**The Thorn Birds** HarperCollins  
In his brilliant, bestselling novels, Tom Clancy has explored the most timely military and security issues of our generation. Now he takes readers deep into the operational art of war with this insightful look at one of the greatest American military triumphs since World War II: the Gulf War.

**A Study in Command** Harper Collins  
“Beautiful....Compelling entertainment.”  
—New York Times “A heart-rending

epic...truly marvelous.” —Chicago Tribune One of the most beloved novels of all time, *The Thorn Birds*, Colleen McCullough’s sweeping family saga of dreams, titanic struggles, dark passions, and forbidden love in the Australian Outback, returns to enthrall a new generation.

Maggie & Me Hachette Australia  
It's 12 October 1984. An IRA bomb blows apart the Grand Hotel in Brighton. Miraculously, Margaret Thatcher survives. In small-town Scotland, eight-year-old Damian Barr watches in horror as his mum rips her wedding ring off and packs their bags. He knows he, too, must

survive. Damian, his sister and his Catholic mum move in with her sinister new boyfriend while his Protestant dad shacks up with the glamorous Mary the Canary. Divided by sectarian suspicion, the community is held together by the sprawling Ravenscraig Steelworks. But darkness threatens as Maggie takes hold: she snatches school milk, smashes the unions and makes greed good. Following Maggie's advice, Damian works hard and plans his escape. He discovers that stories can save your life and - in spite of violence, strikes, AIDS and Clause 28 - manages to fall in love dancing to Madonna in Glasgow's only gay club. *Maggie & Me* is a touching and darkly witty memoir about surviving Thatcher's Britain; a story of growing up gay in a straight world and coming out

the other side in spite of, and maybe because of, the iron lady. *Into the Storm* Alfred Music Publishing Mary Horton is content with her comfortable, solitary existence . . . until she meets Tim. A beautiful young man with the mind of a child -- a gentle outcast in a cruel, unbending world -- he illuminates the darkness of Mary's days with his boyish innocence. And he will shatter the lonely, middle-aged spinster's respectable, ordered life with a forbidden promise of a very special love.

Fortune's Favorites Simon and Schuster Sometimes fairy toles can come true-even for plain,shy spinsters like Missy Wright. Neither as pretty as cousin Alicianor as domineering as mother Drusilla, she seems doomed to aquiet

life of near poverty at Missalonghi, her family's pitifully small homestead in Australia's Blue Mountains. But it's a brand new century—the twentieth—a time for new thoughts and bold new actions. And Missy Wright is about to set every self-righteous tongue in the town of Byron wagging. Because she has just set her sights on a mysterious, mistrusted and unsuspecting stranger ... who just might be Prince-Charming in disguise. *Case history of a film score* Simon and Schuster

'The antidote to climate anxiety is action. Make your first action reading this book.' OSHER GUNSBURG 'Rebecca Huntley has given us a great gift: an essential guide to understanding ourselves and each other as we face the climate crisis. Let's take down the walls

that divide us. Collectively, with compassion and courage, we can make real change happen.' KYLIE KWONG 'Explains whether and how we will choose to solve the climate problem. Immensely important analysis in a great read.' PROFESSOR ROSS GARNAUT 'Why is it so hard to talk about climate change? While scientists double down on the shocking figures, we still find ourselves unable to discuss climate change meaningfully among friends and neighbours - or even to grapple with it ourselves. The key to progress on climate change is in the psychology of human attitudes and our ability to change. Whether you're already alarmed and engaged with the issue, concerned but disengaged, a passive skeptic or an active denier, understanding our

emotional reactions to climate change - why it makes us anxious, fearful, angry or detached - is critical to coping on an individual level and convincing each other to act. This book is about understanding why people who aren't like you feel the way they do and learning to talk to them effectively. What we need are thousands - millions - of everyday conversations about the climate to enlarge the ranks of the concerned, engage the disengaged and persuade the cautious of the need for action.

