**MY YEAR OF LIVING WITH JOY**

New Harbinger Publications

A simple and powerful book educating people about the epidemic of plastic use and solutions for a plastic-free future. If you've heard of the plastic-free lifestyle, but think you don't have time for it in your busy life, prepare to be delightfully wrong. Say Goodbye to Plastic shows you how, whether you're seeking to knock plastic out of your life or just try out a few novel eco-hacks in your kitchen, bathroom, office or dining room. Plastic pollution

activist and entrepreneur Sandra Ann Harris invites us to say goodbye to plastic, room by room. Opportunities abound to simplify our lives by re-thinking our wasteful habits--we just need to learn to recognize them.

**Are You Sad, Little Bear?** Dramatists Play Service Inc  
 Two best friends understand that saying goodbye to one experience means saying hello to the next, but that does not

make it easier when one friend has to move away.

*9 Simple Strategies to Stress Less, Sleep More, and Restore Your Passion for Life* St. Martin's Press

Collects stories of people facing the death of a loved one, and shows how they pushed aside despair to rejoice in shared memories and confront death with warmth, frankness, and even humor.

### **SAY GOODBYE TO CRAZY**

Minotaur Books

It will come as no surprise that Michael J. Arlen's first novel is at once romantic, disturbing, and original, an artistic achievement of impressive subtlety and force. A famous father and his estranged son meet for the first time in many years on the father's ranch in New Mexico. Tom Avery, a New York-based journalist on the edge of turning forty, thinks it's time for his new wife, Catherine, to meet his father, a celebrated Hollywood director Sam Avery. At seventy-two, Sam is still full of hell and larger than life--imperious, charming, catankerous, seductive, and dangerous. When the three come together, father and son seem doomed to increasing and potentially deadly conflict. At the same time, Tom's love for his pretty, somewhat unworldly wife is gradually transmuted by the threat of a strange, erotic triangle involving his father. The drama is enacted in a stark, real world--eagles soar in the mountains, a rider is thrown in a treacherous race--but it is also a dream world, the kind that sometimes takes over when men and women are caught up in unexpected feelings. Does Catherine, for instance, really abandon Tom for Sam? Or does Tom somehow "offer" his wife as a gift to his unapproachable father? And, for that matter, can Sam ever care about anyone but himself? Say Goodbye to Sam is concerned, in the end, with the dangers of love, and with the bravery required not only in loving someone but in being loved.

How to Say Goodbye Scholastic Inc.

Say Goodbye to Being Shy is a book for children who struggle with extreme to occasional shyness. Shyness is a barrier to social and academic development which can prevent children from reaching their greatest potential. Say Goodbye to Being Shy offers focused activities with clearly stated purposes designed to move children from feelings of shyness to developing competence and skill. Simple, fun activities to help kids: Accept themselves; Be assertive

when necessary; Make new friends.

*Toon, Level 2* Thomas Nelson

After Sara and her friends had an exciting journey in a hot air balloon to see the country and find out how to say 'hello' in *How Many Ways Can You Say Hello?*, they are making a return trip across South Africa to see more sights and to drop off the friends, one by one. As they do so, they also need to find out how to say 'goodbye' to one another in all of the country's 11 official languages. But just as Sara starts to feel sad, she discovers that 'goodbye' can be the start of something new, something wonderful. Join her and find this out for yourself too. This is another delightful story of rhyming verse, accompanied by charming illustrations, and a must for all young South African children. And if parents/grandparents/carers aren't sure how to pronounce 'goodbye' in all 11 official languages, there is a digital link of the text, narrated by the author herself, to guide with authentic pronunciation.

Say Goodbye to Being Shy HarperCollins UK

Named a 2010 Self Help Best Book by Library Journal *Saying Goodbye To Someone You Love* consists of moving narratives about end of life and grief. These personal histories are complemented by practical guidelines for those caring for their loved ones through the last stages of life. For those who are grieving, the true-to-life-stories demonstrate how others have navigated through the tidal wave of emotions and reactions that characterize the grief process. For health care professionals and those who are offering support to grievers, *Saying Goodbye To Someone You Love* provides a new perspective on the challenges of caring for the dying and living with grief. Hundreds of poignant, touching, loving, humorous personal experiences address readers' concerns and curiosity about how others have faced life's final chapter with love and dignity. Specific issues include talking about death, hospice, funerals, grieving, and celebrating life. *Saying Goodbye To Someone You Love* empowers readers by bringing compassion and awareness to end of life issues Providing examples of loving care at the moment of death illuminating uncharted territory Demonstrating how others cope Demystifying the grief process Inspiring hope The narratives and advice in *Saying Goodbye To Someone You Love* benefits family members, friends and health care professionals as they travel the emotional journey through end of life and grief.

*How Many Ways Can You Say Goodbye?* Hatherleigh Press

This book was written to help children understand the concepts of change, loss, farewells, and endings. It was also written to encourage children to discuss their thoughts and emotions about these events with parents and teachers. It contains beautifully illustrated examples of 'Goodbye' moments that children can identify with. The calming colours and gentle, reassuring words, combine to help children understand that loss is a part of life. When we say goodbye, it's ok to feel sad, but the memories remain in our hearts and minds forever. The characters in the illustrations tell a story, can you discover what that is? What does the balloon represent? All is revealed at the end of the book. Happy reading!

