Get swept up in all the gritty, wild details of a roller-coaster love story with the ultimate bad boy in the first spinoff novel after 44 CHAPTERS ABOUT 4 MEN, the book that inspired the hit Netflix original series SEX/LIFE. In 1997, Ronald "Knight" McKnight was the meanest, most misunderstood guy in town. . . perhaps on the entire planet. He hated everyone, except for BB Easton—the perky, quirky punk chick he couldn't avoid. BB, on the other hand, liked everybody . . . except for Knight. She was scared to death of him, actually. All she wanted was to marry Little Mermaid's Prince Eric-lookalike and king of the local punk scene Lance Hightower. But Knight was patient.

Persistent. Unexpected. And once he got under BB's skin, her life would never be the same. A forbidden love story overflowing with '90s nostalgia, dark humor, and heart-wrenching angst, and based on a true story.
Because You Are Mine Penguin Prize-winning author Anna Gavalda has galvanized the literary world with an exquisite genius for storytelling. Here, in her epic new novel of intimate lives-and filled with the "humanity and wit" (Marie Claire) that has made it a bestselling sensation in France-Gavalda explores the twists of fate that connect four people in Paris. Comprised of a starving artist, her shy, aristocratic neighbor, his obnoxious but talented roommate, and a neglected grandmother, this curious, damaged quartet may be hopeless apart, but together, they may just be able to face the world.

If You Stay KSA Publishing Consultants Asher Wellingham, Duke of Carisbrook, was captivated by her! He had happened upon Lady Emma Seaton swimming naked and, beyond her beauty, had seen the deep curling scar on her thigh—a wound that could only be the mark of a sword. Who was this creature of contradictions? Something about her brought back tantalizing memories from the past. Her ill-fitting, threadbare clothes concealed the body of an angel, but what kind of woman truly lay behind her refined mask? Highborn lady or artful courtesan, she intrigued him and Asher wanted to possess both!

HIGH SEAS TO HIGH SOCIETY

Natasha Knight
Lucia It all started with a contract signed by him, then by me, while our families watched. While my father sat silent, a man defeated, giving his daughter to the

Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction. It's how it had always been. How I believed it would always be. Until Lucia.

Les Liaisons Dangereuses Natasha Knight 'I resolved to write a book which would create some stir in the world and continue to do after I had gone from it.' - Choderlos de Laclos A great sensation at the time of first publication, *Les Liaisons Dangereuses* reads as much the most 'modern' of eighteenth-century novels. Viewed by some critics as a morality tale and others as a subtle inquiry into libertinism, it brilliantly depicts the foibles of the French aristocracy on the eve of the French Revolution. Renowned for its exploration of lust, revenge and human malice, and still carrying a tremendous power to shock, its adaptations for screen and stage have made its central characters notorious for their sophisticated and ultimately tragic games of seduction and manipulation.

Everyone knows that all's fair in love and war. But these two will learn that sabotage is a dish best served naked. A sexy, compulsively readable romantic comedy that dives headlong into the thrill and doubt of modern love, *Dating You/Hating You* by New York Times bestselling author Christina Lauren is the story of what two

high-powered agents will—and won't—do to get everything they ever wanted. Despite the odds against them from an embarrassing meet-awkward at a mutual friend's Halloween party, Carter and Evie immediately hit it off. Even the realization that they're both high-powered agents at competing firms in Hollywood isn't enough to squash the fire. But when their two agencies merge—causing the pair to vie for the same position—all bets are off. What could have been a beautiful, blossoming romance turns into an all-out war of sabotage. Carter and Evie are both thirtysomething professionals—so why can't they act like it? Can Carter stop trying to please everyone and see how their mutual boss is really playing the game? Can Evie put aside her competitive nature long enough to figure out what she really wants in life? Can their actor clients just be something close to human? Whether these two Hollywood love/hatebirds get the storybook Hollywood ending, or just a dramedy of epic proportions, you get to enjoy Christina Lauren's heartfelt, hilarious story of romance in the modern world.

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times—for all the right reasons—but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he

replied, "I'm going to be rich."