Antony and Cleopatra Simon and Schuster

With extraordinary narrative power, New York Times bestselling author Colleen McCullough sweeps the reader into a whirlpool of pageantry and passion,

bringing to vivid life the most glorious epoch in human history. When the world cowered before the legions of Rome, two extraordinary men dreamed of personal glory: the military genius and wealthy rural "upstart" Marius, and Sulla, penniless and debauched but of aristocratic birth. Men of exceptional vision, courage, cunning, and ruthless ambition, separately they faced the insurmountable opposition of powerful, vindictive foes. Yet allied they could answer the treachery of rivals, lovers, enemy generals, and senatorial vipers with intricate and merciless machinations of their own—to achieve in the end a bloody and splendid foretold destiny . . . and win the most coveted honor the Republic could bestow.

This text, designed as a tool for the college classroom, gives the reader insight into the creative process used by master film composer Henry Mancini. Edited by Roy Phillippe, the book provides 16 musical examples and includes a CD with recordings from the original soundtrack. The text provides detailed analysis of the ideology and technique behind Mancini's creation of music to be paired with the film's storyline and its images. A must for any aspiring film composer, film music buff, or Mancini fan!

**The Thorn Birds** Simon and Schuster  
With incomparable storytelling skill, New York Times bestselling author Colleen McCullough brings Rome alive in all her majesty—and illuminates the world of

those favored by the gods at birth. In a time of cataclysmic upheaval, a bold new generation of Romans vied for greatness amid the disintegrating remnants of their beloved Republic. They were the chosen...and the cursed—blessed with wealth and privilege yet burdened by the dictates of destiny in a savage struggle for power that would leave countless numbers crushed and destroyed. But there was one who would tower above them all—a brilliant and beautiful boy whose ambition was unparalleled, whose love was legend, and whose glory was Rome's: a boy they would one day call "Caesar."

**and other stories** Simon and Schuster  
Tomorrow's America is a cold and ravaged place, a nation devastated by

despair and enduring winter. In a small New England city, senior government official Dr. Judith Carriol finds the man she has been seeking: a deliverer of hope in a hopeless time who can revive the dreams of a shattered people; a magnetic, compassionate idealist whom Judith can mold, manipulate and carry to undreamed-of heights; a healer who must ultimately face damnation through the destructive power of love.

The thorn birds Penguin

This mesmerizing coming-of-age novel, with its sheen of near-magical realism, is a moving tale of family and the power of stories. After their mother's probable suicide, sisters Olivia and Jazz take steps to move on with their lives. Jazz, logical and forward-thinking, decides to get a new job, but spirited, strong-willed

Olivia—who can see sounds, taste words, and smell sights—is determined to travel to the remote setting of their mother's unfinished novel to lay her spirit properly to rest. Already resentful of Olivia's foolish quest and her family's insistence upon her involvement, Jazz is further aggravated when they run into trouble along the way and Olivia latches to a worldly train-hopper who warns he shouldn't be trusted. As they near their destination, the tension builds between the two sisters, each hiding something from the other, until they are finally forced to face everything between them and decide what is really important.

was one of the greatest human experiments ever undertaken: to populate an unknown land with the criminal, the unloved and the unwanted of English society. Amid conditions of brutality that paralleled those of slavery, 'The First Fleet' was sent to a land no European but the legendary Captain Cook had ever seen. These convicts - and their equally isolated guards - were left to live or die on the hostile Australian continent. Richard Morgan - a convicted felon and educated, intelligent, resourceful man - finds the will to survive, experience the joys of love, and finally make an indelible mark

upon the new frontier. His story is both inspirational and heartwarming and will stay with you long after you finish the last page...

How to Talk About Climate Change in a Way That Makes a Difference Grand Central Publishing

Not since *The Thorn Birds* has Colleen McCullough written a novel of such broad appeal about a family and the Australian experience as *The Touch*. At its center is Alexander Kinross, remembered as a young man in his native Scotland only as a shiftless boilermaker's apprentice and a godless rebel. But when, years later, he writes from Australia to summon his bride, his Scottish relatives quickly realize that he has made a fortune in the gold fields and is now a man to be reckoned with.

