One is forsworn. One is forsaken. One

will pay. Noah and Luther are in love. The problem, Luther is a beta, Noah is an omega, and their mating is forbidden. Worse, if Noah can't find an acceptable alpha in the next three days, he will have no choice but to mate with

Raymond, an alpha he despises. Then Arthur arrives, and everything falls apart. Arthur is an alpha with a secret. He and his mother were betrayed, and both wear the mark of it. Now, Arthur will stop at nothing to make the alpha who cursed them pay. Now, with revenge in his teeth, Arthur's own body betrays him. Twice. Will Arthur sacrifice love and happiness for vengeance? Or will he choose another path? Find out in Omega Challenge an action-packed Omegaverse romance. This is a short book set prior to the events of the other three books of the Pine Creek Lake series. If you love shifters, mmm menage, alpha, omega, and beta dynamics, adventure, magic, and a touch of mpreg, grab Omega Challenge now!

SPITFIRE IN LOVE

NLA Digital LLC

Two Omegas. One kiss. And an Alpha who wasn't supposed to see it happen... Nathan I'm supposed to be an author, but I haven't finished a book in years. Not since things got out of control. So, to hopefully get back on my feet, I move to a new city, start teaching at college and suddenly find myself intrigued by two Omegas that pass me by every morning. One day, on a whim, I follow them and see something I shouldn't have seen. A kiss. A beautiful kiss. And it's the start of a journey I never expected to make... Zeke I fled from the arranged marriage my parents set up for me and I was ready to give up on love entirely, and then my best friend saved his younger Omega brother, Wes, from a bad situation and suddenly I was falling, head over heels. It's amazing to be at Wes' side and to see him flourish, even if our relationship is a little complicated, we're making it work. Maybe love isn't so bad after all. What I hadn't counted

on was the Alpha walking into the cafe, and the way my eyes keep getting drawn to him... Wes After my brother saved me from my abusive ex, I'm getting my feet back under me. I'm finally doing the things I was never able to do, like having a job and going to college. It's not easy to combine it with caring for my four children. But with my Omega boyfriend Zeke and my brother's family at my side, we make it work, they're all the people I'll ever need. Until, one morning, an Alpha walks into the cafe that I work at, and he asks Zeke and me out on a date, together... This collection includes all eight novellas about Alpha Nathan and Omegas Zeke and Wes in Omegas' Destined Alpha, The Baristas' Surprise, The Alpha's Mistake, The Mates' Choice, The Family's Threat, The Lovers' Offence, The Friends' Support, The Parents' Strength and The Omegas' Destiny, which takes place in the non-shifter Omegaverse Mates World and contains mpreg (male-pregnancy). [The Alpha Woman Meets Her Match](#)
Alpha, Beta, Omega
When Owen's dreams of being claimed by a prince go wrong, he doesn't know what he'll do. Being returned to the Western Pack is shameful enough. Just wait until his father hears what he let the prince do to him. Fortis is happy to escort Owen home because it means spending time in the woods with his beta buddy, Keesh. Keesh will help keep his urges in check with respect to the omega, but who's going to rein in what Fortis feels for his friend? His inner alpha wants an omega, but his everything else wants Keesh. Owen is adorable and Fortis is hot, but Keesh can never have either one of them. He's not the omega Fortis dreams of, and he doesn't have the knot Owen craves. It might be time to give up on these unrequited crushes

and crawl home to the Central Pack. Wolves run on instincts, and the closer Owen, Fortis, and Keesh get to Western Pack territory, the louder theirs insist they're heading the wrong way. Will their human minds catch up to what their wolfy hearts already know before Owen gets returned? Omega Returned is an M/M/M novella in the Omega Reimagined series. It can be read as part of the series or as a standalone. Omega Reimagined is a non-MPREG omegaverse.

