WELL DONE GOD!

Random House

"Jonathan Coe finally provides a sequel to *The Winshaw Legacy*, the 1995 novel that introduced American readers to one of Britain's most exciting new writers -- an acerbic, hilariously dark, and unflinching portrait of modern society. In *Number 11*, Coe has filled his intricate plot with a truly Dickensian cast of characters. The novel opens in the early aughts with two ten-year-old girls, Alison and Rachel, and their frightening

encounter with the "Mad Bird Woman," a mysterious figure who lives down the road. As the narrative progresses through time, the novel broadens in scope toward other people who are somehow connected to the two girls. We follow the trials and tribulations of Alison's mother, a has-been singer, as she competes on TV's reality hit *I'm a Celebrity... Get Me Out of Here!* Rachel's university mentor confronts her late husband's disastrously obsessive search for an untraceable German film he saw as a child. A young police constable investigates the seemingly accidental and unrelated deaths of two stand-up comedians. And when Rachel becomes a nanny for ludicrously wealthy family, she

discovers a dark and terrifying secret lying beneath their immense mansion in London's most staggeringly expensive neighborhood. Combining psychological insight, social commentary, vicious satire, and even surrealist horror, this highly accomplished work holds a revealing and disquieting mirror up to the world we live in today"--

Mr Wilder and Me Viking

Robin, a postgrad student in Coventry, has spent four and a half years not writing his thesis. He and his academic colleagues, united by pallor, social ineptitude and sexual inexperience, once spent hours discussing their theories, but they somehow never made it into print. Now his unfinished thesis languishes in a drawer, and Robin hides in his room, increasingly frightened by a

world he doesn't understand. His friends have failed him and romance eludes him. His only outlet is his short stories, scribbled in notebooks and expressing his secret obsessions and frustrations. Then, when an unfortunate and embarrassing incident in a public park lands him in serious trouble, Robin's life finally spirals out of control ...

Penguin

Although he was a suburban husband and father, living a far different life than the "Wolf of Wall Street," Michael Kimelman had a good run as the cofounder of a hedge fund. He had left a cushy yet suffocating job at a law firm to try his hand at the high-risk life of a proprietary trader — and he did pretty

well for himself. But it all came crashing down in the wee hours of November 5, 2009, when the Feds came to his door—almost taking the door off its hinges. While his wife and children were sequestered to a bedroom, Kimelman was marched off in embarrassment in view of his neighbors and TV crews who had been alerted in advance. He was arrested as part of a huge insider trading case, and while he was offered a “sweetheart” no-jail probation plea, he refused, maintaining his innocence. The lion’s share of *Confessions of a Wall Street Insider* was written while Kimelman was an inmate at Lewisburg Penitentiary. In nearly two years behind bars, he reflected on his experiences before incarceration—rubbing elbows and throwing back far too many cocktails

with financial titans and major figures in sports and entertainment (including Leonardo DiCaprio, Alex Rodriguez, Ben Bernanke, and Alan Greenspan, to drop a few names); making and losing hundreds of thousands of dollars in daily gambles on the Street; getting involved with the wrong people, who eventually turned on him; realizing that none of that mattered in the end. As he writes: “Stripped of family, friends, time, and humanity, if there’s ever a place to give one pause, it’s prison . . . Tomorrow is promised to no one.” In *Confessions of a Wall Street Insider*, he reveals the triumphs, pains, and struggles, and how, in the end, it just might have made him a better person. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is

proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Non-fiction, 1990-2013 Houghton Mifflin Harcourt

Sarah is a narcoleptic who has dreams so vivid she mistakes them for real events; Robert has had his life changed for ever by the misunderstandings arising from her condition; Terry, the insomniac, spends his wakeful nights fuelling his obsession with movies; and the increasingly unstable Dr Gregory Dudden sees sleep as a life-shortening disease which must be eradicated . A group of students sharing a house. They fall in and out of love, they drift apart. Yet a decade later they are drawn back together by a series of coincidences involving their obsession with sleep - and each other ...