Arriving in Sydney after a difficult voyage, the sixteen-year-old Elizabeth Drummond meets her husband-to-be and discovers to her dismay that he frightens and repels her. Offered no choice, she marries him and is whisked at once across a wild, uninhabited countryside to Alexander's own town, named Kinross after himself. In the crags above it lies the world's richest gold mine. Isolated in Alexander's great house, with no company save Chinese servants, Elizabeth finds that the intimacies of marriage do not prompt her husband to enlighten her about his past life -- or even his present one. She has no idea that he still has a mistress, the sensual, tough, outspoken Ruby Costevan, whom Alexander has established in his town, nor that he has

also made Ruby a partner in his company, rapidly expanding its interests far beyond gold. Ruby has a son, Lee, whose father is the head of the beleaguered Chinese community; the boy becomes dear to Alexander, who fosters his education as a gentleman. Captured by the very different natures of Elizabeth and Ruby, Alexander resolves to have both of them. Why should he not? He has the fabled "Midas Touch" -- a combination of curiosity, boldness and intelligence that he applies to every situation, and which fails him only when it comes to these two women. Although Ruby loves Alexander desperately, Elizabeth does not. Elizabeth bears him two daughters: the brilliant Nell, so much like her father; and the beautiful, haunting Anna, who is to present her

father with a torment out of which for once he cannot buy his way. Thwarted in his desire for a son, Alexander turns to Ruby's boy as a possible heir to his empire, unaware that by keeping Lee with him, he is courting disaster. The stories of the lives of Alexander, Elizabeth and Ruby are intermingled with those of a rich cast of characters, and, after many twists and turns, come to a stunning and shocking climax. Like *The Thorn Birds*, Colleen McCullough's new novel is at once a love story and a family saga, replete with tragedy, pathos, history and passion. As few other novelists can, she conveys a sense of place: the desperate need of her characters, men and women, rootless in a strange land, to create new beginnings.

Two East Texas families must deal with the aftermath of a marriage that never happened leading to deceit, secrets, and tragedies in a sweeping multigenerational Southern saga "with echoes of *Gone with the Wind*." (Publishers Weekly) Spanning the 20th century, the story of *Roses* takes place in a small East Texas town against the backdrop of the powerful timber and cotton industries, controlled by the scions of the town's founding families. Cotton tycoon Mary Toliver and timber magnate Percy Warwick should have married but unwisely did not, and now must deal with consequences of their momentous choice and the loss of what might have been--not just for

themselves but for their children, and their children's children. With expert, unabashed, big-canvas storytelling, *Roses* covers a hundred years, three generations of Texans, and the explosive combination of passion for work and longing for love. ### **VALLEY OF THE DOLLS**

Macmillan

Colleen McCullough's new, romantic Australian novel about four unforgettable sisters taking their places in life during the tumultuous years after World War I is "just as epic as her ultra-romantic classic, *The Thorn Birds*" (Marie Claire). Because they are two sets of twins, the four Latimer sisters are as close as can

be. Yet each of these vivacious young women has her own dream for herself: Edda wants to be a doctor, Grace wants to marry, Tufts wants never to marry, and Kitty wishes to be known for something other than her beauty. They are famous throughout New South Wales for their beauty, wit, and ambition, but as they step into womanhood at the beginning of the twentieth century, life holds limited prospects for them. Together they decide to enroll in a training program for nurses—a new option for women of their time. As the Latimer sisters become immersed in hospital life and the demands of their training, each must make weighty decisions about love, career, and what she values most. The results are sometimes happy, sometimes

heartbreaking, but always...bittersweet. Set against the background of a young and largely untamed nation, “filled with humor, insight, and captivating historical detail, McCullough’s latest is a wise and warm tribute to family, female empowerment, and her native land” (People).

**Ladies of Missaloughi** The Thorn Birds

The "Thorn Birds of Detroit" series features inner-city folks fighting an uphill battle against the Mafia. As a work of historical fiction, *SAX CLUB* portrays the efforts of men and women from 1977 to 1979 in Detroit working against all odds to take back their neighborhoods. It depicts residents unwilling to be slaves to the mob bosses; local entrepreneurs wanting to build their own businesses; and other individuals compelled to push beyond the limits. A group of friends

meet monthly for a night of poker on the second floor of the infamous Sax Club on Six Mile/McNichols Road. Detective Clark Phillips and his two lifelong buddies meet with a former school principal from Detroit Holy Redeemer. They share congenial interests with a young black man from South Carolina and gypsy gigolo from Seattle.

Angel Allen & Unwin

In this final novel in the Roman series, McCullough turns her attention to the legendary romance of Antony and Cleopatra.