The Omega Prince (The Kingdom of Pacchia Book 1) Lulu.com

Nicholas wants nothing to do with omegas, and Avery has already signed a contract binding him to another Alpha. Fate has other plans for them both. As the omega spokesman for the infamous Futurus Initiative, Avery is a controversial figure who's used to being envied, occasionally despised and always the center of attention. His kidnapping at the hands of the twisted omega at the helm of the radical anti-Futurus group known as Epsilon shook his perfect world to the core, and his abnormally conventional parents no longer know what to do with him. In a last-ditch effort to save their son's reputation-and his engagement to a prestigious politician-Avery's desperate family sends him to the small, quaint pack of Southbend for some much-needed rest and recovery. When Avery arrives in Southbend, he finds the Meyer household anything but welcoming and he immediately clashes with the rakishly reluctant head of the household. Nicholas might be a brilliant lawyer with good looks and charm in abundance, but he makes no secret of the fact that Avery is persona non grata in his pack. How is Avery supposed to heal his own wounds when an Alpha who looks at

every omega with disdain makes him question everything, including his participation in the breeding program he's devoted his life to promoting? ~ Nicholas has it all on the surface-rising-star status as an attorney with his own practice, a sizable inheritance and the option of going home with any omega he chooses at the end of the night-but beneath the mask of his status, he hides a secret that makes him feel unworthy of the title of Alpha. Past abuse has left him with a deep-seated revulsion towards omegas, the very class of shifter he's supposed to crave. He uses work and meaningless flings with other Alphas and betas to distract himself from the family life he doesn't believe he deserves, but in the wake of his estranged father's death, Nicholas is called home to take on a role he never wanted. Forced to give up his high-profile career and take the reins of his family's pack, Nicholas finds himself wholly unprepared to fill the shoes of the man he hated. Because fate isn't cruel enough, the Spirits choose this moment to send him his destined mate-a charming yet infuriatingly stubborn omega he can never love or even claim. At least, that's what he thinks until he realizes that the very traits that repel him from other omegas draw him to Avery in a way he finds as bewildering as it is intoxicating.

Alpha NLA Digital LLC

It's been four years since the tragedy that claimed the Mountain Ridge Alpha and Mel, the mutual mate of Alpha Hassan Amari and the beta Toval. As a mated Alpha-beta pair, Toval and Hassan have managed to defy the odds and come through tragedy stronger than ever, despite the shroud of secrecy that surrounds Mel's death. Strange letters from an impossible sender throw the fragile balance of their healing into

question. Alphas are dying in Europe, and a group of omegas with a deadly mission has taken credit. They call themselves Epsilon, and they're hell-bent on overthrowing the hierarchical system that has ruled the shifter world for as long as anyone can remember. Meanwhile, the success of the European Council breeding program, known colloquially as the Futurus Initiative, has increased pressure on stateside Alphas to conform in order to save their dwindling population. Hassan and Toval's joint effort to fight the Initiative seems to have failed, but Epsilon has less peaceful methods in mind. One letter changes everything. The leader of Epsilon chooses Hassan and Toval to deliver his ultimatum: Abandon the initiative, or every pack Alpha in the Council will die. Toval and Hassan find themselves the unwitting messengers of this twisted message, pitted against a corrupt Council and a ghost of the past who will stop at nothing to get what he wants. Time will tell if their love can withstand this dangerous new alliance. This is book 10 of the Mountain Shifters Series and contains story elements that are meant to be read in the context of the events in the rest of the series. This work is meant for mature audiences only.

Alpha, Beta and Omega

Independently Published

Homicide Case Studies is a first-of-its-kind text, offering readers more than 30 case studies drawn from real-world homicide cases that include the often-overlooked context and complexities faced by victims, offenders, law enforcement, attorneys, jurors, and correctional personnel. From investigating different forms of homicides to deciding what charges should be filed, weighty decisions about homicide cases must be made by

professionals. This book provides nuanced scenarios and critical thinking questions that put readers in the role, giving them the ability to apply what they've learned to make well-thought-out and just decisions concerning each case. Students learn through the Andragogical approach fostering an individualized learning experience that bridges the academic-professional gap—finally providing an answer to the question "When am I going to use this?" This book is ideal for undergraduate and graduate students in criminal justice, as well as scholars, policymakers, and others with an interest in the rich and complex world of criminal homicide.

