The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library

of printed and electronic support material of any modern translation.
Can a Rich Man Get Into Heaven?
Canongate U.S.

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James

Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance. Her Gates Will Never Be Shut Wipf and Stock Publishers

Everlasting hell and divine judgment, a lake of fire and brimstone--these mainstays of evangelical tradition have come under fire once again in recent decades. Would the God of love revealed by Jesus really consign the vast majority of humankind to a destiny of eternal, conscious torment? Is divine mercy bound by the demands of justice? How can anyone presume to know who is

saved from the flames and who is not? Reacting to presumptions in like manner, others write off the fiery images of final judgment altogether. If there is a God who loves us, then surely all are welcome into the heavenly kingdom, regardless of their beliefs or behaviors in this life. Yet, given the sheer volume of threat rhetoric in the Scriptures and the wickedness manifest in human history, the pop-universalism of our day sounds more like denial than hope. Mercy triumphs over judgment; it does not skirt it. Her Gates Will Never Be Shut endeavors to reconsider what the Bible and the Church have actually said about hell and hope, noting a breadth of real possibilities that undermines every presumption. The polyphony of perspectives on hell and hope offered by

the prophets, apostles, and Jesus humble our obsessive need to harmonize every text into a neat theological system. But they open the door to the eternal hope found in Revelation 21-22: the City whose gates will never be shut; where the Spirit and Bride perpetually invite the thirsty who are outside the city to "Come, drink of the waters of life."

THEOLOGY OF WORK BIBLE COMMENTARY: GENESIS THROUGH DEUTERONOMY

David C Cook

In dealing with this Scripture, and the subject of the so-called "intermediate state," it is important that we should confine ourselves to the *Word of God, * and not go to Tradition. Yet, when nine out of ten believe what they have

learned from Tradition, we have a thankless task, so far as pleasing man is concerned. We might give our own ideas as the employment's, etc., of the "departed," and man would deal leniently with us. But let us only put *God's Revelation* against man's imagination, and then we shall be made to feel his wrath, and experience his opposition. -from *The Rich Man and Lazarus* In *The Rich Man and Lazarus, * Ethelbert William Bullinger offers his discussion of what happens to us after we die. Basing his analysis entirely on the words of the Bible-and not on "Tradition," which he explains is cause only for great confusion-Bullinger explores what God actually reveals to us in Scripture concerning humanity in life, and in death, as well as the state and

condition of the dead. First published in 1902, this work continues to inspire and enlighten readers of the Bible today. British clergyman ETHELBERT WILLIAM BULLINGER (1837-1913) was one of the most respected Bible scholars of the 19th century. He is author of numerous works including *Commentary on Revelation*, *Great Cloud of Witnesses*, and *How to Enjoy the Bible*.

The Culture of Money aims to build a Black wealth movement through the adoption of three community-shared values: know more, own more, and pass down more.

HEAVEN & HELL: WHAT DOES THE

BIBLE REALLY TEACH?

United Church of God

By anchoring your understanding of productivity in God's plan, *What's Best Next* gives you a practical approach for increasing your effectiveness in everything you do. There are a lot of myths about productivity--what it means to get things done and how to accomplish work that really matters. In our current era of innovation and information overload, it may feel harder than ever to understand the meaning of work or to have a sense of vocation or calling. So how do you get more of the right things done without confusing mere activity for actual productivity? Matt Perman has spent his career helping people learn how to do work in a gospel-

centered and effective way. What's Best Next explains his approach to unlocking productivity and fulfillment in work by showing how faith relates to work, even in our everyday grind. What's Best Next is packed with biblical and theological insight and practical counsel that you can put into practice today, such as: How to create a mission statement for your life that's actually practicable. How to delegate to people in a way that really empowers them. How to overcome time killers like procrastination, interruptions, and multitasking by turning them around and making them work for you. How to process workflow efficiently and get your email inbox to zero every day. How to have peace of mind without needing to have everything under control. How generosity is actually the key to

unlocking productivity. This expanded edition includes: a new chapter on productivity in a fallen world a new appendix on being more productive with work that requires creative thinking. Productivity isn't just about getting more things done. It's about getting the right things done--the things that count, make a difference, and move the world forward. You can learn how to do work that matters and how to do it well.

Managing God's Money Tyndale House Publishers, Inc.

God cares a great deal more about our money than most of us imagine. The sheer enormity of Scripture's teaching on this subject screams for our attention. In fact, Jesus says more about how we are to view and handle money and possessions than about any other

topic—including both heaven and hell. In *Managing God's Money*, Randy Alcorn breaks down exactly what the Bible has to say about how we are to handle our money and possessions in a simple, easy-to-follow format. Filled with Scripture references, *Managing God's Money* is the perfect reference tool for anyone who is interested in gaining a solid biblical understanding of money, possessions, and eternity.

