This guide is essential for anyone who wants to master American English pronunciation and gain confidence to speak English like a native. It teaches you everything from how to pronounce the basic letter sounds to the more advanced pronunciation concepts such as the schwa sound and word stress. Includes 50 most common English reductions, 44 beautiful sound diagrams to see the mouth position, introduction to word stress, connected speech, and intonation, and easy to follow word lists.

□□□□□□□□ Ten Speed
Press

This course includes an overview of current theory and practice. The paperback edition offers current and prospective teachers of English a

comprehensive treatment of pronunciation pedagogy, drawing on current theory and practice. The text provides an overview of teaching issues from the perspective of different methodologies and second language acquisition research. It has a thorough grounding in the sound system of North American English, and contains insights into how this sound system intersects with listening, morphology, and spelling. It also contains diagnostic tools, assessment measures, and suggestions for syllabus design. Discussion questions encourage readers to draw on their personal language learning/teaching experiences as they assimilate the contents of each chapter. Follow-up exercises guide teachers in developing a range of classroom activities within a communicative framework.

French Made Simple

Arden Shakespeare

This book is a highly readable introduction to

Korean pronunciation for students at all levels of proficiency. Beginners will find the information and practice they need to cross the threshold of intelligibility in Korean, while more advanced students will have the opportunity to fine-tune their pronunciation and improve their comprehension. The *Sounds of Korean* focuses on the most challenging features of Korean pronunciation. Careful attention is paid to the way in which a sound's pronunciation can be modified in different contexts. The first part of the text consists of an overview and chapters on vowel and consonant sounds in Korean, adjustment processes that modify speech sounds in different positions within words and phrases, and the role of prosody in expressing meaning and emotion. The practice exercises that follow are paired with the various contrasts and adjustment processes discussed earlier. These exercises, recorded in MP3 format by

two native speakers (male and female) from Seoul, give students systematic, focused exposure to natural colloquial speech that represents the way Korean is actually spoken in the real world.

AMERICAN ENGLISH PRONUNCIATION MADE SIMPLE

Newbury House
For word nerds and grammar geeks, a witty guide to the most commonly mispronounced words, along with their correct pronunciations and pithy forays into their fascinating etymologies and histories of use and misuse. With wit and good humor, this handy little book not only saves us from sticky linguistic situations but also provides fascinating cocktail-party-ready anecdotes. Entries reveal how to pronounce boatswain like an old salt on the deck of a ship, trompe l'oeil like a bona fide art expert, and haricot vert like a foodie, while arming us with the knowledge of why certain words are correctly pronounced the "slangy" way (they came about before dictionaries), what stalks of grain have to do with pronunciation, and more. With bonus

sidebars like "How to Sound like a Seasoned Traveler" and "How to Sound Cultured," readers will be able to speak about foreign foods and places, fashion, philosophy, and literature with authority.

Korean Made Easy for Beginners (2nd Edition)
Createspace Independent Publishing Platform
French Made Simple will help you learn to speak French quickly and easily! An invaluable introduction to one of the most studied languages, French Made Simple is ideal for students, business professionals, and tourists alike. Teaching the basics of grammar, vocabulary, and culture, it guides you step-by-step through the process of learning and conversing quickly. Refreshingly easy to understand, French Made Simple includes: • Grammar basics • Modern vocabulary • Helpful verb chart • French-English dictionary • Reading exercises • Economic information • Common expressions • Review quizzes • Complete answer key

English Pronunciation Made Simple
This is a fun and user-friendly way to learn English English Made Easy

is a breakthrough in English language learning—imaginatively exploiting how pictures and text can work together to create understanding and help learners learn more productively. It gives beginner English learners easy access to the vocabulary, grammar and functions of English as it is actually used in a comprehensive range of social situations. Self-guided students and classroom learners alike will be delighted by the way they are helped to progress easily from one unit to the next, using a combination of pictures and text to discover for themselves how English works. The pictorial method used in this book is based on a thorough understanding of language structure and how language is successfully learned. The authors are experienced English language teachers with strong backgrounds in language analysis and language learning. English Made Easy, Volume 2 consists of a total of 20 units arranged in groups of five. The first four units presents language and provide learners the opportunities to practice as they learn. The first page of each unit has a

list of all the words and phrases to be learned in that unit, together with pronunciation guide. At the end of each unit, an interesting story which uses the language that has just been learned is presented. The fifth unit in each group contains exercises designed to reinforce the language learned in the first four units.