Omega Challenge Easily Distracted Media

Bane is a girl with much baggage. Some would say too much baggage. Not being able to shift and defend herself from her father she sees no light to this dark tunnel she is currently in. That is until she meets the Big Bad Alpha Damien. Alpha Damien is close to losing hope of ever finding his mate. So much so that he he does encounter his mate he does something unforgivable. Will she be able to forgive him? Or will he end up treating her just like the man in her nightmares?

The Baby Pact (The Baby Pact

Trilogy #1) TC Publishing

The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to

me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free.

Omega Mina Carter

What is fanfiction, and what is it not? Why does fanfiction matter? And what makes it so important to the future of literature? Fic is a groundbreaking exploration of the history and culture of fan writing and what it means for the way we think about reading, writing, and authorship. It's a story about literature, community, and technology—about what stories are being told, who's telling them, how, and why. With provocative

discussions from both professional and fan writers, on subjects from Star Trek to The X-Files and Buffy the Vampire Slayer to Harry Potter, Twilight, and beyond, Fic sheds light on the widely misunderstood world(s) of fanfiction—not only how fanfiction is transforming the literary landscape, but how it already has. Fic features a foreword by Lev Grossman (author of *The Magicians*) and interviews with Jonathan Lethem, Doug Wright, Eurydice (Vivean Dean), and Katie Forsythe/wordstrings. The Alpha's Abused Independently Published

Bred by three large alpha shifters Fleeing from his pack, Omega Charlie mistakenly enters the territory of a pack of the largest alphas he's ever seen. He knows he's in trouble. Even more so when they decide to breed him.

————— "Omega's Pack - Complete Series" is a steamy hot MMMM Gay MPREG Shifter Erotic Romance. Note: This book contains the complete series. Explicit content, not for the faint-hearted. Please make sure to check the trigger warnings before reading. Trigger warnings: Mpreg, gay male, menage, non-consensual sex, explicit language

and sex scenes, suicide thoughts, happily ever after. This story is not for the faint-hearted, and some readers might find it offensive. Themes: Menage, Gay male, Mpreg, MMMM, Group sex, Opposites attract, Alpha males, Unrequited love, Accidental pregnancy, Protector, Wolf shifter, Pack life, Omega, Alpha, Beta, Short story —————

Excerpt: "Alpha Devel. We've found an omega," the Alpha heard one of his betas, Rafael, say. "Where?" "He crossed our borders this morning. We followed him to check if he was alone." "And?" "It looks like he's been on the road for a while. He stinks that way too. But there was no one else with him." "Bring him to me." "Yes, Alpha." A few minutes later, the Alpha heard the commotion as several enforcers pulled a scruffy looking figure toward him. The stench was terrible. The smell alone would have made it apparent someone was trespassing on their lands. "Who are you?" Devel asked as he looked at the newcomer. "Charlie." The smaller man said. "Where are you from?" The man just shook his head, refusing to answer. Despite the stench, it was obvious he was an omega. He could smell the faint scent of an adult omega. Someone too vital to any pack to lose. This one must have run away from his masters. Still, the old masters' loss was their gain. They needed an omega to keep all the alphas calm. There had been more fighting than usual among them. "How old are you?" Devel asked, trying to find the answer by looking at the smaller man. Again the prisoner refused to answer. "It won't help your cause by refusing to give me the information I need. But never mind. We'll uncover it sooner or later." The Alpha turned to his beta. "Raphael. Make sure this one gets a proper wash. Dunk him in the river if

needed." "Yes, Alpha," Rafael said and nodded. "But..." the omega objected. "Yes?" The Alpha asked. "Nothing," the younger man said quickly and shook his head. "Make sure he survives and have the doctor check on him. We need an omega." The omega looked at him in terror. "Welcome to the Blackclaw Pack," the Alpha said and grinned at him.