Rethinking Hell Xulon Press

This "Story of Rich Man and Lazarus: Hell and Heaven Described in Their Own Words" book is about the lives of a rich man and a homeless man and what happened to them in eternity after their respective deaths. This first-person account is based on "a certain rich man" and "a certain beggar named Lazarus"

story, which Jesus Christ shared with His disciples in the Holy Bible's Gospel of Luke (16:19-31). In Chapter 1, I describe how the rich man, "A Certain Rich Man," dressed, what he owned, who he socialized with, where he socialized, how he recreated, where he recreated, how his life was centered around himself, his sins, how he rejected the LORD and how he died. In Chapter 2, I describe how Lazarus, "A Certain Homeless Man," dressed, how he survived as a homeless man on the street, his poor choices, how a miraculous incident which caused Lazarus to finally rededicate his life to Jesus Christ and how he died. In Chapter 3, I describe what the "Tormented Sinner" saw, what he feels/experiences in hell and the unspeakable agonies he suffers there, such as being separated

from God's presence. In Chapter 4, I describe what the "Comforted Saint" saw, what he feels/experiences in Heaven and the indescribable peace he experiences there, such as being warmed by God's presence. This book is a story sharing with readers where not to go (hell) after death, where to go (Heaven) after dying, and how to get there (salvation through Jesus Christ). **Luke's Wealth Ethics** Moody Publishers

When the rich young ruler asked Jesus how he could obtain eternal life, Jesus told him to sell everything and give it to the poor. He went away sorrowing because he had great possessions. What if someone who was really rich actually did sell everything he owned and gave the money to the poor? Would he know how to survive without money? How

would people treat him? Would he try to get a job? There are many possible outcomes. This book explores one of them. Along the way, the man encounters several interesting people who teach him important lessons including humility. In the end, he comes to a greater understanding of why Jesus told the ruler to sell everything and give the money to the poor. It wasn't about money at all. The Bible is clear in teaching that eternal life is only obtained by faith in Jesus Christ. Why then did Jesus tell the man to do what He did? Read, and you will learn.

Study Bible-NASB Jazzybee Verlag
 What Did Jesus Really Say About The Rich Man? Can A Rich Man Get Into Heaven? What Jesus Really Said About Money And Why You Don't Learn That In

Church refers to what must be the single most misunderstood of all Bible verses about money. "Everyone knows" that Jesus said that "a rich man can't get into heaven." Now revised and republished as Gospel of Wealth or Poverty?:How Do Bible Verses about Jesus, Wealth, Poverty and Heaven Affect Your Income? This statement is a serious mistranslation and misunderstanding of the words of Jesus in a story that appears in three of the New Testament gospel stories. Jesus doesn't say that "a rich man can't get into heaven" in any of them. Eight Misunderstood Bible Verses About Money The belief that "Jesus said that a rich man can't get into heaven" is only one example of familiar Bible verses that are mistranslated, misunderstood, and misquoted. Can A Rich Man Get Into

Heaven? focuses on eight specific statements about what Jesus really said and really didn't say about money, as a foundation for deciding what they mean in the twenty-first century, particularly in the United States of America. The purpose of the book is to set you free from fear, doubt, anxiety, guilt, and shame about money based on unbiblical claims about "what Jesus said about money." Can A Rich Man Get Into Heaven? is part of the "Does The Bible Really Say That? Series." The series identifies some frequently misunderstood Bible verses to demonstrate why the Bible often doesn't say what you think it says. What's The Problem With Bible Verses? The unifying element of "Does The Bible Really Say That? Series" is the importance of

stories. Most of what people "know" about the Bible comes in the form of Bible verses that are disconnected from original Bible stories. Bonus Report What Did You Learn About Money In Church? If you had any Christian education in your life, you probably learned two contradictory beliefs about money. Money is evil and it's bad to be rich. Money is a blessing and it's good to be rich. You might be surprised to realize what the Bible really says about money and why you don't learn that in church. Structure Of The Book Can A Rich Man Get Into Heaven? book includes 19 Chapters divided into 5 Parts Part One: Bible Stories and Bad Bible considers the impact of Bible stories and verses about money on your life. Part Two: Society And Stories focuses on the importance of

context for understanding Bible verses about money. Part Three: Stories Of The Outlaw Hero introduces the idea of a hero's journey to describe the gospel stories about Jesus. Part Four: Money Stories Of Jesus looks at eight specific statements about money by Jesus in the gospel stories. Part Five: Money Stories And You makes it personal by considering what Bible stories about money mean for you. Don't let misquoted, mistranslated, misunderstood Bible verses about money stop you. Find out what Jesus really said about money in the New Testament Gospels now.

The Poor, Rich Man Zondervan
Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever.

