### WELLS KENDRA

---

**It's Complicated** Dell

Surveys the online social habits of American teens and analyzes the role technology and social media plays in their lives, examining common misconceptions about such topics as identity, privacy, danger, and bullying.

*Streams of Living Water* GENERAL PRESS

Since he began posting in 2003, Dempsey has used his blog to explore nearly every important facet of library technology, from the emergence of Web 2.0 as a concept to open source ILS tools and the push to web-scale library management systems.

### THE BIRTH OF THE PRISON

Aeterna Press

An Introduction to Syntactic Analysis and Theory offersbeginning students a comprehensive

overview of and introduction to our current understanding of the rules and principles that govern the syntax of natural languages. Includes numerous pedagogical features such as 'practice' boxes and sidebars, designed to facilitate understanding of both the 'hows' and the 'whys' of sentence structure. Guides readers through syntactic and morphological structures in a progressive manner. Takes the mystery out of one of the most crucial aspects of the workings of language – the principles and processes behind the structure of sentences. Ideal for students with minimal knowledge of current syntactic research, it progresses in theoretical difficulty from basic ideas and theories to more complex and advanced, up to date concepts in syntactic theory.

Unveiling Mary Magdalene Crossway

Written in the same style as his *Jealousy—the Sin No One Talks About*, Kendall tackles the problem of pride, bringing out into the open the challenges a majority of people face in overcoming the pride and self-righteousness that were introduced to mankind by the serpent in the Garden of Eden.

**Typhoid Mary** Wednesday Books

Tina Turner is the Queen of Rock 'n' Roll, a musical icon celebrating her 60th year in the industry. In this dramatic autobiography, she tells the story of a truly remarkable life in the spotlight. From her early years picking cotton in Nutbush, Tennessee to her rise to fame alongside Ike Turner, and finally to her phenomenal success in the 1980s and beyond, Tina candidly examines her personal history, from her darkest hours to her happiest moments and everything in between. Brimming with her trademark blend of strength, energy, heart and soul, *My Love Story* is a gripping, surprising memoir, as memorable and entertaining as any of her greatest hits.

**Daily Meditations for a Profound Reform of Heart in the School of Mary** Yale University Press

Les quatre musiciens de Creedence Clearwater Revival inventent un genre, le swamp rock, qui concentre dans des merveilles d'épure l'âme d'une Louisiane fantasmée entre country, blues et vaudou. L'énigmatique leader John Fogerty chante avec panache les gens ordinaires et les laissés-pour-compte, mêlant évocations de la route et des forces de la nuit dans des morceaux dont la liste, de "Proud Mary" à "Bad Moon Rising", étourdit par le nombre de reprises qui en ont été faites. Et c'est l'Amérique entière qui se dévoile dans le destin de ce groupe avec ses racines, ses doutes et ses contradictions.

Reflections on the Revolution in France Getty Publications

(Guitar Chord Songbook). Here's all you need to play and sing 34 CCR classics! Living like Jesus 3m Company

No feminism or feminist philosophy without "A Vindication of the Rights of Woman". Wollstonecraft argues not only that women ought to have the education of a woman should fit her position and role in society, but also that they are human beings and thus deserve the same fundamental rights as men.

## THE 3M STORY

Penguin Group

Describes the author's decision at the age of forty to trade in her lackluster existence for a life on the open seas aboard a fishing trawler, an effort during which she was accompanied by a contrary companion and her beloved Jack Russell terriers. 25,000 first printing.

**Creedence Clearwater Revival** Bloomsbury Publishing USA

Incredibly revealing and edifying background of Our Lady, her parents and ancestors, St. Joseph, plus other people who figured into the coming of Christ. Many facts described about the Nativity and early life of Our Lord, as well as the final days of the Blessed Mother—all from the visions of this great mystic.

## ON REVOLUTION

Harper Collins

*Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More.* Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

A Century of Innovation Anchor

Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

The Boys in the Band Arrow

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one

Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

*A Vindication of the Rights of Woman* John Wiley & Sons

The author of the bestselling celebration of discipline explores the great traditions of Christian spirituality and their role in spiritual renewal today. In this landmark work, Foster examines the "streams of living water" -- the six dimensions of faith and practice that define Christian tradition. He lifts up the enduring character of each tradition and shows how a variety of practices, from individual study and retreat to disciplines of service and community, are all essential elements of growth and maturity. Foster examines the unique contributions of each of these traditions and offers as examples the inspiring stories of faithful people whose lives defined each of these "streams."

