Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

English File Third Edition Upper-Intermediate is suitable for CEFR level B2.English File Third Edition provides a comprehensive package of completely new lessons, and up-to-date texts. A proven balance of grammar, vocabulary and pronunciation and skills gives students the language they need, and fresh, lively lessons and engaging topics make classes enjoyable and provide the motivation and opportunity to practice and improve.Oxford iTools are digital resources to meet your English language teaching and learning needs. Specifically designed for use on interactive whiteboards, Oxford iTools can also be used with data projectors and PCs or laptop computers.The English File iTools package provides the complete Student's Book, Workbook and Teacher's Book photocopiables on screen as well as interactive activities that provide whole-class fun practice of key vocabulary and grammar.The video material is integrated into the pages, making it easy to access, and audio tracks can be played by clicking on the page. You can choose to display the script, and if you do, the words are automatically highlighted as they are spoken making it easy for students to follow, and linking listening with reading practice too. Integrated answer keys make self or peer marking much simpler as students will be able to see the correct answer on screen.It offers you the facility to hide parts of the page, highlight text on a page or type notes/answers on to the page during the lesson. The link tool also allows you to add links to websites to support your lesson material, accessible by a single click.