—————

His Taken Omega Lisa Love

The concept of molecular machines in biology has transformed the medical field in a profound way. Many essential processes that occur in the cell, including transcription, translation, protein folding and protein degradation, are all carried out by molecular machines. This volume focuses on important molecular machines whose architecture is known and whose functional principles have been established by tools of biophysical imaging (X-ray crystallography and cryo-electron microscopy) and fluorescence probing (single-molecule FRET). This edited volume includes contributions from prominent scientists and researchers who understand and have explored the structure and functions of these machines. This book is essential for students and professionals in the medical field who want to learn more about molecular machines.

Having decided to make omega rights activism his new career, Chad jumps in head first... though not everyone appreciates his efforts.***"Who is your alpha?" Peter asks, walking closer. Chad takes an involuntary step back, Peter's word infused with the full authority of his dominance. It feels like he can't breathe. "You are," Chad says, forcing the words

out. Peter grins, proud and possessive. "And are you going to be good for your alpha?" Peter grabs Chad's chin, tilting his head up, squeezing Chad's cheeks as they stand chest to chest. Chad tries to nod, too overcome to speak, but Peter's hold on his chin prevents it. "Yes, alpha," he says, the words coming out like a moan. "Good boy." Chad closes his eyes, surrendering to Peter's control. It feels amazing, like he can finally let go and relax. Peter will catch him no matter how hard he falls...

Alpha Beta Omega Shifter Romance (Gay Mpreg Omegaverse) Harper Collins

A photographic tribute to the authors' work as wolf caregivers and advocates documents their efforts with the Sawtooth Pack in Idaho and features a passionate argument for reintroducing and protecting wild wolves.

The Hidden Life of Wolves Packt Publishing Ltd

Omegas... reimagined Owen's dreams are crushed when Prince Devin, the alpha he gave his virginity and—he thought—his life to, severs their betrothal and sends him back to the Western Pack where he was born. Donovan isn't an omega. He's an alpha—a big, competent, ferocious one. So why does he have an irresistible and shameful urge to submit to another alpha in the most painful and degrading ways possible? Daisy has come to North Leland to pursue his calling as a sex worker. He's a feisty, independent, and intentionally delectable piece of omega eye candy. The last thing he needs is an interfering sheriff. North Leland's fight for equality and against Prince Devin comes to a satisfy end in Omega Reimagined volume 2. Omega Returned: Best friends Alpha Fortis and Beta Keesh have been charged with getting Owen safely back home, but as they travel

through the woods together, the lust they feel for each other and for Owen ignites, forcing them to figure out which two of them belong together and who ends up alone. Omega Replaced: Alpha Tarek isn't ashamed of his taste for dominating other alphas. Now if only he and the rest of North Leland could teach the strong, stubborn, and submissive Alpha Donovan that it's okay for him to be who he is. Omega Redeemed: Sheriff Quoitrel is only trying to do his job, which is to enforce North Leland's anti-prostitution laws. Why does Daisy have to be the most tempting morsel he's ever tasted? And why does watching Daisy service other men make his own desires skyrocket? Volume 2 of Omega Reimagined includes Omega Returned, Omega Replaced, and Omega Redeemed, all of which have been published separately. This is a non-MPREG universe.

Why Fanfiction Is Taking Over the World Booktango

This book is a collection of proverbs by the author coming from various subjects like theology, science and arts. The first part was the writings coming from a great king, King Lemuel. Next are the original proverbs. The proverbs are the inspiration shared by the author and is now made available for you.

Homicide Case Studies Ace

The Tri-fete, an opportunity for the alphas in Pacchia to show off their strength, stamina, and martial prowess, comes once every three years. This is the first time the competition has been held since the Crown Prince Aubrey of Lyle and Wescott presented as an omega and there is much speculation he may take a mate from one of the alphas competing. But there is more than friendly competition underway as the mysterious Lord Riven returns to court

for the first time in nearly a decade and assassins plot against the King. Prince Aubrey must find a way to balance expectation and personal desire in *THE OMEGA PRINCE*, the first story set in Pacchia, a mythical kingdom based on the a/b/o gender structure. This story contains explicit M/M content.

