International Dimensions of Organizational Behavior University of Toronto Press

"Welcome to the eleventh edition of *Organizational Behaviour: Understanding and Managing Life at Work!* This edition marks the 33rd anniversary of the text, which has been rigorously updated over the years to present students with the latest knowledge and research on both the science and practice of organizational behaviour. First published in 1983, *Organizational Behaviour* is the longest-running, continuously published, and regularly revised organizational behaviour textbook authored in Canada."

Organizational Behaviour Springer Nature

This book explored the empirical works on servant leadership, and underscored the qualities of servant leadership such as: empathy, listening, awareness, healing, conceptualization, stewardship, persuasion, foresight, building community and commitment to the growth of people, as better aligned with the values of Canadian nursing practice among other leadership styles and theories. Although the origin of the phrase "servant leadership" was coined by Robert Greenleaf in 1977, it is a fundamental flaw not to mention that the qualities and values of servant leadership model have been in existence in nursing from time immemorial. The philosophy of servant leadership is not fundamentally and essentially both distant and distinct from what nurses do in their care of patients. Since servant leadership is grounded in ethical and moral principles, this book explored the practicality and the relevancy of servant leadership, as well as the role of moral courage in creating healthy workplace that could transform both Canadian nursing practice and Canadian healthcare system.

Organizational Behavior Routledge

For introductory courses in Organizational Behaviour, Organizational Psychology, Industrial Psychology, and Human Relations in departments of management, public administration, psychology, social work, political science, and education. *Organizational Behaviour, 6ce* is the most student-engaging comprehensive book in the market. ESSENTIALS OF ORGANIZATIONAL BEHAVIOR

Prentice Hall

This book provides students with a clear, contemporary, and fully Canadian context for understanding Organizational Theory and Change. It explores many facets of Organizational Design, including the challenges presented by emerging new technologies and the global environment. It also addresses the key issues and problems that inform the process of organizational change and transformation, identifying direct and clear managerial implications.

ORGANIZATIONAL BEHAVIOUR : CONCEPTS, CONTROVERSIES, APPLICATIONS, THIRD CANADIAN EDITION. TEST ITEM FILE

FriesenPress

Organizational Behaviour Pearson Canada

Orgb Pearson Education Canada

Appropriate for introductory courses in Organizational Behaviour. *Organizational Behaviour, Seventh Edition*, is a research-based text that provides a balanced approach of theory and applications. This highly readable text combines comprehensive coverage with engaging features. Clearly presented theory is supported by real-world cases, discussion questions, and experiential exercises. While Canadian applications and examples are used, Johns and Saks make extensive use of international illustrations as well. Striking a balance between research and theory on the one hand, and practice and application on the other hand, the seventh edition of *Organizational Behaviour* includes the most recent research and theory in the field (e.g., employee engagement in Chapter 5 ; the GLOBE project in Chapters 4 and 9; Research Focus feature) as well as many examples of the application and practice of organizational behaviour throughout the text and in the chapter-opening vignettes,

the "Applied Focus" feature, and the "You Be the Manager" feature.

Organizational Behavior in Health Care Organizational Behaviour

'Organizational Behavior' contains material on responding to global and cultural diversity with discussions of globalization, workforce diversity and ethics. There is an additional chapter on leadership and expanded coverage of interpersonal and behavioral skills.

Understanding and Managing Organizational Behaviour Global Edition Pearson Higher Ed

The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

Drive Prentice Hall

This new kind of OB product, *Organizational Behavior: Real Solutions to Real Challenges*, came from our increasing recognition of the challenges faced by former students working in contemporary organizations today. Those graduates tell us that they are ultimately challenged most by the "people problems" in their work. So, we wanted our current students to understand that reality and to exposure them to the best current evidence and thinking about how informed people attack those challenges. Our charge was to create a product that focused on real solutions to real challenges in the real world. We have drawn on many sources including the Management & Organizational Behavior Teaching Society (MOBTS) and the Teaching and Learning Conference (TLC) of the Academy of Management.

