JASLYN RAMOS

Essentials of Organizational Behavior Prentice Hall
 For undergraduate and graduate courses in Organizational Behavior. This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States. Captivate the class with a clear writing style, cutting-edge content, and compelling pedagogy. Robbins/Judge provides the research you want, in the language your students understand. The fourteenth edition continues its tradition of making current, relevant research come alive for students. With a new chapter on Diversity, heavily revised content on Emotions, and streamlined Leadership coverage, you can bring important topics to the forefront of the classroom discussion. Accompanied by mymanagementlab a powerful online tool that combines Adaptive Assessment, Robust Reporting, and Personalized Study to help both students and instructors succeed. With its abundant collection of resources, mymanagementlab offers students many ways to study, and instructors many ways to save time all in one convenient place. Now, you'll have the time to get your students as excited about Organizational Behavior as you are by using mymanagementlab

Pearson Higher Ed
 Organisational Behaviour shows managers how to apply the concepts and practices of modern organisational behaviour in a competitive, dynamic business world. Written and researched by industry-respected authors, this continues to be Australia's most popular text for introductory courses in organisational behaviour. The 7th edition delivers fresh new case studies, more global examples, excellent pedagogy and cutting-edge content. A new suite of learning and teaching resources that will excite future managers and inspire critical thinking, accompanies the text.

ESSENTIALS OF ORGANIZATIONAL BEHAVIOR

Pearson

This second European edition of this classic textbook brings the exceptional introduction to organizational behaviour written by the masters of the subject, and adapts it to meet the needs of students studying in Europe today. Fully updated and revised, this adaptation continues the tradition of making current, relevant research come alive for students, while maintaining its hallmark features - clear writing style, cutting-edge content and compelling pedagogy. This new edition offers real-life examples drawn from a global range of organizations including Google, Cadbury, Apple, Capital One, Microsoft, Lego, Ferrari and more, plus up-to-date insights into the latest research and hot topics from across the world. Key features include: 'Myth or science?' boxes, which provide repeated evidence that common sense can often lead us

astray in the attempt to understand human behaviour, and that behavioural research offers a means for testing the validity of common-sense notions. 'OB in the news' which prepares students to recognise and evaluate OB issues which often appear in the news when presented with them in newspapers, magazines, TV, etc. 'Face the facts': these boxes highlight interesting facts from recent surveys that emphasise key aspects of the text. For example, diversity across Europe, the extent of employee engagement, and the popularity of working in teams. "As a whole, the content of the book is strong, and is well-structured with a European focus." Mohammad Lafiti, Uppsala University, Sweden

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- For one-semester undergraduate and graduate level courses in Organizational Behavior. Concise fundamentals for students. Ultimate flexibility for instructors. This bestselling, brief alternative for the OB course covers all the key concepts needed to understand, predict, and respond to the behavior of people in real-world organizations. This text also includes cutting-edge topics and streamlined pedagogy to allow maximum flexibility in designing and shaping your course. The eleventh edition contains expanded and updated coverage on international issues, as well as new sections on the management of information, safety and emotions at work, risk aversion, self-determination theory, managing information, and downsizing. Accompanied by mymanagementlab! See the hands in the air, hear the roar of discussion--be a rock star in the classroom. mymanagementlab makes it easier for you to rock the classroom by helping you hold students accountable for class preparation, and getting students

engaged in the material through an array of relevant teaching and media resources. Visit mymanagementlab.com for more information.

In the Third Edition of the bestselling book, *The Truth About Managing People*, bestselling author Stephen Robbins shares even more proven principles for handling virtually every management challenge. Robbins delivers 61 real solutions for the make-or-break problems faced by every manager. Readers will learn how to overcome the true obstacles to teamwork; why too much communication can be as dangerous as too little; how to improve your hiring and employee evaluations; how to heal "layoff survivor sickness"; how to manage a diverse culture; and ways to lead effectively in a digital world. New truths include: how to nurture friendly employees, forget about age stereotypes, first impressions count, be a good citizen, techniques for managing a diverse age group, and ethical leadership among others.

Pearson

Taken from: *Organizational Behavior*, Seventeenth Edition by Stephen P. Robbins and Timothy A. Judge.

[Organizational Behavior, Student Value Edition](#) FT Press

Robbins: Leading the way in OB Written as an alternative to Robbins' larger *Organisational Behaviour* text, *OB: The Essentials* is an applied and focused text that will help your students to quickly grasp the essential elements of OB. In an engaging 13 chapter format, this book retains the fluid writing style, academic rigour and extensive use of examples that are trademark features of the Robbins texts. While there are less chapters, the book continues to provide cutting-edge content that is often missing in other OB books – this is not merely a subset of material from Robbins' *Organisational Behaviour* text; it was written from the ground up to present all the essential content in a shorter format. This new text will have broad appeal; particularly to visual learners who will appreciate the lively design and extensive use of examples and photographs to aid comprehension and retention of concepts. New co-author Dr Michael Jones of the University of Wollongong brings his avid enthusiasm for student education as well as a solid research background in motivation, commitment and business operations to the new text. Reviewers and users of the Robbins texts regularly report that they are 'conversational', 'interesting', 'student-friendly' and 'very clear and

understandable'. Packed full of pedagogical features that will engage and stimulate your students, *OB: The Essentials* will ensure that they are getting a sound understanding of OB. Features such as the 'Applying Knowledge' and 'Student Challenge' boxes prompt students to apply and think strategically about what they have just learnt.

Essentials of Organizational Behavior Pearson South Africa

This best-selling book takes a traditional approach to *Organizational Behavior* beginning with The Individual, The Group and then moving into The Organization. It covers the cutting-edge topics such as learning and motivation, emotions, trust and group-dynamics.

Pearson Etext Essentials of Organizational Behavior -- Access Card Prentice Hall

'Organizational Behavior' contains material on responding to global and cultural diversity with discussions of globalization, workforce diversity and ethics.

Organizational Behavior: Required for BUSI 500: Liberty University Pearson Education

CD-ROM based, the unique resource includes 45 exercises divided into three parts: What About Me? Working With Others. Life in Organizations. Each exercise is automatically graded. Exercises are self scoring and generate individual analysis that can be saved for future reference, or printed as a homework assignment.

ORGANIZATIONAL BEHAVIOR

Pearson Higher Ed

Make better decisions – every day, everywhere! *Decide and Conquer*, Second Edition brings together all the practical skills you need to do just that. This quick, concise book identifies every key obstacle to quality decision-making and shows exactly how to overcome them. You'll discover how your personality impacts your decision-making, why instincts and experience can lead you astray, how to simplify complex decisions without oversimplifying them and much more. Renowned management author Dr. Stephen P. Robbins translates cutting-edge research findings about human behavior and decision-making into language anyone can understand – and act upon. In this Second Edition, he provides many new and updated examples, updated research, and new coverage, including these crucial new topics: Are you a Maximizer or a Satisficer – and what it means for your decision-making Overcoming the familiarity bias, adaptation bias, and fear-of-loss bias How to stop throwing good money after bad Knowing when doing nothing is your best option Accounting for gendered decision-making styles *Decide and Conquer*, Second Edition covers everything from goal-setting and risk-taking to overconfidence to procrastination, and offers indispensable insights for overcoming the multiple biases that are built into all human decision-makers. You'll use Robbins' powerful techniques to improve every decision you make – about your relationships, career, finances, everything!
