such changes, and describing the landscape, has been a lively company of writers, artists, and musicians. Some belong to a particular place, while others have viewed the region as outsiders. In their writings, art, and music, they have all celebrated the distinctive character of the Cotswolds"--Provided by publisher.

THE ROUGH GUIDE TO THE COTSWOLDS, STRATFORD-UPON-AVON AND OXFORD (TRAVEL GUIDE EBOOK)

Bradt Travel Guides

This international-bestselling memoir of childhood in post-World War I rural England is one of the most “remarkable” portraits of youth in all literature (The New York Times). Three years old and wrapped in a Union Jack to protect him from the sun, Laurie Lee arrived in the village of Slad in the final summer of the First World War. The cottage his mother had rented for three and sixpence a week had neither running water nor electricity, but it was surrounded by a lovely half-acre garden and, most importantly, it was big enough for the seven children in her care. It was here, in a verdant valley tucked into the rolling hills of the Cotswolds, that Laurie Lee learned to look at life with a painter’s eye and a poet’s heart—qualities of vision that, decades later, would make him one of England’s most cherished authors. In this vivid recollection of a magical time and place, water falls from the scullery pump “sparkling like liquid sky.” Autumn is more than a season—it is a land eternally aflame, like Moses’s burning bush. Every midnight, on a forlorn stretch of heath, a phantom carriage reenacts its final, wild ride. And, best of all, the first secret sip of cider, “juice of those valleys and of that time,” leads to a boy’s first kiss, “so dry and shy, it was like two leaves colliding in air.” An instant classic when it was first published in 1959, *Cider with Rosie* is one of the most endearing and evocative portraits of youth in all of literature. The first installment in an autobiographical trilogy that includes *As I Walked Out One Midsummer Morning* and *A Moment of War*, it is also a heartfelt and lyrical ode to England, and to a way of life that may belong to the past, but will never be forgotten.

Rick Steves' London Apa Publications (UK) Limited

The wool trade was the mainstay of the medieval English economy, and no wool was more highly prized than that of the Cotswold sheep: weavers in Flanders and Italy went to endless lengths to secure their supply.

Lonely Planet Pocket Rotterdam Cicerone Press Limited

Contains the maps of the Cotswold Town and Village. This guide covers some of Britain's loveliest medieval churches and domestic buildings, which are built of the marvellous honey coloured Cotswold stone that here lies so close to the surface.

The Rough Guide to The Cotswolds CreateSpace

Secret Houses of the Cotswolds is a personal tour of twenty of the UK's most beguiling houses in this much loved area of western England, defined by its distinctive honey-coloured stone, rolling hills, picturesque villages and the most traditional English landscape. Author and architectural historian, Jeremy Musson, and Cotswolds-based photographer Hugo Rittson Thomas, offer privileged access to twenty houses, from castles and manor houses, by way of eighteenth- and nineteenth-century mansions, revealing their history, architecture and interiors, in the company of their devoted owners. In the footsteps of artists and designers from Georgian designers such as William Kent to Victorian visionary, William Morris, founder of the arts and crafts movement, we find a series of fascinating country houses of different sizes and atmospheres, which have shaped the English identity, and in different ways express the ideals of English life. Most of the houses included here are privately owned and not usually open to the public, and all of these houses featured in this book can be enjoyed through the eyes of owners, as well as an experienced architectural historian, and an award-winning photographer.

Offbeat Cotswolds Createspace Independent Publishing Platform After British-born, comedy actress Diz White found herself craving Yorkshire Pudding at every meal she knew her roots were pulling her back from America to her homeland. It was time to buy a Cotswolds Cottage! Her roller-coaster search doubles as a travel-tour that takes in every delight of the Cotswolds: historic sites, hog roasts and hiking.