But is this what the Bible truly teaches? Do Christians need to rethink their understanding of hell? In the late twentieth century, a growing number of evangelical theologians, biblical scholars, and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality. This view contends that the unsaved are resurrected to face divine judgment, just as Christians have always believed, but due to the fact that immortality is only given to those who are in Christ, the unsaved do not exist forever in hell. Instead, they face the punishment of the "second death"--an end to their conscious existence. This volume brings together excerpts from a variety of well-

respected evangelical thinkers, including John Stott, John Wenham, and E. Earl Ellis, as they articulate the biblical, theological, and philosophical arguments for conditionalism. These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell. Christ's Object Lessons United Church of God

Previously published in hardcover as King's Cross The most influential man to ever walk the earth has had his story told in hundreds of different ways for thousands of years. Can any more be said? Now, Timothy Keller, New York Times bestselling author of *The Prodigal Prophet* and the man Newsweek called a "C. S. Lewis for the twenty-first century," unlocks new insights into the life of Jesus

Christ as he explores how Jesus came as a king, but a king who had to bear the greatest burden anyone ever has. *Jesus the King* is Keller's revelatory look at the life of Christ as told in the Gospel of Mark. In it, Keller shows how the story of Jesus is at once cosmic, historical, and personal, calling each of us to look anew at our relationship with God. It is an unforgettable look at Jesus Christ, and one that will leave an indelible imprint on every reader.

The Rich Man and Lazarus Holy Bible (NIV)

2017 ECPA Christian Book Award Finalist (Faith and Culture category) Is real friendship too risky? We live in a world where real friendship is hard to find. Suspicious of others and insecure about ourselves, we retreat into the safety of

our small, self-made worlds. Now more than ever, it's easy to avoid people with whom we disagree or whose life experiences don't mirror our own. Safe among like-minded peers and digital "friends," we really don't have to engage with those who can challenge and enhance our limited perspectives. Tragically, even the church can become a place that minimizes diversity and reinforces isolation. Jesus models a much richer vision of friendship. Scott Sauls, pastor and teacher, invites you to see the breadth of Christ's love in this book, *BeFriend*. Join Scott on this journey through twenty-one meditations to inspire actively pursuing God's love through expanding your circle of friends. Scott has met too many people whose first impulse is to fence off their lives

with relational barriers that only end up starving their own souls. Yes, it's true: Real friendship is costly. Love does make us vulnerable. But without risk, our lives will remain impoverished. Join Scott in *BeFriend* as he summons you toward diverse friendship that can enrich your life and, in the process, reveal a better version of yourself.

[Discipleship Training in Luke's Gospel](#)

Wipf and Stock Publishers

You know people around the world are struggling. A homeless man holds a sign that reads, "Anything helps." A poor child lives in a slum swarming with flies. A refugee mother is on the brink of starvation. You ask yourself, "But what can I do about such big problems?" You're looking for long-term solutions. John D. Barry shares incredible, and

often shocking, stories about working among the impoverished and unchurched in the U.S. and abroad. And since Barry is a Bible scholar, Jesus' Economy is also deeply rooted in the Scriptures. It is a personal, sometimes funny, often heartbreaking account that presents a revolutionary pattern for lasting change. Jesus' Economy is based on self-sacrifice. His currency is love. It's called Jesus' Economy because it's about creating a spiritual and physical economy for those who need it most. Here is a thoroughly biblical and compassionate pattern for addressing issues of poverty and offering the hope of the gospel. Jesus' Economy: • Shows how you as an individual can best encourage renewal in your community. • Demonstrates how your church

community or any group can alleviate poverty. • Presents a unified plan for creating jobs, spreading the gospel, and meeting basic needs. • Focuses on community development and sustainability—lasting change, globally and locally. Jesus' Economy is a call to address our own spiritual poverty—as people who can too easily become distant from Christ—and it is a call to address the physical poverty all around us in a smart and sustainable way. Jesus' teachings show that with simple, everyday choices, you can make the world a better place and create enduring change. Here's how to live Jesus' economy—a currency of love. 100% of author's proceeds go to the nonprofit Jesus' Economy, to fuel the movement of creating jobs and churches in the

developing world.

What's Best Next Zondervan

Donald Gowan offers a unified reading of the prophetic books, showing that each has a distinctive contribution to make to a central theme. These books--Isaiah through Malachi--respond to three key moments in Israel's history: the end of the Northern Kingdom in 722 BCE, the end of the Southern Kingdom in 587 BCE, and the beginning of the restoration from the Babylonian exile in 538 BCE. Gowan traces the theme of death and resurrection throughout these accounts, finding a symbolic message of particular significance to Christian interpreters of the Bible.

In his essay The End for Which God Created the World, the great theologian Jonathan Edwards proclaimed that God's ultimate end is the manifestation of his glory in the highest happiness of his

creatures. Pastor John Piper has devoted his years of ministry to exploring the implications of this stunning truth for life and ministry. Understanding that God is most glorified in us when we are most satisfied in him has made all the difference for John Piper-and can transform your life as well. Here Piper passionately demonstrates the relevance of Edwards's ideals for the personal and public lives of Christians today through his own book-length introduction to Edwards's *The End for Which God*

Created the World. This book also contains the complete essay supplemented by almost a hundred of Piper's insightful explanatory notes. The result is a powerful and persuasive presentation of the things that matter most in the Christian life.
