"The B on your Thumb is clever, engaging, educational and fun. I wish I had thought of it." --Craig Smith, author / songwriter of The

Wonky Donkey The B on Your Thumb is a book of 60 hilariously illustrated rhymes and delightful ditties to boost early reading--each poem teaches a specific sound, spelling, or rule. Using rhythm and wordplay, they promote phonics awareness, thinking skills, and literacy. But most of all, this book delights young readers with the fun and silliness of the English language. This is a book where words like to play, where letters get cross when they don't get their way. There are sounds to make and jokes to uncover. An owl in your bowl, for you to discover. Meet the K on your knee, who's ready for fun, and don't be alarmed by the B on your thumb! An introduction instructs grown-ups how to use the book and extensive activities at the end allow children to build on their learning. Grouped into three categories--sounds, silent letters and secrets, and words that sound the same--the poems include: See with Two Ees The Story of Q and U The Rain in the Train Ridiculous Ph Enough of Uff Certainly a C The Most ImportANT Which Witch Learning to read has never been so much fun! The B on Your Thumb is a must for every young family's bookshelf.

"I loved this book! So helpful!" -- Courtney Milan, New York Times Best Selling author of *The Governess Affair* "Have you ever wanted to double your daily word counts? Do you feel like you're crawling through your story, struggling for each paragraph? Would you like to get more words every day without increasing the time you spend writing or sacrificing quality? It's not impossible, it's not even that hard. This is the story of how, with a few simple changes, I boosted my daily writing from 2000 words to over 10k a day, and how you can, too." Expanding on her highly successful process for doubling daily word counts, this book--a combination of reworked blog posts and new material--offers practical writing advice for anyone who's ever longed to increase their daily writing output. In addition to updated information for Rachel's popular 2k to 10k writing efficiency process, 5 step plotting method, and easy editing tips, this new book includes chapters on creating characters that write their own stories, story structure, and learning to love your daily writing. Full of easy to follow, practical advice from a commercial author who doesn't eat if she doesn't produce good books on a regular basis, 2k to 10k focuses not just on writing faster, but writing better, and having more fun while you do it. *New for Fall 2013! This Revised Edition includes updates and corrections for all chapters!*

This timely book uses thinking structures to deepen student writing. It revolves around "brain pockets" to help students appreciate the qualities of different writing forms. Some powerful examples include memory pockets for personal narrative writing, fact pockets for nonfiction, and imagination pockets for story

writing. Detailed lesson plans are featured along with sample anchor books and book lists. Based on extensive classroom

testing, student samples throughout the book illustrate this unique approach to teaching writing. Suggestions for setting up an effective writing program and assessment tips for guiding

instruction complete this comprehensive approach to developing a year-long writing program.