Make the most of your time on Earth with The Rough Guide to the Cotswolds. Completely revamped for the second edition, The Rough Guide to the Cotswolds brings the Cotswolds up to date like no other guidebook does. Illustrated in color throughout, it reviews the best places to eat, drink, and stay, and explains how to get around by public transport. Food is a special focus: take in the best of the region's gastronomy with features on specialist farmers' markets and local farm shops, then sample fine dining for all budgets at rural gastropubs and new contemporary restaurants. Discover the best of the area's boutique-styled

hotels and top-rated country pubs. In each chapter, highlights point to the author's favorites, while there are lively, entertaining accounts of attractions from stately homes and wildlife parks to modern art galleries and country walks. The introduction features what not to miss and itineraries that make the most of the region. This essential guide is aimed at all budgets, with easy-to-use maps that make sure you don't miss the unmissable.

THE ROUGH GUIDE TO THE COTSWOLDS

Fodor's Travel

A captivating portrait of the greatest British gardens and the lords, ladies and gardeners who own and manage them. Focusing on the counties of Gloucestershire and Oxfordshire, this stunning book features 20 gardens designed by some of the leading contemporary garden designers from across the world. This beautiful corner of England has a rich tradition of garden making, which is explored in this very personal view by photographer Hugo Rittson-Thomas and journalist Victoria Summerley, both

residents of this green pocket with more than its fair share of beautiful and interesting gardens. Some of the gardens are strictly private, while others are regularly open to visitors, but all can now be savoured and enjoyed along with those who know them best.

Lonely Planet Pocket Oxford & the Cotswolds Apa Publications (UK) Limited

Planning a Visit to the English Cotswolds? Welcome to the updated third edition of the Visitor's Guide to the English Cotswolds. The book was updated on January 2, 2015. But there's more: If you purchase the paperback, you also get the Kindle edition for free. The book has been expanded and now includes more maps, photographs, destinations, sights, places to stay, best pubs and much more. So, if you're planning a visit to the Cotswolds, you'll find this guide to be a valuable resource. You'll find all of the information you need to plan your trip, including more than 160 photographs, and to make it a great success. But wait, if you buy the paperback edition, you get the Kindle edition for free. The English Cotswolds are a chain of undulating, limestone foothills that encompass a quiet, idyllic world of sleepy little towns and villages nestled among the hills and dales. Rising to just over 1,000 feet at the highest point on Cleeve Hill, the Cotswolds are spread across a half-dozen West Midland counties, including Gloucestershire, Avon, Wiltshire, Hereford and Worcester and Oxfordshire. For more than 90 miles, from Meon Hill just six miles south of Stratford-Upon-Avon, they stretch westward across the heart of England all the way to the great Roman city Bath. For more than a thousand years these pastoral, rolling hills have been home to more, to farmers and shepherds and... well, to me. Please allow me to introduce you to my Cotswolds. Yes, we'll visit all the well-known and not-to-be-missed spots along the way, but I'll take you to places off the beaten path, places that very few visitors to the Cotswolds ever get to visit. Chipping Campden, Broadway, Stanton, Stanway, Snowhill, Bourton-on-the-Water, Stow-on-the-Wold, Naunton, Northleach, Chedworth, The Slaughters, Buckland, Winchcombe, Burford, Cirencester and Bath are just some of the towns we'll visit; off the beaten path we'll visit the Duntisbournes villages, the tiny hamlet of Ford, the village of Bibury, and many more.. There's an air of timelessness among these ancient hills, honey-colored towns, villages and cottages. This, then, was my world, a world quite different to that you'll find described in the average guide book to the Cotswolds. I see the Cotswolds, even the well-known sites, through different eyes than do the tour guides that steer the visitors from one well-worn site to the next, never deviating from the pre-set tour of what they think you should see. But there's more, so much more. The historic sites and attractions we'll visit along the way include: Bellas Knap (an ancient long barrow - burial mound), the Rollright Stones (a prehistoric stone circle you're not likely to find in any other guide book), the lavender farm at Snowhill, the visually stunning ruins of the Roman Villa at Chedworth, Sudeley Castle (home of Queen Catherine Parr, last wife of Henry VIII), the ruins of Hailes Abbey, Broadway Tower, Wells Cathedral, the Great Tithe Barn at Littleton, the Fleece Inn at Bretforton (one of England's oldest pubs), the Roman Baths at Bath, Wickhamford where you can visit the tomb of one of George Washington's relatives, and many more too numerous to mention here. You'll find information about where to stay and where to eat: pubs, inns, hotels and bed & breakfast houses. All the information you need to successfully plan your visit to the Cotswolds.