If you want to learn how to write fanfiction, choose genres, and develop characters & their relationships to become a better fanfiction writer, then check out *HowExpert Guide to Writing Fanfiction*. Writing can be a daunting task, regardless of if you're an experienced writer or just getting started. The act of creating is both a lovely experience and a tiresome one. As a result, some writers begin their writing journey by making fan fiction. Fanfiction is a wonderful way to learn the craft and make connections with others who are interested in the same subject as you are. If you are interested in learning about the thrilling world of writing fan fiction, then why don't you take some time to read this book, *HowExpert Guide to Writing Fanfiction*. If you're a first-time fan fiction writer, I'll guide you through the process from start to finish, and soon you'll be posting your fics for the world to see in no time. You can even take the information you learn from this book and use it in writing other types of literature, such as the short story, novella, or novel. Fanfiction comes with its own terms and rules that need to be followed in order to make a successful story. Unfortunately, some of those terms only apply to fan fiction and not traditional literature, so you'll need to know what they are before you get started. This book will help you learn everything you need to know to have the

confidence to begin your adventure. Check out *HowExpert Guide to Writing Fanfiction* to learn how to write fanfiction, choose genres, and develop characters & their relationships to become a better fanfiction writer! About the Author Mariah Sanchez is a Hispanic writer from a coastal south Texas town. In 2016 she graduated from Texas A&M University with a BFA in English. She has worked as an English teacher, a tutor for English second language learners, and a technical writer. Her poetry has been published in a local anthology on multiple occasions. She is working on writing a poetry book and a novel that she hopes to publish soon. Currently, she spends her time working as a freelance writer and artist. *HowExpert* publishes how to guides by everyday experts.

The Wedding Pact (The Baby Pact Trilogy #2) National Geographic Books

Bred by three large alpha shifters After losing his virginity to the Alpha of the pack, Charlie realises the man intend to share him with his two brothers. And they are even bigger than the Alpha.

————— "Omega's Alphas" is a steamy hot MMMM Gay MPREG Shifter Erotic Romance. Note: This book is the second book in a series. It ends with a cliffhanger. Explicit content, not for the faint-hearted. Please make sure to check the trigger warnings before reading.

Trigger warnings: Mpreg, gay male, menage, non-consensual sex, explicit language and sex scenes, suicide thoughts, no happily ever after (yet).

This story is not for the faint-hearted, and some readers might find it offensive.

Themes: Menage, Gay male, Mpreg, MMMM, Group sex, Opposites attract, Alpha males, Unrequited love, Accidental pregnancy, Protector, Wolf shifter, Pack life, Omega, Alpha, Short story

————— Excerpt: "Who's next?" the

Alpha had asked as he moved away from Charlie. Oh shit, Charlie thought, as chills went down his back. He'd been about to doze off, but the Alpha's words made Charlie feel wide awake. He stiffened when he felt another warm body lean over his backside. Who could it be? The second alpha? But Charlie didn't want to turn around and make sure it was him. He didn't need to know. All that mattered was what the man planned to do to him. There was no doubt.

Beta Createspace Independent Publishing Platform

When you make an enemy of a man like Vitally Karahalios, there is nowhere on earth you can go to escape his wrath. He'll find you. He found me, he found Roth. He found Layla. He found us, and now the unthinkable has happened. Someone I love has been kidnapped. Again. This isn't a fairy tale. Not everyone will get a happily ever after. Sometimes we can't just walk away from the past. Love doesn't always save the day. The beast won't always get his beauty. But maybe, just maybe we can get our happy ending.

Wet Heat Easily Distracted Media

I'm an alpha. Top of the food chain. What I want, I take, simple as. And I

want her. I don't care she's a beta, not an omega. She's mine. I've wanted Neve for years, now she works for us. The problem is, I can't keep my hands off her. And neither can Dante. I'm good with sharing, as long as I can call her mine. Beta or not, She's the hottest woman I've ever seen. She's lucky she isn't an omega. If she was, she'd already be wearing my mark and we'd never let her out of her nest. Then her ex starts sniffing around, and he really doesn't know what he's gotten himself into. We might wear suits now, but we haven't forgotten the monsters within. Now they're coming out to play... Please be aware: This is a much darker and grittier world than my other series, so readers are advised to proceed with caution.
