DUNN BARRON

Fahrenheit 451 Fog City Publishing, LLC

The #1 bestselling trivia collection with bizarre facts to entertain you for hours, from the creator of YouTube's RealLifeLore. Where can I move to so that I'm never tempted by McDonald's again? How far into the Pacific does Trump's wall stretch? If Plato came back to life, what would he think of modern democracy? Why do all empires fail? Who decides what countries are allowed to participate in the Olympics? What makes Finland so great? When you take the most absurd parts of history, science, economics, and geography, you end up with a pretty confusing picture of humanity. Why do we have borders, what's the furthest you can get from the ocean, how do you qualify as a country, and why did Vikings wear those silly helmets? These are just a few of the strange questions that bounce around the head of YouTube sensation Joseph Pimenti, aka RealLifeLore. In his debut book, Pimenti explores the nonsensical humor of the universe with in-depth analysis of empires, economies, and ecosystems as he helps answer the ridiculous. Why, you ask? Because someone has to. Using line drawings, graphs, and charts, Pimenti not only details the absurd—he also provides explanations on why things are . . . and why they aren't.

Everything I Never Told You Random House Trade Paperbacks

Nature celebrates the individuality of each child being born.

Daffodils in Autumn Bytes 4 the Heart

Perhaps enough has been said to show that the Bible is the most creating, regenerating, civilizing, humanizing, educating, reforming, and inspiring power in all the world, and that the most lurid imagination cannot conceive what would be the state of the world to-day if there had never been a Bible. But we place this emphasis on the Book, only because it is the one inspired and authoritative record of the redemption which is in Christ Jesus. It is little wonder that, throughout the ages, the devil has attempted to discredit or destroy the Bible, in spite of Christians, and, alas, sometimes by means of them.

What If the Bible Had Never Been Written? Disney Electronic Content

For centuries, parents have relied heavily upon the birth of their sons and daughters to carry on the family name and to build upon the foundations that they have laid. By examining the value of

sonship using a political/historical apparatus, *If Obama Had a Son* gives a unique perspective on the burden, the fears, the expectation, and the responsibility of family legacy. This book reveals interesting history about the legacies of many of our nation's great leaders, including the Kings, the Kennedy's, and the Clintons.

If He Had Been with Me Pearson UK

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Temple international and comparative law journal Simon and Schuster

The bestselling workbook and grammar guide, revised and updated! Mere Christianity Russell & Russell Publishers

Bestselling author Mhairi McFarlane returns with another heartfelt romantic comedy perfect for fans of Josie Silver, Sophie Kinsella, or Sally Thorne. One of Shondaland's 5 Must-Read Books for March and a Best Romance of 2020 by Amazon, OprahMag, Insider, Buzzfeed, Bustle, Cosmo, PopSugar, and BookPage. If faking love is this easy... how do you know when it's real? When her partner of over a decade suddenly ends things, Laurie is left reeling—not only because they work at the same law firm and she has to see him every day. Her once perfect life is in shambles and the thought of dating again in the age of Tinder is nothing short of horrifying. When news of her ex's pregnant girlfriend hits the office grapevine, taking the humiliation lying down is not an

option. Then a chance encounter in a broken-down elevator with the office playboy opens up a new possibility. Jamie Carter doesn't believe in love, but he needs a respectable, steady girlfriend to impress their bosses. Laurie wants a hot new man to give the rumor mill something else to talk about. It's the perfect proposition: a fauxmance played out on social media, with strategically staged photographs and a specific end date in mind. With the plan hatched, Laurie and Jamie begin to flaunt their new couple status, to the astonishment—and jealousy—of their friends and colleagues. But there's a fine line between pretending to be in love and actually falling for your charming, handsome fake boyfriend...

What If I Had Never Tried It Wolgemuth & Hyatt, Publishers, Incorporated

We live in a cynical age in which only one prejudice is tolerated--anti-Christian bigotry. Yet despite the unbridled slanders and attacks against the faith, one powerful truth is undeniable: if Christ had never been born, nearly every facet of human life would be much more miserable than it is today. Arranged topically and presenting compelling, little-known historical facts, *What If Jesus Had Never Been Born?* clearly demonstrates that an enormous array of benefits to humankind--from economics to art to government, science to civil liberties, morality to health, and beyond--would never have occurred had Jesus Christ not lived.

What if Jesus Had Never Been Born? Solid Christian Books

One moment can change a lifetime... Keira Blake agrees to the blind date simply because she has a wedding coming up and no plus one. Tired of being the last single girl standing in her group of friends, she shows up at the bar with low expectations, but her ruggedly handsome date is far more attractive and interesting than she'd imagined. In fact, he seems too good to be true... Dante DeAngelis, the star pitcher for the Miami Mavericks, is in Whisper Lake for a month to rehab a shoulder injury away from the spotlight of his baseball career and his famous girlfriend. When the beautiful brunette assumes he's her date, he momentarily plays along, enjoying the rare instance of not being seen as a celebrity but as himself... When their true identities are revealed, Keira and Dante try to stay away from one another. Keira has family commitments that will keep her in Whisper Lake, and Dante is just passing through. He also has a girlfriend and a job miles away. But sometimes love gets in the way of the best laid plans... Compelling, heartwarming, and feel-good romance awaits in *IF WE NEVER MET*, the next book in the bestselling *Whisper Lake Contemporary Romance Series!* Have you missed any of the *Whisper Lake novels?* *Always With Me (#1)* My