A Cautionary Tale of Rats, Feds, and Banksters Penguin UK

The Accidental Woman is a wickedly funny novel from bestseller Jonathan Coe. For Maria, nothing is certain. Her life is a chain of accidents. Untouched by friendship, unimpressed by devoted Ronny and his endless marriage proposals, she lives in a world of her own, but not of her own making. Even as she stumbled on through university, work, marriage and motherhood, Maria finds it hard to see what all the fuss is about. Will our heroine ever be able to control the direction of her life, or will it end, as it began, by accident? What does chance next have in store for her? From the author of the award-winning *The Rotters' Club* and *What a Carve Up!*, *The Accidental Woman* will be enjoyed by

readers of Nick Hornby and William Boyd and centres on a quirky and highly individual woman who is still struggling to find her place in life. 'The Accidental Woman has a cocky individual voice of its own. . . here's precocious, rebellious talent' Mail on Sunday 'Slyly parodies the clichés of most first novels' Guardian 'A convincing stuffy of the random impetuses by which human lives tend to be governed. It is also very funny' Spectator Jonathan Coe's novels are filled with biting social commentary, moving and astute observations of life and hilarious set pieces that have made him one of the most popular writers of his generation. His other titles, *What a Carve Up!* (winner of the 1995 John Llewellyn Rhys Prize), *A Touch of Love*, *The Rotters' Club* (winner of the

Everyman Wodehouse prize), *The Closed Circle*, *The Terrible Privacy of Maxwell Sim*, *The House of Sleep* (winner of the 1998 Prix Médicis Étranger), and *The Rain Before it Falls*, are all available in Penguin paperback.

[Like a Fiery Elephant](#) Bloomsbury Publishing

Jena Lin plays the violin. She was once a child prodigy and now uses sex to fill the void left by fame. She's struggling a little. Her professional life comprises rehearsals, concerts, auditions and relentless practice; her personal life is spent managing the demands of her strict family and creative friends, and hooking up. And then she meets Mark - much older and worldly-wise - who consumes her. But at what cost to her dreams? When Jena is awarded an

internship with the New York Philharmonic, she thinks the life she has dreamed of is about to begin. But when Trump is elected, New York changes irrevocably and Jena along with it. Is the dream over? As Jena's life takes on echoes of *Frances Ha*, her favourite film, crucial truths are gradually revealed to her. *A Lonely Girl is a Dangerous Thing* explores female desire and the consequences of wanting too much and never getting it. It is about the awkwardness and pain of being human in an increasingly dislocated world - and how, in spite of all this, we still try to become the person we want to be. This is a dazzling and original debut from a young writer with a fierce, intelligent and audacious voice. 'I absolutely inhaled this book. Gutsy, bold and surprising,

with a darkness that draws you in and keeps you hanging onto every word.' Bri Lee, author of *Eggshell Skull* 'Jessie Tu's writing is fierce and bold; I read this novel with escalating excitement, galvanised by the emergence of a powerful new voice.' Christos Tsiolkas, author of *Damascus* 'Searing, unflinching and unapologetic, Jessie Tu is a fearless talent.' Sophie Hardcastle, author of *Below Deck*

NUMBER 11

Penguin UK

Maxwell Sim can't seem to make a single meaningful connection. His absent father was always more interested in poetry; he maintains an e-mail correspondence with his estranged wife, though under a false identity; his incomprehensible

teenage daughter prefers her BlackBerry to his conversation; and his best friend since childhood is refusing to return his calls. He has seventy-four friends on Facebook, but nobody to talk to. In an attempt to stir himself out of this horrible rut, Max quits his job as a customer liaison at the local department store and accepts a strange business proposition that falls in his lap by chance: he's hired to drive a Prius full of toothbrushes to the remote Shetland Islands, part of a misguided promotional campaign for a dental-hygiene company intent on illustrating the slogan "We Reach Furthest." But Max's trip doesn't go as planned, as he's unable to resist making a series of impromptu visits to important figures from his past who live en route. After a string of cruelly

enlightening and intensely awkward misadventures, he finds himself falling in love with the soothing voice of his GPS system ("Emma") and obsessively identifying with a sailor who perpetrated a notorious hoax and subsequently lost his mind. Eventually Max begins to wonder if perhaps it's a severe lack of self-knowledge that's hampering his ability to form actual relationships. A humane satire and modern-day picaresque, *The Terrible Privacy of Maxwell Sim* is a gently comic and rollickingly entertaining novel about the paradoxical difficulties of making genuine attachments in a world of advanced communications technology and rampant social networking.

