Composed by two prominent statesmen-generals of classical China, this book develops the strategies of Sun Tzu's classic, *The Art of War*, into a complete handbook of organization and leadership. The great leaders of ancient China who were trained in Sun Tzu's principles understood how war is waged successfully, both materially and mentally, and how victory and defeat follow clear social, psychological, and environmental laws. Drawing on episodes from the panorama of Chinese history, *Mastering the Art of War* presents practical summaries of these essential laws along with tales of conflict and strategy that show in concrete terms the proper use of Sun Tzu's principles. The book also examines the social and psychological aspects of organization and crisis management. The translator's introduction surveys the Chinese philosophies of war and conflict and explores in depth the parallels between *The Art of War* and the oldest handbook of strategic living, the *I Ching* (Book of Changes).

My Master is a Naga Casa Howhard, Volume 5Manga Dreams Witness what the gods do after dark in the second volume of a stylish and contemporary reimagining of one of the best-known stories in Greek mythology from creator Rachel Smythe. "It's easy to see why the internet has fallen in love with Lore Olympus. This dazzling interpretation of the classic Greek myths is as charming as it is provocative."--Marissa Meyer, #1 New York Times bestselling author of *The Lunar Chronicles* Persephone was ready to start a new life when she left the mortal realm for Olympus. However, she quickly discovered the dark side of her glamorous

new home--from the relatively minor gossip threatening her reputation to a realm-shattering violation of her safety by the conceited Apollo--and she's struggling to find her footing in the fast-moving realm of the gods. Hades is also off-balance, fighting against his burgeoning feelings for the young goddess of spring while maintaining his lonely rule of the Underworld. As the pair are drawn ever closer, they must untangle the twisted webs of their past and present to build toward a new future. This full-color edition of Smythe's original Eisner-nominated webcomic *Lore Olympus* features a brand-new, exclusive short story, and brings Greek mythology into the modern age in a sharply perceptive and romantic graphic novel. This volume collects episodes 26-49 of the #1 WEBTOON comic *Lore Olympus*.