Wildest Dream (#2) Can't Fight The Moonlight (#3) Just One Kiss (#4) If We Never Met (#5) Tangled Up In You (#6) WHAT THE READERS ARE SAYING ABOUT IF WE NEVER MET: "The latest Whisper Lake novel by Barbara Freethy is refreshing, well-written and just plain fun to read! As with Barbara Freethy books, there is intrigue & mystery within this romance. I highly recommend this 5 star romance! Looking forward to returning to Whisper Lake soon." Geri - Goodreads "Barbara Freethy's latest novel on Whisper Lake series is an absolutely superb novel! I just read it in one go, from the moment Dante and Keira meet to the last page it's simply wonderful. Ms. Freethy has written a well-developed story with likeable characters. This book is highly recommended if you're looking for a weekend or a beach read." Lishani - BookBub "This is such a good book! It's a charming, fun, intriguing and moving story. Captivated me from the first page to the last. 5 STARS!" Doni - Goodreads "Loved it. From the meet cute to the wedding (not theirs) at the end it is an enjoyable and entertaining tale. Some nail-biting moments. Many personal growth issues. Family ties and losses. A delight to be back in Whisper Lake once again." Barbara - Goodreads on If We Never Met "This series just keeps getting better. A fantastic suspenseful romance." Debbie - Goodreads "My heart was fluttering with the feelings these two shared I felt like I was right there with them." Bridget - Goodreads

What if Jesus Had Never Been Born? Thomas Nelson

Caribbean Review Janet Anderson
But the Bible, more than any other book, is also the most maligned on the market. Many of the cities of our culture dismiss the Word of God. In *What If the Bible Had Never Been Written?*, D. James Kennedy and Jerry Newcombe show that this collection of books was indeed the inspiration for almost all of the great explorers, scientists, writers, artists, politicians, and educators the world has ever known. That such a book, which has influenced so many and stood the test of time for so long, is dismissed as folklore or myth, just goes to show what extremes nonbelievers will go to rationalize their behavior. From the Ten Commandments, which many of our laws and government are based upon, to the Golden Rule, a verse taken straight out of the New Testament, to many of today's most common phrases and expressions...there is no doubt as to the influence the Bible has on everyone, in some degree, every day. *What If the Bible Had Never Been Written?* provides a well-documented and in-depth look at the impact the Book of Books has had on humanity, pointing to specific areas in today's society that would not be as they are now, if it were not for the Bible.

Rodham Thomas Nelson

One of the most popular and beloved introductions to the concept of faith ever written, 'Mere Christianity' has sold millions of copies worldwide.

Love Like You've Never Been Hurt Motorbooks

The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* "A taut tale of ever deepening and quickening suspense." —O, the Oprah Magazine "Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family." —Entertainment Weekly "Lydia is dead. But they don't know this yet." So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

What If I Never Bree Dahlia

2001. An autumn break for a young London mother. An isolated stretch of Dorset coastline. An unexplained phenomenon. *Daffodils in Autumn* tells the compelling story of a young woman's horrific descent into paranoia and madness dictated by the desires of a female genius. The young woman, and her daughter's past, present and future become meaningless, as not one thing appears to be what it is.

The Desire of Ages Lulu.com

The human heart was created with a great capacity to love. But along with that comes a great capacity to feel pain. There is no denying that those who love us, who are closest to us, can wound us the most profoundly. That kind of pain can be difficult, if not impossible, to overcome. And it can feel even more impossible to continue loving in the face of it. Yet that is exactly what we are called to do. Sharing his own story of personal pain, pastor and New York Times bestselling author Jentezen Franklin shows us how to find the strength, courage, and motivation to set aside the hurt, see others as God sees them, and reach out in love. Through biblical and modern-day stories, he discusses different types of relational disappointment and heartache, and answers questions such as Why should I trust again? and How can I ever really forgive? The walls we build around our hearts to cut us off from pain are the very walls that block us from seeing hope, receiving healing, and feeling love. Here are the tools and inspiration you need to tear down those walls, work through your wounds, repair damaged relationships, and learn to love like you've never been hurt.

The Giver Julie Patra Publishing

A guide to unknown music provides recommendations on over two hundred recordings that represent such genres as indie, soul, folk, jazz, and techno.

The Book of Questions What if Jesus Had Never Been Born?

Valentino Rossi is the greatest living motorcyclist. His legions of fans adore him (over 4,000 turned up to see him in Leicester Square last March). He has fought through the 125 and 250 class groups to win the World Championships five times and has been *Before We Were Strangers* Mango Media Inc.

The phenomenon returns! Originally published in 1987, *The Book of Questions*, a New York Times bestseller, has been completely revised and updated to incorporate the myriad cultural shifts and hot-button issues of the past twenty-five years, making it current and even more appealing. This is a book for personal growth, a tool for deepening relationships, a lively conversation starter for the family dinner table, a fun way to pass the time in the car. It poses over 300 questions that invite people to explore the most fascinating of subjects: themselves and how they really feel about the world. The revised edition includes more than 100 all-new questions that delve into such topics as the disappearing border between man and machine—How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer? The challenges of being a parent—Would you completely rewrite your child's college-application essays if it would help him get into a better school? The never-endingly interesting topic of sex—Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have? And of course the meaning of it all—If you were handed an envelope with the date of your death inside, and you knew you could do nothing to alter your fate, would you look? *The Book of Questions* may be the only publication that challenges—and even changes—the way you view the world, without offering a single opinion of its own.

Answers to Questions You've Never Asked Chosen Books

Seven stunning stories of speculative fiction by the author of *A Boy and His Dog*. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. *I Have No Mouth and I Must Scream* also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."