"Expect to be spellbound"* by Patricia Briggs's #1 New York Times bestselling series starring Mercy Thompson. Being a lowly "walker" in a world of vampires, werewolves, and fae once kept her safe. But Mercy's bark—and bite—are not so harmless any more... Though Mercy can shift her shape into that of a coyote, her loyalty never wavers. So when her former boss and mentor, Zee, asks for her help, she's there for him. A series of murders has rocked a fae reservation, and Zee needs her unique gifts, namely her coyote sense of smell, to sniff out the killer. But when Zee is accused of murdering the suspect Mercy outed, he's left to rot behind bars by his own kind. Now it's up to Mercy to clear his name, whether he wants her to or not. Mercy's loyalty is under pressure from other directions, too. Werewolves are not known for their patience, and if Mercy can't decide between the two she cares for, Sam and Adam may make the choice for her...

presents "Tell Me You Want Me" by Amelia James, a steamy romance sure to get your juices flowing. FOR ADULTS ONLY. ..."I can give you exactly what you're asking for, Janie, and I can give it to you all night long...". Their first kiss is impulsive, fun, a little wicked-everything Jane Elliot isn't looking for in a man, but desperately needs. Their second kiss is slow, deliberate, an instant connection-everything Austin Sinclair never had with a woman, and doesn't want. Jane is no easy conquest, not the type of woman Austin's used to. Stubborn as hell, and a bookworm more interested in studying than dating, she needs a little-no, a lot-of fun in her life. Well, Austin's just the guy who can give it to her. Too bad she thinks love should be easy. Too bad Austin knows it isn't. Everybody told her to stay away from the heartbreaker, but Jane knows there's more to Austin than full-body contact kisses and bad boy charm. He promised her a good time-nothing more-and wow... does he ever deliver!

Petits flocons et grosses boulettes ! Chloé Martin est la "pire conseillère en voyages du monde". Gaffeuse et malchanceuse chronique, elle reste cependant une optimiste invétérée. Pourtant, lorsque son patron lui "offre" un séjour professionnel en Savoie, les choses ne s'annoncent pas sous les meilleurs auspices : hôtel miteux, verglas, et surtout rencontre avec son ex qui lui annonce qu'il est fiancé à la bombe atomique avec qui il l'a trompée. Pour ne rien arranger, Chloé est désormais complètement dépendante du bon vouloir du passager avec qui elle a failli se battre dans le train, Nick, qui a ensuite eu la gentillesse - ou la cruauté ? - de la sortir d'une situation très gênante avec son ex en se faisant passer pour son compagnon. En théorie, ce séjour commence donc plutôt mal. Mais en pratique, lorsque, comme Chloé, on sait voir le verre (de bière) à moitié plein, l'horizon finit toujours par se dégager. Et il se pourrait même que l'amour fasse partie du voyage. "Une histoire d'amour inattendue mais qui vous emportera et vous fascinera, un truc tout mimi et qui sort des sentiers battus. Ce petit détour par la Savoie et ses surprises m'aura clairement enchantée ! C'était chou, humoristique, sans prise de tête et romantique" L'Eden des rêves A propos de l'auteur Pour rendre Juliette Bonte heureuse, il suffit d'une bande d'amis, d'un bon repas et des tablettes de chocolat de Brad Pitt. Malheureusement, elle n'a pas encore fait la connaissance de l'acteur. Pour pallier ce manque, elle a donc décidé de se mettre à l'écriture puisque, dans les livres, tout devient possible. Y compris croiser l'homme parfait.

For fans of smart romantic comedies, this is a clever Cinderella story with a tech twist. When Public Corporation, a giant tech company, announces a contest for the best app developed by a high school student—with \$200,000 in prize money—computer whiz Audrey McCarthy is all in. Audrey's been searching for her one ticket out of town ever since her dad died and her best friend, perfect and

popular Blake Dawkins, turned into her worst nightmare—and this scholarship may be it. Audrey comes up with an idea so simple, yet so brilliant, she can't believe it hasn't been done before: the Boyfriend App. With a simple touch of the screen, romance blooms among the unlikeliest couples at school—and people start to take notice. But it's not quite enough. To beat out the competition, Audrey will have to dig deeper—right into a scandal that would rock Public to its core. Launched into unexpected fame and passionately kissed by the hottest guys in school, Audrey finds that her invention has thrown her life into complete chaos . . . but can it bring her true love?

