THE REBELLION THAT SHOOK HENRY VIII'S THRONE

Hodder Education Teacher Handbook is written specifically to match the new 2016 AQA GCSE History specification, and is

developed by an experienced head of history and an author with senior examining experience. This handbook covers all 16 options, and offers professional, practical support filled with subject knowledge, classroom ideas, plus exam support. [AQA GCSE History: Power and the People](#) Phoenix During the Pilgrimage of Grace for a short time Henry VIII lost control of the North of England and there was a very real possibility of civil war. Protesting against the

king's betrayal of the 'old' religion, his new taxes, and his threat to the rights of landowners, the poor and the powerful united against their king and his henchman Thomas Cromwell, raising an army of 40,000. The leader of the Pilgrimage was the charismatic, heroic figure of Robert Aske, a lawyer. Under his influence and persuasion most of the Northern nobility joined the rebellion and gathered for battle at Doncaster where they would have outnumbered the king's

soldiers by 4 to 1. But Aske had an unshakeable belief in justice and fair dealing, which was to prove his undoing. He was persuaded by the king's men to abandon military force and negotiate terms in London. Once there he was arrested, charged with treason and hanged in chains. Another 200 'pilgrims' were executed in the North as a 'fearful spectacle'.