Did you know that more than half of the letters in the alphabet can be silent? With all the oddities of the English language, it's no surprise that the top two Google searches for "How do you..." are "How do you spell..." and "How do you say...." Are you one of the millions endlessly looking up correct spelling and pronunciation? End your confusion forever with Complete English Spelling and Pronunciation Rules, from the language experts at Farlex International, publishers of Complete English Grammar Rules and creators of TheFreeDictionary.com, the trusted reference destination with 1 billion+ annual visits. Forget about memorizing the hundreds of thousands of

words in the English language-get the only spelling and pronunciation guide that gives you all the tools you need to tackle even the hardest words to spell and say. Go beyond "I before E except after C" and get all the rules and exceptions, all in one place, all explained in plain English. Plus: Correct and incorrect examples displayed side-by-side. Quizzes after every lesson. Simple tips and tricks to avoid the most commonly misspelled words and pronunciation mistakes. Get Complete English Spelling and Pronunciation Rules and instantly start spelling and speaking with confidence. From Farlex International, the creators of the popular and award-winning TheFreeDictionary.com, comes Complete English Spelling and Pronunciation Rules, the third volume of The Farlex Grammar Book. The secret about spelling is that good spellers don't just rely on memory-they know the rules and patterns that tell them exactly how a word should be spelled and pronounced. Complete English Spelling and Pronunciation Rules is the only pronunciation and

spelling guide that gives you direct access to all of those rules-and the many, many exceptions-with simple, easy-to-remember methods to handle every word that comes your way. Don't let spellcheck let you down when it counts-get the tools to start spelling and pronouncing words the right way every time. Packed with clear explanations, quizzes, examples, and common mistakes, Complete English Spelling and Pronunciation Rules is the only spelling and pronunciation guide you'll ever need.

Mastering the American Accent is an easy-to-follow approach for reducing the accent of non-native speakers of English. Well-sequenced lessons in the book correspond over eight hours of audio files covering the entire text. The audio program provides clear models

(both male and female) to help coach a standard American accent. The program is designed to help users speak Standard American English with clarity, confidence, and accuracy. The many exercises in the book concentrate on topics such as vowel sounds, problematic consonants such as V, W, TH, the American R and T and others. Correct lip and tongue positions for all sounds are discussed in detail. Beyond the production of sounds, the program provides detailed instruction in prosodic elements such as syllable stress, emphasis, intonation, linking words for smoother speech flow, common word contractions, and much more. Additional topics that often confuse ESL students are also discussed and explained. They include distinguishing between casual and formal speech, homophones (e.g., they're and there), recognizing words with silent letters (e.g., comb, receipt), and avoiding embarrassing pronunciation mistakes, such as mixing up "pull" and "pool." Students are familiarized with many irregular English spelling rules and exceptions, and are shown how such

irregularities can contribute to pronunciation errors. A native language guide references problematic accent issues for 13 different language backgrounds.

Cambridge Advanced Learner's Dictionary KLETT VERSION

Harmony
Reduce your accent when pronouncing English, with the expertise from an acclaimed specialist in the area Developed by acclaimed speech consultant and accent specialist Susan Cameron, Perfecting Your English Pronunciation features her successful method, which focuses on the anatomical placement of sound and on the musculature used in articulation. Where other accent reduction/English pronunciation products rely on solely mimicking of audio sounds, this work focuses visually, audibly, and narratively on the physical ability to speak English, noting that many sounds of English may be difficult for you because some tongue positions used in English may not be used in your native language. The 45-minute DVD introduces you to mouth and jaw exercises to prepare you for English, then demonstrates mouth

formations and tongue placement using other nonnative speakers like you. You will see and hear how English sounds-- enabling you to become more and more comfortable conversing with native English speakers as you go through the program.

Training Baptist Haiti Mission

Well Said is designed to enhance speech intelligibility by focusing on common problems of advanced learners, such as stress, intonation, and rhythm. -- Progression from a focus on form to a focus on meaning -- Communicative activities: academic, home, or work settings -- Peer evaluation -- Transition from structured readings to spontaneous communication

Pronouncing American English Tuttle Publishing

This easy-to-read pronunciation guide helps language learners speak English more clearly and confidently, using everyday language examples and special exercises for both self-study and collaborative work. It shows how speakers of English as a foreign language can avoid being misunderstood in various

contexts. The book examines how the Spanish language influences English pronunciation, concentrating on 11 fundamental pronunciation issues that have been observed in Spanish speakers of all ages around the world. The online audios feature native speakers communicating in real-life words and sounds. Learners can practice their listening skills and compare their own speaking to standard English accents and pronunciation.

Perfect Pronunciation

Cambridge University Press

With a friendly writing style and abundant illustrations, Pronunciation Made Simple (formerly English Pronunciation for International Students) helps students understand and achieve the pronunciation patterns of native English speakers. Appropriate for both classroom use and self-study, this confidence-building text motivates students to practice their skills outside the classroom.
