INSIDE READING SECOND EDITION: 2: STUDENT BOOK

OXFORD

The 2nd edition of Oxford Discover builds on its tried and tested methodology, developing 21st Century Skills in critical thinking, communication, collaboration and creativity to prepare students for future success at primary school and beyond. How are seasons different? Which animals live in the wild? Who makes you happy? Oxford Discover uses "Big Questions" like these to tap into children's natural curiosity and enable them to ask their own questions, find their own answers, and explore the world around them. The course is underpinned by four major 21st Century Skills: critical thinking, communication, collaboration, and creativity ensuring Oxford Discover lays the foundations for success in the 21st Century. Use with Show and Tell 2nd edition to teach an inquiry-based course from Kindergarten through Primary.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager

"A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

American Headway, Second Edition Level 2: Teacher's Pack Oxford University Press, USA The Headway series and its award-winning authors, Liz and John Soars, have helped around 100 million students in over 127 countries learn English. Teachers around the world have told us that Headway helps students succeed in and beyond the classroom. Read their stories at www.oup.com/elt/provensuccess. American Headway third edition supports students to succeed beyond the classroom more than ever before. Students can: Accelerate their progress in speaking and prepare for high-stake tests with more conversation. Manage their own learning with new digital resources. The Oxford Online Skills Program allows students to improve their reading, writing, listening and speaking skills independently. iChecker Online Self-Assessment prepares students for exam success with a variety of exam-style test preparation exercises. American Headway also supports teachers to prepare successful lessons. In our American Headway global teacher survey (Oxford University Press, 2014), 89% of teachers reported that they are more creative and willing to try new activities after using American Headway. 71% said they are more passionate in their teaching. With the third edition, teachers can now: Download 100% new assessment material from the Testing Program. Bring the Student Book, Workbook, and all media together in one place and create a dynamic classroom environment with iTools classroom presentation software.