Organizational Behavior Elsevier

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922875. The field of management and organizational behavior exists today in a constant state of evolution and change. Casual readers of publications like the New York Times, The Economist and the Wall Street Journal will learn about the dynamic nature of organizations in today's ever-changing business environment. *Organizational Behavior* is designed to meet the scope and sequence requirements of the introductory course on Organizational Behavior. This is a traditional approach to organizational behavior. The table of contents of this book was designed to address two main themes. What are the variables that affect how, when, where, and why managers perform their jobs? What theories and techniques are used by successful managers at a variety of organizational levels to achieve and exceed objectives effectively and efficiently throughout their careers? Management is a broad business discipline, and the *Organizational Behavior* course covers many areas such as individual and group behavior at work, as well as organizational processes such as communication in the workplace and managing conflict and negotiation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters. Finally, we all made an effort to present a balanced approach to gender and diversity throughout the text in the examples used, the photographs selected, and the use of both male and female in alternating chapters when referring to generic managers or employees.

THE ADULT LEARNER

SAGE Publications

Organizational Behaviour, 7th edition, is a research-based text that provides a balanced approach of theory and applications. This text combines comprehensive coverage with engaging features. Clearly presented theory is supported by real-world cases, discussion questions, and experiential exercises. While Canadian applications and examples are used, Johns and Saks make extensive use of international illustrations as well.

Organizational Behavior North York, ON : Captus Press

Aiming to show that OB knowledge is useful for everyone - sales representatives, production employees, and physicians, this book deals with OB concepts through a 'theory-practice link' approach. It helps readers connect OB theories to workplace realities through many real-life stories

from across the United States and around the world.

Fundamentals of Organizational Behaviour Pearson Prentice Hall

How do you tailor education to the learning needs of adults? Do they learn differently from children? How does their life experience inform their learning processes? These were the questions at the heart of Malcolm Knowles' pioneering theory of andragogy which transformed education theory in the 1970s. The resulting principles of a self-directed, experiential, problem-centred approach to learning have been hugely influential and are still the basis of the learning practices we use today. Understanding these principles is the cornerstone of increasing motivation and enabling adult learners to achieve. The 9th edition of *The Adult Learner* has been revised to include: Updates to the book to reflect the very latest advancements in the field. The addition of two new chapters on diversity and inclusion in adult learning, and andragogy and the online adult learner. An updated supporting website. This website for the 9th edition of *The Adult Learner* will provide basic instructor aids. For each chapter, there will be a PowerPoint presentation, learning exercises, and added study questions. Revisions throughout to make it more readable and relevant to your practices. If you are a researcher, practitioner, or student in education, an adult learning practitioner, training manager, or involved in human resource development, this is the definitive book in adult learning you should not be without.

Prentice Hall

Taking Your Students to the Next Level Highly readable and meticulously researched, the seventh edition of *Organizational Behaviour* offers a powerful balance of psychology and management applications. Using up-to-date examples from the Canadian and international scene, the authors' use of real-world cases, and thoughtful discussion questions has earned the text the title of standard bearer among reviewers, and its place among the most respected texts in business studies. Offering fresh group exercises, an all new "On the Job Challenge Exercise" in every chapter and even more Canadian content, this edition prepares students for the reality of managing at work.

Organizational Behaviour South Western Educational Publishing

Organizational Behavior in Health Care was written to assist those who are on the frontline of the industry everyday—healthcare managers who must motivate and lead very diverse populations in a constantly changing environment. Designed for graduate-level study, this book introduces the reader to the behavioral science literature relevant to the study of individual and group behavior, specifically in healthcare organizational settings. Using an applied focus, it provides a clear and concise overview of the essential topics in organizational behavior from the healthcare manager's perspective. *Organizational Behavior in Health Care* examines the many aspects of organizational behavior, such as individuals' perceptions and attitudes, diversity, communication, motivation, leadership, power, stress, conflict management, negotiation models, group dynamics, team building, and managing organizational change. Each chapter contains learning objectives, summaries, case studies or other types of activities, such as, self-assessment exercises or evaluation.