The Fountains of Neptune Vintage
A dream of a novel." --Erica Wagner, *The*

Times (London) Following *The Winshaw Legacy*--Coe's ecstatically reviewed American debut, winner of the John Lewellyn Rhys Prize in England and France's coveted Prix du Meilleur Livre Étranger--comes this beguiling, eccentric entertainment. *Ashdown*--a vast cliff-top manor on the English coast--was once a university residence, where a group of students met briefly before going their separate ways. Twelve years later, it has been transformed into a clinic for sleep disorders, and a series of strange coincidences and ostensible synchronicities draws the same group of people together once again, each of them in different ways plagued by sleep. Sarah is narcoleptic, and her inability to distinguish between dreams and waking reality gives rise to a great many

misunderstandings--one of which is to change Robert's life forever, as he persists for years (and then some) in his attempt to win her love. For Terry, a disillusioned film critic whose career has been derailed by Sarah's affliction, sleep is merely a memory, for his insomnia is complete and he can only yearn for the tantalizing dreams he enjoyed in youth. And for the increasingly deranged Dr. Dudden, who has made the subject the focus of his medical practice, sleep is nothing less than a global disease. With panache worthy of Nabokov, and with the heart to match his sophistication, Jonathan Coe has written a breathtakingly original comedy about the powers we acquire--and those we relinquish--when we fall asleep, or fall in love. "This is a remarkable book, most

impressive for its subtle narrative patterning, like a dapple of light and shade, allowing us to indulge the illusion of understanding its characters, until, all at once, the darkness, the isolation and the mystery return. Perhaps most strange of all, for a novel about insomniacs, *The House of Sleep* is a wonderful bedtime read." --David Nokes, *Sunday Times*

The Rotters' Club Penguin UK

In May 2005 Penguin will publish 70 unique titles to celebrate the company's 70th birthday. The titles in the Pocket Penguins series are emblematic of the renowned breadth of quality of the Penguin list and will hark back to Penguin founder Allen Lane's vision of good books for all'. was assured. There followed a string of widely acclaimed

novels that together chart the changing social fabric of Britain over the last thirty years. 9th and 13th brings together several uncollected pieces of fiction and non-fiction, some of which never before published in the UK, from the master of comedy and pathos.

What a Carve Up! Knopf

Over a career that spanned forty-three years and seventy-seven films, Jimmy Stewart went from leading man to national idol. Classics such as *Mr. Smith Goes to Washington*, *The Philadelphia Story*, *Harvey*, and, of course, *It's A Wonderful Life* are far more than mere movies; they are visions of America as it wanted to be seen. With his inimitable (though widely mimicked) down-home drawl, Jimmy Stewart came to embody the ideal American male, lean, affably

sarcastic, honorable, endearingly awkward. His double takes were memorable; his way of muttering his asides charmed audiences. Most of all, he was the man whose heart was always in the right place, and who would see always see his way clear to doing the right thing. "If Bess and I had a son," Harry Truman once said, "we'd want him to be just like Jimmy Stewart." Jonathon Coe traces Stewart's beginnings in a small town in Pennsylvania, his amateur dramatics and college years at Princeton, and the early films and stardom through to his heroics as an air force pilot during World War II and his triumphant return to Hollywood. Though he was adored in black and white, Stewart's mature work shows his range as an actor, his ability to play far more

than just the good-natured leading man. By the time he retired from acting, Stewart had films credits that were unparalleled—and a place in the American heart that was unrivaled. Illustrated with 150 photographs, taken on and off the set, this handsome tribute gives us the private man as well as the screen legend and guides us through the whole wonderful life of Jimmy Stewart.

Middle England Penguin UK

The dazzling new novel from the prize-winning, bestselling author of *Middle England* In the heady summer of 1977, a naïve young woman called Calista sets out from Athens to venture into the wider world. On a Greek island that has been turned into a film set, she finds herself working for the famed Hollywood director Billy Wilder, about whom she

knows almost nothing. But the time she spends in this glamorous, unfamiliar new life will change her for good. While Calista is thrilled with her new adventure, Wilder himself is living with the realisation that his star may be on the wane. Rebuffed by Hollywood, he has financed his new film with German money, and when Calista follows him to Munich for the shooting of further scenes, she finds herself joining him on a journey of memory into the dark heart of his family history. In a novel that is at once a tender coming-of-age story and an intimate portrait of one of cinema's most intriguing figures, Jonathan Coe turns his gaze on the nature of time and fame, of family and the treacherous lure of nostalgia. When the world is catapulting towards change, do you hold

on for dear life or decide it's time to let go?

