Diary of a Wimpy Kid

Author and illustrator

Kinney didn't know how movies got made, but

when his bestselling

series was turned into a live-action movie by 20th

Century Fox, he learned how books get adapted

for the screen. Complete with photographs, script

pages, storyboard sketches, costume

designs, and original art. Rodrick Rules (Diary of a

Wimpy Kid #2) Harry N. Abrams

The highly anticipated third book in the critically acclaimed and bestselling series takes the art of being wimpy to a whole new level. Let's face it: Greg Heffley will never change his wimpy ways. Somebody just needs to explain that to Greg's father. You see, Frank Heffley actually thinks he can get his son to toughen up, and he enlists Greg in organized sports and other "manly" endeavors. Of course, Greg is able to easily

sidestep his father's efforts to change him. But when Greg's dad threatens to send him to military academy, Greg realizes he has to shape up . . . or get shipped out. Greg and his family and friends, who make the *Diary of a Wimpy Kid* books a must-read for middle school readers, are back and at their best in this hilarious new installment of the series, which is sure to please current fans while attracting new ones. Publishers Weekly-1/19/2009: The

third book in this genre-busting series is certain to enlarge Kinney's presence on the bestseller lists, where the previous titles have taken up residence for the past two years. Kinney's spot-on humor and winning formula of deadpan text set against cartoons are back in full force. This time, Greg starts off on New Year's Day (he resolves to "help other people improve,t? telling his mother, "I think you should work on chewing your potato chips more quietlyt?) and ends with summer vacation. As

he fends off his father's attempts to make him more of a man (the threat of military school looms), Greg's hapless adventures include handing out anonymous valentines expressing his true feelings ("Dear James, You smellt?), attempting to impress his classmate Holly and single-handedly wrecking his soccer team's perfect season. Kinney allows himself some insider humor as well, with Greg noting the "rackett? children's book authors have going. "All you have

to do is make up a character with a snappy name, and then make sure the character learns a lesson at the end of the book.†? Greg, self-centered as ever, may be the exception proving that rule. Ages 8†“12. (Jan.) F&P level: T
