DIVDIVA wry romp through 1930s mores, social and sexual/divDIV Progressive for its time as well as ours, *The Friendly Young Ladies* is a deftly witty comedy set in England between the wars. At eighteen, Elsie has had enough of life at her bickering parents' Cornwall home. She decides to join up with her bohemian older sister, Leo, in the city. Leo's life is full of surprises—not least her significant other, Helen, a beautiful nurse. As Elsie gets acquainted with Leo's world, new characters—including a novelist and a doctor deluded enough to chase all three women at once—come into play. With acid humor and a supremely light touch, *The Friendly Young Ladies* colors in an unseen dimension of the 1930s./divDIV/div/div

'The Charioteer remains compelling both as a snapshot of a particular - and particularly fascinating - cultural moment, and as a deeply romantic story of love fulfilled against the odds. It has all those qualities that make Mary Renault so memorable as a novelist: craft, subtlety, intelligence, and a terrific natural sympathy with the intricacies of honour and desire' SARAH WATERS 'An explosive and courageous book' SIMON RUSSELL BEALE First published in 1953, *The Charioteer* is a tender,

intelligent coming-of-age novel and a bold, unapologetic portrayal of homosexuality that stands with Gore Vidal's *The City and the Pillar* and James Baldwin's *Giovanni's Room* as a landmark work in gay literature. Injured at Dunkirk, Laurie Odell, a young corporal, is recovering at a rural veterans' hospital. There he meets Andrew, a conscientious objector serving as an orderly, and the men find solace in their covert friendship. Then Ralph Lanyon appears, a mentor from Laurie's schooldays. Through him, Laurie is drawn into a tight-knit circle of gay men for whom liaisons are fleeting and he is forced to choose between the ideals of a perfect friendship and the pleasures of experience. 'Emotionally intelligent, beautifully written and deeply moving, it transcends categorisations' *Telegraph*

Quatrefoil: A Modern Novel Open Road Media
Born Eileen Mary Challans in London in 1905, Mary Renault wrote six successful contemporary novels before turning to the historical fiction about ancient Greece for which she is best known. While Renault's novels are still highly regarded, her life and work have never been completely examined. Caroline Zilboorg seeks to remedy this in *The Masks of Mary Renault* by exploring Renault's identity as a gifted writer and a sexual woman in a society in which neither of these identities was clear or easy. Although Renault's life was anything but ordinary, this fact has often been obscured by her writing. The daughter of a doctor, she grew up comfortably and attended a boarding school in Bristol. She received a degree in English from St. Hugh's College in Oxford in 1928, but she chose not to pursue an

academic career. Instead, she decided to attend the Radcliffe Infirmary in Oxford, where she trained to be a nurse. With the outbreak of the Second World War, she was assigned to the Winford Emergency Hospital in Bristol and briefly worked with Dunkirk evacuees. She went on to work in the Radcliffe Infirmary's brain surgery ward and was there until 1945. It was during her nurse's training that Renault met Julie Mullard, who became her lifelong companion. This important lesbian relationship both resolved and posed many problems for Renault, not the least of which was how she was to write about issues at once intensely personal and socially challenging. In 1939, Renault published her first novel under a pseudonym in order to mask her identity. It was a time when she was struggling not only with her vocation (nursing and writing), but also with her sexual identity in the social and moral context of English life during the war. In 1948, Renault left England with Mullard for South Africa and never returned. It was in South Africa that she made the shift from her early contemporary novels of manners to the mature historical novels of Hellenic life. The classical settings allowed Renault to mask material too explosive to deal with directly while simultaneously giving her an "academic" freedom to write about subjects vital to her—among them war, peace, career, women's roles, female and male homosexuality, and bisexuality. Renault's reception complicates an understanding of her achievement, for she has a special status within the academic community, where she is both widely read and little written about. Her interest in sexuality and specifically in homosexuality and bisexuality, in fluid gender roles and identities, warrants a rereading and reevaluation of her work. Eloquently written and extensively researched, *The Masks of Mary Renault* will be of special value to anyone interested in women's studies or English literature.

A Departure Lethe Press

A four-month New York Times bestseller: This classic gay love story is as gripping and sexy today as when it was first published. Charlie Mills always played the role of the good grandson, and his grandmother rewarded him for it handsomely in the form of all the gifts, money, and attention a boy could want. Entering college in the late 1930s, Charlie just has to keep doing what his grandmother expects of him in order to continue to receive her gifts. He has to find a nice girl, get married, and have a few kids. Then one summer, he meets Peter Martin. Peter is everything that Charlie has ever wanted. Despite all the obstacles, Charlie immediately craves and pursues Peter, who happily obliges him. As they grow closer, Charlie is forced to choose between two options: complying with the expectations of society and family, or following the call of true love. In this, the first book of the *Charlie & Peter Trilogy*, Gordon Merrick creates an enduring portrait of two young men deeply in love, and the tribulations they endure to express themselves and maintain their relationship.