The Story of B. S. Johnson Vintage
Brexit is a political, economic and administrative event: and it is a cultural one, too. In *Brexit and Literature*, Robert Eaglestone brings together a diverse range of literary scholars, writers and poets to respond to this aspect of Brexit. The discipline of 'English', as the very name suggests, is concerned with cultural and national identity: literary studies has always addressed ideas of nationalism and the wider political process. With the ramifications of Brexit expected to last for decades to come, *Brexit and Literature* offers the first academic study of its impact on and through the humanities. Including a preface from Baroness Young of

Hornsey, Brexit and Literature is a bold and unapologetic volume, focusing on the immediate effects of the divisive referendum while meditating on its long-term impact.

Heroic Failure Penguin UK

This is a novel about the hundreds of tiny connections between the public and private worlds and how they affect us all. It's about the legacy of war and the end of innocence. It's about how comedy and politics are battling it out and comedy might have won. It's about how 140 characters can make fools of us all. It's about living in a city where bankers need cinemas in their basements and others need food banks down the street. It is Jonathan Coe doing what he does best - showing us how we live now. 'Coe is among the handful of novelists who can

tell us something about the temper of our times' Observer

Rumours of a Hurricane Vintage

Can desire really transform reality? From award-winning novelist Jonathan Coe and distinguished Italian artist Chiara Coccoresse comes *The Broken Mirror*, a political parable for children, a contemporary fairy tale for adults, and a fable for all ages. One day Claire, to escape her quarrelsome parents, takes refuge in the dump behind her house. There she finds a broken mirror, a nasty piece of sharp glass... yet she is strangely drawn to it. She soon discovers it has the power to transform even the most drab reality into a fairy-tale world: the grey sky is reflected blue, and Claire's modest, suburban house is transformed into the most beautiful

castle. As Claire grows older, always accompanied by her magic mirror, she can see her face without her teenage acne, and her town before it fell victim to thieving property developers. But, in reality, libraries are being turned into luxury flats wherever she looks, and the boy Claire loves is instead her worst enemy. Frustrated and angry with the mirror's illusions, Claire is about to destroy it when the mysterious Peter steps in: he has also found a shard of broken mirror, and so begins their journey to piece together the larger puzzle... Previously published in Italian, French, Greek and Dutch, *The Broken Mirror* comes to life in English for the first time, to be read with equal pleasure by children and adults.

[The Rain Before It Falls](#) Random House

From the acclaimed author of *The Rotters' Club* and *The Closed Circle* comes a novel for today's strange times. Beginning nine years ago on the outskirts of Birmingham and London, Middle England tracks a brilliantly vivid cast of characters through the transformation of their society.

AND THE LAND LAY STILL

Pan Macmillan

Lying on a riverbank on a lazy summer's afternoon – 23rd June 2016, to be precise – Alice spots a flustered-looking white rabbit called Dave calling for a referendum. Following him down a rabbit-hole, she emerges into a strange new land, where up is down, black is white, experts are fools and fools are experts... She meets such characters as

the Corbynpillar, who sits on a toadstool smoking his hookah and being no help to anyone; Humpty Trumpty, perched on a wall he wants the Mexicans to pay for; the Cheshire Twat, who likes to disappear leaving only his grin, a pint, and the smell of scotch eggs remaining; and the terrifying Queen of Heartlessness, who'll take off your head if you dare question her plan for Brexit. Will Alice ever be able to find anyone who speaks sense?

THE DWARVES OF DEATH

Penguin UK

'A wildly entertaining but uncomfortable read ... Pitilessly brilliant' JONATHAN COE. 'There will not be much political writing in this or any other year that is carried off with such style' The Times. A

TIMES BOOK OF THE YEAR. 'A quite brilliant dissection of the cultural roots of the Brexit narrative' David Miliband. 'Hugely entertaining and engrossing' Roddy Doyle. 'Best book about the English that I've read for ages' Billy Bragg. A fierce, mordantly funny and perceptive book about the act of national self-harm known as Brexit. A great democratic country tears itself apart, and engages in the dangerous pleasures of national masochism. Trivial journalistic lies became far from trivial national obsessions; the pose of indifference to truth and historical fact came to define the style of an entire political elite; a country that once had colonies redefined itself as an oppressed nation requiring liberation. Fintan O'Toole also discusses the fatal

attraction of heroic failure, once a self-deprecating cult in a hugely successful empire that could well afford the occasional disaster. Now failure is no longer heroic – it is just failure, and its terrible costs will be paid by the most

vulnerable of Brexit's supporters. A new afterword lays out the essential reforms that are urgently needed if England is to have a truly democratic future and stable relations with its nearest neighbours.