*Weapons of Math Destruction* Zondervan

An extraordinary biography. A gallery of astonishing work. The legacy of a madman. Philadelphia, the late 1870s. A city of gas lamps, cobblestone streets, and horse-drawn carriages—and home to the controversial surgeon Dr. Spencer Black. The son of a grave robber, young Dr. Black studies at Philadelphia's esteemed Academy of Medicine, where he develops an unconventional hypothesis: What if the world's most celebrated mythological beasts—mermaids, minotaurs, and satyrs—were in fact the evolutionary ancestors of humankind? The Resurrectionist offers two extraordinary books in one. The first is a fictional biography of Dr. Spencer Black, from a childhood spent exhuming corpses through his medical training, his travels with carnivals, and the mysterious disappearance at the end of his life. The second book is Black's magnum opus: *The Codex Extinct Animalia*, a Gray's Anatomy for mythological beasts—dragons, centaurs, Pegasus, Cerberus—all rendered in meticulously detailed anatomical illustrations. You need only look at these images to realize they are the work of a madman. The Resurrectionist tells his story.

## DISCIPLINE AND PUNISH

Atria Books

"Imagine Riverdale crossing streams with Stephen King's *The Outsider* and you'll get a sense of this gripping supernatural mystery...Gould's debut begins as a snappy paranormal yarn and unspools into a profound story about the complex interplay between grief, guilt, and identity." - Oprah Daily  
Courtney Gould's thrilling YA debut *The Dead and the Dark* is about the things that lurk in dark corners, the parts of you that can't remain hidden, and about finding home in places—and people—you didn't expect. *The Dark* has been waiting—and it won't stay hidden any longer. Something is wrong in Snakebite, Oregon. Teenagers are disappearing, some turning up dead, the weather isn't normal, and all fingers point to TV's most popular ghost hunters who have just come to town. Logan Ortiz-Woodley, daughter of TV's *ParaSpectors*, has never been to Snakebite before. But the moment she and her dad arrive, she starts to get the feeling that there's more than ghosts plaguing this small town. Ashley Barton's boyfriend was the first teen to go missing, and she's felt his ghost following her ever since. Although everyone shuns the Ortiz-Woodleys, the mysterious Logan may be the only person who can help Ashley get some answers. When Ashley and Logan

team up to figure out who—or what—is haunting Snakebite, their investigation reveals truths about the town, their families, and themselves that neither of them are ready for. As the danger intensifies, they realize that their growing feelings for each other could be a light in the darkness  
*Creedence Clearwater Revival (Songbook)* American Library Association  
YolkSimon and Schuster

**Semantics** Dramatic Publishing

Glory be to God on high, and thanksgiving, and the voice of praise, who at one time by the mysteries of prophecy, at another by oracles from Heaven, again by the reading of the Gospel, and now by the mouth of preachers, in many ways and by divers channels, most sincerely urges and invites us to honor the Virgin Mary, the Queen of Heaven and of the Angels; that by her holy merits, most worthy of all acceptance, we, being delivered from the depths of hell, may be inscribed by her in the ranks of the angels. Aeterna Press

**The Story of Harriet Jacobs** Simon and Schuster

Through the centuries and across the world, the Virgin Mary has appeared to ordinary people of every race and culture, from scholars to illiterates, from the devout to the unbelieving, from young children to the dying. In this exquisite and inspiring volume, Janice T. Connell chronicles authenticated Marian apparitions and messages Mary has brought from God--as mother, comforter, Queen of Angels, and Prophet of the Apocalypse. Drawn from scripture, legend, and never-before-published eyewitness accounts, these are personal stories--the author's own, and her interviews with other visionaries--filled with beauty, wonder, and joy. Meetings with Mary ranges from Elijah's vision of Mary eight hundred years before her birth to the world-famous children of Medjugorje in Bosnia, whose encounters with her began in 1981 and continue daily. Here also are lesser-known, deeply touching encounters with the Mother, from an office worker in Holland to a Japanese nun, from a Jewish banker in Rome to an awestruck crowd of visionaries, few of them Christians or of any other faith, in Egypt. Meetings with Mary asks also: as the millennium draws near, shadowed by disasters, disease, and brutal civil warfare, are Mary's frequent appearances a signal to the faithful? Perhaps she is calling us all to join her now on a voyage toward the eternal shores of peace, joy, and abiding love. . . . "[Connell is] passionate about prayer and sharing her love of Jesus' mother. . . . She has a way of simplifying complex theology." --Rocky Mountain News

ASCD

This little book, *A Month with Mary*, also originated from an act of charity of Father Dolindo. Father Dolindo wrote *A Month with Mary* on pocket-sized pages joined into small fascicles of 8 to 12 pages. He sent them to Laura de Rosis every two to three days and later transcribed them with some modifications in volume III of his *Autobiography: The Story of My Life in the Plan of the Great Mercy of God*, pp. 1140 ff (cf. *Epistolario* 1:212n, 218n). This work is from 1912: one of those years which passed in the life of Father Dolindo with the cadence of a "Way of the Cross" ... But he, serene as ever, loved Christ the more, loved Our Lady the more and reflected this love in these few pages to which he wished to give the significant title: *A Profound Reform of Heart in the School of Mary*. These meditations are written in the style of the *Imitation of Christ*. Meditations for just one soul!