GIMPEL THE FOOL

New York Morrow 1948.

In the story of the great lyric poet Simonides, Mary Renault brings alive a time in Greece when tyrants kept an unsteady rule and poetry, music, and royal patronage combined to produce a flowering of the arts. Born into a stern farming family on the island of Keos, Simonides escapes his harsh childhood through a lucky apprenticeship with a renowned Ionian singer. As they travel through 5th century B.C. Greece, Simonides learns not only how to play the kithara and compose poetry, but also how to navigate the shifting alliances surrounding his rich patrons. He is witness to the Persian invasion of Ionia, to the decadent reign of the Samian pirate king Polykrates, and to the fall of the Pisistratids in the Athenian court. Along the way, he encounters artists, statesmen, athletes, thinkers, and lovers, including the

likes of Pythagoras and Aischylos. Using the singer's unique perspective, Renault combines her vibrant imagination and her formidable knowledge of history to establish a sweeping, resilient vision of a golden century.

Songs of a Sourdough Open Road Media

A New York Times--bestselling trilogy about the ancient Greek kingdom of Macedon and its leader from an author hailed by Hilary Mantel as "a shining light." *Fire from Heaven* is a gripping account of the formative years of Alexander's life. The story tells of his complex relationship with his parents; of his two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great first takes someone's life at age twelve and swiftly eliminates his rivals as soon as he comes to power, emerging in this novel as a captivating and complex figure. The iconic Persian Boy centers on the Macedon king as seen through the eyes of his lover and most faithful attendant, the eunuch Bagoas. When Bagoas is very young, his

father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on his life abound. The result is a riveting account of a great conqueror's years of triumph and, ultimately, heartbreak. In *Funeral Games*, a bloody struggle for power rages after the death of Alexander, leaving an empire that extends from the Adriatic Sea to the Indus River. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander's disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, *Funeral Games* brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. This ebook features an illustrated biography of Mary Renault including rare images of the author. "Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us." —Hilary Mantel

'Mary Renault's portraits of the ancient world are fierce, complex and eloquent, infused at every turn with her life-long passion for the Classics. The Masks of Mary Renault Vintage

Nancy Mitford's most controversial novel, unavailable for decades, is a hilarious satirical send-up of the fascist political enthusiasms of her sisters Unity and Diana, and of her notorious brother-in-law, Sir Oswald Mosley. Written in 1934, early in Hitler's rise, *Wigs on the Green* lightheartedly skewers the devoted followers of British fascism. The sheltered and unworlly Eugenia Malmain is one of the richest girls in England and an

ardent supporter of General Jack and his Union Jackshirts. World-weary Noel Foster and his scheming friend Jasper Aspect are in search of wealthy heiresses to marry; Lady Marjorie, disguised as a commoner, is on the run from the Duke she has just jilted at the altar; and her friend Poppy is considering whether to divorce her rich husband. When these characters converge with the colorful locals at a grandly misconceived costume pageant that turns into a brawl between Pacifists and Jackshirts, madcap farce ensues. Long suppressed by the author out of sensitivity to family feelings, *Wigs on the Green* can now be enjoyed by fans of Mitford's superbly comic novels.

A MILESTONE IN GAY FICTION Phillip Froelich is in trouble. The year is 1946, and he's traveling to Seattle where he will face a court martial for acting insubordinate to a lazy officer in the closing days of World War II. On the way to Seattle he meets Tim Danelaw, and soon the court martial is among the least of Phillip's concerns.... So begins *Quatrefoil*, a novel originally published in 1950. It marked a milestone in gay writing, with two of the first non-stereotyped gay characters to appear in American fiction. For readers of the Fifties, it was a rare chance to counteract the negative imagery that surrounded them. Today, *Quatrefoil* ranks as a classic work of gay writing, a novel that is still as gripping and enjoyable as ever. It is of extra interest to the modern reader for the vivid picture it draws of what life was like for gay men in our recent but little-known past.

The Persian Boy New American Library of Canada

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is "one of the truly fine historical novels of modern times" (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in *The King Must Die*. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault's Theseus is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus's adventures from Troizen to Eleusis, where the death in the book's title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault's story of Theseus continues with the sequel *The Bull from the Sea*. This ebook features an illustrated biography of Mary Renault including rare images of the author.