Social Purpose Enterprises McGraw-Hill Education

Social Purpose Enterprises: Case Studies for Social Change presents case studies of twelve organizations that operate in a growing niche within the Canadian social economy: market-based entities supported by a nonprofit organization and operated for the benefit of a workforce who lives on the margins of society. Using a variety of research methods, the contributors examine the work of social purpose enterprises in a range of businesses including food services, child care, furniture, courier services, and microfinance. Combining the experience of academics and practitioners, each chapter analyses the economic, social, and policy implications of the case. Building on research

published in *Researching the Social Economy* (2010) and *Businesses with a Difference* (2013), *Social Purpose Enterprises* provides a valuable resource for those involved in the growing push to encourage market-based solutions for those on the social margins.

Organizational Behaviour Penguin

Delivering what we've come to expect from this author team, McShane/Von Glinow 5e helps everyone make sense of OB, and provides the conceptual tools to work more effectively in the workplace. In their new Fifth Edition, McShane and Von Glinow continue the trailblazing innovations that made previous editions of *Organizational Behavior* recognized and adopted by the new generation of organizational behavior (OB) instructors. McShane and Von Glinow 5e is acclaimed for: Readability, presentation of current knowledge Strong International/Global orientation Contemporary Theory Foundation (without the jargon)

Organizational Behaviour Thomson Nelson

Organisational Behavior, 7e by McShane/Von Glinow helps everyone make sense of *Organizational Behavior*, and provides the conceptual tools to work more effectively in the workplace. This author duo continue the trailblazing innovations that made previous editions of *Organizational Behavior* recognised and adopted by the new generation organisational behavior (OB) instructor. The McShane and Von Glinow product is acclaimed for: Readability, presentation of current knowledge Linking OB concepts and theories with reality Strong International/Global orientation Contemporary Theory Foundation (without the jargon) Active Learning and Critical Thinking Support Textbook's philosophy OB knowledge is for everyone, not just traditional managers. *Organisational Behavior, 7e* is written in the context of these emerging workplace realities. This edition explains how emotions are the foundation of employee motivation, attitudes, and decisions; how social networks generate power and shape communication patterns; how self-concept influences individual behavior, team cohesion, and leadership; and how adopting a global mindset has become an important employee characteristic in this increasingly interconnected world. This book also presents the reality that organizational behavior is not just for managers; it is relevant and valuable to anyone who works in and around organizations.

STRATEGIC COMPENSATION IN CANADA

South-Western College

The Seventh Edition of *Canadian Organizational Behaviour* is truly a "new and improved" McShane: new trim size, fresh new design, new co-author, reorganized table of contents, improved examples, and even enhanced readability. The McShane brand is known for its cutting edge research and scholarship, recognized for its "for Canadians, by Canadians" approach to content, and respected for its firm anchoring of Canadian material within a global context. No other OB book offers the kind of comprehensive coverage in such an accessible, readable format. *Canadian Organizational Behaviour* continues to lead the way as the most innovative OB text on the market. McShane was the first OB textbook to include topics such as workplace emotions, appreciative inquiry, social identity theory, future search events, virtual teams, workaholism, and emotional intelligence. The innovation continues in the seventh edition with new and expanded coverage of topics such as employee engagement, resilience, four-drive theory, blogs and wikis, psychological harassment, learning orientation, Schwartz's values model, and separating socioemotional from constructive conflict. The pedagogical features have been completely overhauled to speak to new and emerging topics in OB worldwide, including the opening vignettes, the photo essays in each chapter, and many of the end-of-chapter exercises and end-of-part cases.