A Cotswold Village Penguin

The Rough Guide to the Cotswolds is your definitive handbook to one of the most beautiful and diverse holiday destinations in the UK. From stately homes and wildlife parks to modern art

galleries, country walks and adventure sports, there is a section that introduces all of the regions' highlights. For every town and village, there are comprehensive and opinionated reviews of all the best places to eat, drink and stay to suit every budget. It brings the Cotswolds bang up-to-date; out go musty tearooms and chintzy B&Bs and in come the best of the area's new contemporary restaurants, boutique-styled hotels and top-rated country pubs. There's plenty of practical advice and a special focus on the region's gastronomy with features on specialist farmers' markets, local farm shops, gastro-pubs and country restaurants. The guide also comes complete with easy-to-use maps for every area making sure you don't miss the unmissable.

Secret Gardens of the Cotswolds The Rough Guide to the Cotswolds, Stratford-upon-Avon and Oxford (Travel Guide eBook)
The Little Book of the Cotswolds is a veritable smorgasbord of Cotswold miscellany, packed with fascinating titbits and all manner of factual frippery - from Cotswold lions to puppy dog pies. The region's strangest traditions, its most eccentric inhabitants, blood-curdling murders and right royal connections combine with humorous cartoons to make this quirky little book difficult to put down.

VISITOR'S GUIDE TO THE ENGLISH COTSWOLDS

Rough Guides UK

With its gentle hills and timeless villages, the Cotswold countryside is a vision of natural beauty and rural calm, but it is also a region rich in history. In this new addition to the Landscapes of the Imagination series, Jane Bingham offers an intriguing portrait of the Cotswolds over the centuries, ranging from ancient stone circles and ruined Roman villas to the Cotswolds today, a picturesque destination spot popular with country-weekenders, tourists, and celebrities. Readers will visit fine churches and manor houses that have survived from the Middle Ages, and tour a landscape still bearing the scars of the Civil War. The home of kings and nobles since Saxon times, the region is famous for its elegant estates, such as Blenheim Palace--England's grandest stately home--while signs of the early industrial age can be seen in its mills and factories. Artists, musicians, and writers were also drawn to this rural paradise, from William Shakespeare and William Morris to T.S. Eliot and Ralph Vaughn Williams. Bingham captures it all in her charming portrait of this glorious spot in the heart of southern England.

You'll navigate the city like a local, using Rick's walking tours as your guide.

Fodor's Great Britain Open Road Media

Guidebook to walking the Cotswold Way National Trail between Chipping Campden and Bath, across the Cotswolds AONB - which includes both a guide to the route and a separate mapping

booklet. The 102 mile (163km) route is described in both directions over 13 stages, of between 6 and 10 miles, depending on the existence of overnight accommodation. Camping options are sparse along the route. This guidebook is illustrated with maps and the author's own full-colour photographs. The stage-by-stage route description is accompanied by overview maps at a scale of 1:100,000 (1cm to 1 mile). A more detailed map of the Way is supplied in booklet form, at a scale of 1:25,000, slid into the back of the book. The Cotswold Way became a National Trail in May 2007, despite having been a much-loved walking route for more than 35 years. It follows the Cotswold escarpment, with dramatic and far-reaching views across the Severn Vale towards the Welsh hills, plunging down to visit honey-coloured villages, old market towns and the elegant and historic city of Bath.
