Collection by Scheid ...This is the best pictoral essay book that I own. 1,000 Nudes is a journey

through time, from 1850 to 1940. The nude and erotic photography ranges from "artistic" to silly to

obscene, but it is all fascinating and interesting. The women are all more gorgeous than the

[imitation], airbrushed porn of today.1000 Nudes: Uwe Scheid Collection: Scheid, Uwe, Koetzle
