OMB No. 9067364207523 edited by

ANAYA ZIMMERMAN

The Music of Charlie Christian Simon and Schuster

Winner of the 2012 Randolph Caldecott Medal This New York Times Bestseller and New York Times Best Illustrated Book relates a story about love and loss as only Chris Rashcka can tell it. Any child who has ever had a beloved toy break will relate to Daisy's anguish when her favorite ball is destroyed by a bigger dog. In the tradition of his nearly wordless picture book Yo! Yes?, Caldecott Medalist Chris Raschka explores in pictures the joy and sadness that having a special toy can bring.

Raschka's signature swirling, impressionistic illustrations and his affectionate story will particularly appeal to young dog lovers and teachers and parents who have children dealing with the loss of something special.

Bird Lives! University of Illinois Press

Hip Cat journeys to the city by the bay to live his dream of being a jazz musician.

CHARLIE PARKER - OMNIBOOK

Simon and Schuster

Celebrating Bird is the groundbreaking and award-winning account of the life and legend of Charlie Parker from renowned biographer and critic Gary Giddins. Fully revised and with a new introduction, it is a portrayal of a jazz virtuoso whose gargantuan talent was haunted by his excesses and a view into the ravishing art of one of jazz's most remarkable figures.

for C Instruments Rowman & Littlefield

Chronicles and poetically captures the history, mood, and movement of African American music.

ESSENTIALS FOR THE BE BOP DRUMMER

Hal Leonard Corporation

Saxophonist Charlie Parker (1920-1955) was one of the most innovative and influential jazz musicians of any era. As one of the architects of modern jazz (often called "bebop"), Charlie Parker has had a profound effect on American music. His music reached such a high level of melodic, rhythmic, and harmonic sophistication that saxophonists and other instrumentalists continue to study it as both a technical challenge and an aesthetic inspiration. This revised edition of Charlie Parker: His Music and Life has been revised throughout to account for new Charlie Parker scholarship and previously unknown Parker recordings that have emerged since the book's initial publication. The volume opens by considering current research on Parker's biography, laying out some of the contradictory accounts of his life, and setting the chronology straight where possible. It then focuses on Parker's music, tracing his artistic evolution and major achievements as a jazz improviser. The musical discussions and transcribed musical examples include timecodes for easy location in recordings—a unique feature to this book.

Little Celebration, Charlie Parker Played Be Bop, Big Book, Early, Stage 2 Harry N. Abrams

The award-winning author of Spirit Seeker and the Caldecott Medal-winning illustrator of Lon Po Po present a rhythmic tribute to Charlie Parker and Dizzy Gillespie, and their creation of bebop.

Moosey Moose HarperCollins

Chronicles the social and musical factors that culminated in the birth of bebop

Everything Is Cinema Bloomsbury Publishing USA

Saxophone virtuoso Charlie "Bird" Parker began playing professionally in his early teens, became a heroin addict at 16, changed the course of music, and then died when only 34 years old. His friend Robert Reisner observed, "Parker, in the brief span of his life, crowded more living into it than any other human being." Like Louis Armstrong, Duke Ellington, Miles Davis, and John Coltrane, he was a transitional composer and improviser who ushered in a new era of jazz by pioneering bebop and influenced subsequent generations of musicians. Meticulously researched and written, Bird: The Life and Music of Charlie Parker tells the story of his life, music, and career. This new biography artfully weaves together firsthand accounts from those who knew him with new information about his life and career to create a compelling narrative portrait of a tragic genius. While other books about Parker have focused primarily on his music and recordings, this portrait reveals the troubled man behind the music, illustrating how his addictions and struggles with mental health affected his life and career. He was alternatively generous and miserly; a loving husband and father at home but an incorrigible philanderer on the road; and a chronic addict who lectured younger musicians about the dangers of drugs. Above all he was a musician, who overcame humiliation, disappointment, and a life-threatening car wreck to take wing as Bird, a brilliant improviser and composer. With in-depth research into previously overlooked sources and illustrated with several never-before-seen images, Bird: The Life and Music of Charlie Parker corrects much of the misinformation and myth about one of the most influential musicians of the twentieth century.

Charlie Parker for Guitar (Songbook) Houghton Mifflin Harcourt

Countless musicians have been inspired upon hearing Charlie Christian for the first time. In this exciting book, the author has compiled 39 precise solo transcriptions (in notation only), as well as a thorough analysis of each. There is also a complete "how to" section that is a book in itself. The author has recorded each transcription in slow and fast versions. The book contains some of Charlie's best work including the Jam Sessions at Minton's, John Hammond's Spirituals to Swing concert and the Celestial Express Blue Note Recordings. Charlie Christian was the first to popularize the use of the electric guitar in jazz. He was the pioneer who led the way. Includes access to online audio."

Jazz, Race, the Beats, and Drugs Childrens Book Press

Ella Fitzgerald sang the blues and she sang them good. Ella and her fellas were on the way up! It seemed like nothing could stop her, until the biggest club in town refused to let her play... and all because of her colour. But when all hope seemed lost, little did Ella imagine that a Hollywood star would step in to help. This is the incredible true story of how a remarkable friendship between Ella Fitzgerald and Marilyn Monroe was born - and how they worked together to overcome prejudice and adversity. An inspiring story, strikingly illustrated, about the unlikely friendship between two celebrated female icons of America's golden age.

Candlewick Press (MA)

Before John Was a Jazz Giant is a 2009 Coretta Scott King Illustrator Honor Book.

Mysterious Thelonious Schwartz & Wade

Kansas City Lightning: The Rise and Times of Charlie Parker is the first installment in the long-awaited portrait of one of the most talented and influential musicians of the twentieth century, from Stanley Crouch, one of the foremost authorities on jazz and culture in America. Throughout his life, Charlie Parker personified the tortured American artist: a revolutionary performer who used his alto saxophone to create a new music known as bebop even as he wrestled with a drug addiction that would lead to his death at the age of thirty-four. Drawing on interviews with peers, collaborators, and family members, *Kansas City Lightning* recreates Parker's Depression-era childhood; his early days navigating the Kansas City nightlife, inspired by lions like Lester Young and Count Basie; and on to New York, where he began to transcend the music he had mastered. Crouch reveals an ambitious young man torn between music and drugs, between his domineering mother and his impressionable young wife, whose teenage romance with Charlie lies at the bittersweet heart of this story. With the wisdom of a jazz scholar, the cultural insights of an acclaimed social critic, and the narrative skill of a literary novelist, Stanley Crouch illuminates this American master as never before.

His Music and Life Hal Leonard Publishing Corporation

Matches the tone of the chromatic scale to the color wheel in presenting a portrait of the work of the African American jazz musician and composer of "Misterioso".

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most

prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Introduces the famous saxophonist and his style of jazz known as bebop.

[Charlie Parker - The Complete Scores](#) Univ of California Press

A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age. When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.