Looking for the perfect mix of smart, sexy, and sassy? Mai Tai'd Up continues New York Times bestselling author Alice Clayton's Cocktail series, which began with Wallbanger and continued with Rusty Nailed and Screwdrivered. The gossip mill in the seaside community of Monterey is churning about Chloe Patterson, the newcomer who is starting a sanctuary for rescued pit bulls. It's rumored that she's a former beauty queen (true) who ditched her fiancé the morning of their wedding (also true). And that while she's not looking for a new man, the good-looking local veterinarian has his eye on her. Absolutely, positively true. When Lucas Campbell isn't at the family veterinary clinic, he's paddle boarding in Monterey Bay. Recently single, he's definitely not in the market for a new relationship, but he still can't resist taking a second, third, and

fourth look at the recent arrival of Miss Golden State. Neither Lucas nor Chloe has any interest in being tied down. Being tied up, however—now there's a thought. But are a few Mai Tais, a moonlit night, and the music of Frank Sinatra enough to allow them both to forget their past? Let's hope Ol' Blue Eyes knows what he's doing. Mix one part tiki, one part kinky, and a splash of old black magic matchmaking, and it's time to be . . . Mai Tai'd Up.

The beloved, #1 global bestseller by John Green, author of *The Anthropocene Reviewed* and *Turtles All the Way Down* "John Green is one of the best writers alive." -E. Lockhart, #1 bestselling author of *We Were Liars* "The greatest romance story of this decade." -Entertainment Weekly #1 New York Times Bestseller • #1 Wall Street Journal Bestseller • #1 USA Today Bestseller • #1 International Bestseller Despite the tumor-shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely rewritten. From John Green, #1 bestselling author of *The Anthropocene Reviewed* and *Turtles All the Way Down*, *The Fault in Our Stars* is insightful, bold, irreverent, and raw. It brilliantly explores the funny, thrilling, and tragic business of being alive and in love. **The Fault in Our Stars** Harper Collins
The Instant New York Times Bestseller! A speculative thriller in the vein of *The Handmaid's Tale* and *The Power*. Optioned by Universal and Elizabeth Banks to be a major motion picture! "A visceral, darkly haunting fever dream of a novel and an absolute page-turner. Liggett's deeply suspenseful book brilliantly explores the high cost of a misogynistic world that denies women power and does it with a heart-in-your-throat, action-driven story that's equal parts horror-laden fairy tale, survival story, romance, and resistance manifesto. I couldn't stop reading." - Libba Bray, New York Times bestselling author
Survive the year. No one speaks of the grace year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney

James dreams of a better life—a society that doesn't pit friend against friend or woman against woman, but as her own grace year draws near, she quickly realizes that it's not just the brutal elements they must fear. It's not even the poachers in the woods, men who are waiting for a chance to grab one of the girls in order to make a fortune on the black market. Their greatest threat may very well be each other. With sharp prose and gritty realism, *The Grace Year* examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between. Former overachiever Lucy Williams sucks

at adulting. Recent divorce, check. Pending lawsuit, check. A move back to Boston to live with her mother, triple check. It can't get much worse, right? When she starts her new marketing job at EXTreme Effects, she's positive shit's stopped hitting the fan. Sure, what she's advertising is a little ... unorthodox, but it pays the bills. And since she's seconds away from becoming Lucy Williams: Wednesday Night Bingo Enthusiast, she needs money to get the hell out of her mother's house. The only problem is her boss, Mr. Extreme himself: Jace Exley. He's everything any sane woman dreams of—alpha, successful, ridiculously gorgeous. He's also Lucy's worst nightmare. Because like every overachiever, she has that underachiever

she brushed off. The slacker who, once upon a time ago, was the object of her dirtiest schoolgirl fantasies. Jace Exley—with his sarcastic smirk and delicious accent—just happens to be that guy. And the friction between them? Well, that's the only adulting Lucy seems to be winning at.