**Saying Goodbye** Demos Medical Publishing

On an isolated Texas ranch, Dr. Lucy cares for abandoned animals. The solitude allows her to avoid the people and places that remind her of the past. Not that any of the townsfolk care. In 1959, no one is interested in a woman doctor. Nor are they welcoming Calvin and Justin Bell, a newly arrived African American father and son. When Pete Solomon, a neglected twelve-year-old boy, and Justin bring a wounded wolf-dog hybrid to Dr. Lucy, the outcasts soon find refuge in one another. Lucy never thought she'd make connections again, never mind fall in love with a man like Calvin. Pete never imagined he'd find friends as loyal as Justin and the dog. But these four people aren't allowed to be friends, much less a family, when the whole town turns violently against them. With heavy hearts, Dr. Lucy and Pete say goodbye to Calvin and Justin. But through the years they keep hope alive waiting for the world to catch up with them."

**A Workbook to Help Kids Overcome Shyness** Random House Digital, Inc.

"From the editor of the celebrated anthology *Goodbye to All That: Writers on Loving and Leaving New York*, comes a new collection of original essays on what keeps writers tethered to New York City. The "charming" (The New York Times) first anthology *Goodbye to All That*--inspired by Joan Didion's classic essay about loving and leaving Manhattan--chronicled the difficulties and disappointments inherent in loving New York, while *Never Can Say Goodbye* is a celebration of the city that never sleeps, in the tradition of E.B. White's classic essay, "Here Is New York." Featuring contributions from such luminaries as Elizabeth Gilbert,

Susan Orlean, Nick Flynn, Adelle Waldman, Phillip Lopate, Owen King, Amy Sohn, and many others, this collection of essays is a must-have for every lover of New York--regardless of whether or not you call the Big Apple home"--

New York Times bestselling author C.J. Box's novels have been called "red hot" (Booklist) and "edge-of-your-seat read[s]" (Omaha World-Herald). Now he delivers a novel that will steal your sleep as much as it will wrench your heart. *Three Weeks to Say Goodbye* is a novel about something that could be anyone's worst nightmare. . . Jack and Melissa McGuane have spent years trying to have a baby. Finally their dream has come true with the adoption of their daughter, Angelina. But nine months after bringing her home, they receive a devastating phone call... Angelina's birth father, a teenager, never signed away his parental rights—and he wants her back. Worse, his father, a powerful Denver judge, will use every trick in the book to make sure it happens. The McGuanes attempt to meet face-to-face with the father and son...but soon it becomes clear that there's something sinister about their motivations—and that love for Angelina is not one of them. A horrifying game of intimidation and double crosses begins that quickly becomes a death spiral where everyone is suspect and no one is safe. Now Jack and Melissa will stop at nothing to protect their child—even though time is running out... C.J. Box has once again written a bone-chilling thriller that will keep you guessing until the very last page.

**Saying Goodbye to LuLu** Harper Collins

Susan Spencer-Wendel's *Until I Say Good-Bye: My Year of Living with Joy* is a moving and inspirational memoir by a woman who makes the most of her final days after discovering she has amyotrophic lateral sclerosis (ALS). After Spencer-Wendel, a celebrated journalist at the Palm Beach Post, learns of her diagnosis of ALS, more commonly known as Lou Gehrig's disease, she embarks on several adventures, traveling to several countries and sharing special experiences with loved ones. One trip takes Spencer-Wendel and her fourteen-year-old daughter, Marina, to New York City's Kleinfeld's Bridal to shop for Marina's future wedding dress—an occasion that Susan knows she will never see.

Co-written with Bret Witter, *Until I Say Good-Bye* is Spencer-Wendel's account of living a full life with humor, courage, and love, but also accepting death with grace and dignity. It's a celebration of life, a look into the face of death, and the effort we must make to show the people that we love and care about how very much they mean to us.

### PREPARING FOR THE TRANSITION OF YOUR BELOVED PET

Lion Children's

Matthews serves as a vessel of hope for those who wish to communicate with their loved ones in spirit. He takes the reader on a roller coaster of emotional stories, and also teaches step-by-step methods for recognizing communications from beyond. *How to Say Goodbye to Someone You Love* Word Alive Press  
Benny and Penny return for the final installment of this beloved series.

**Say Goodbye to Survival Mode** Little, Brown Books for Young Readers

According to many studies, the average church attending young person is more likely to leave, than to remain. *Before They Say Goodbye* is a proactive project to help parents, leaders, and pastors prepare this generation to deal with many of the challenges of faith they are facing. David Sawler discusses many of the reasons why so many have said they are leaving, or have left. However, this book is not intended to just state obvious problems. Instead this is a book of stories, advice, and ideas on how to reach, protect, prepare, and keep this generation. This is the book every pastor, leader, and family member should read to help prepare their youth, and those they work with, to remain strong in their faith.

*Say Goodbye* Simon and Schuster

Suicide would appear to be the last taboo. Even incest is now discussed freely in popular media, but the suicide of a loved one is still an act most people are unable to talk about--or even admit to their closest family or friends. This is just one of the many painful and paralyzing truths author Carla Fine discovered when her husband, a successful young physician, took his own life in December 1989. And being unable to speak openly and honestly about the cause of her pain made it all the more difficult for her to survive. With *No Time to Say Goodbye*, she brings suicide survival

from the darkness into light, speaking frankly about the overwhelming feelings of confusion, guilt, shame, anger, and loneliness that are shared by all survivors. Fine draws on her own experience and on conversations with many other survivors--as well as on the knowledge of counselors and mental health professionals. She offers a strong helping hand and invaluable guidance to the vast numbers of family and friends who are left behind by the more than thirty thousand people who commit suicide each year, struggling to make sense of an act that seems to them senseless, and to pick up the pieces of their own shattered lives. And, perhaps most important, for the first time in any book, she allows survivors to see that they are not alone in their feelings of grief and despair.

*Say Goodbye to Sam* Main Street Books

Grieving the loss of Grandmother Bear, a sad Little Bear asks his woodland friends about what saying goodbye means to them and finds comfort in their gentle reassurance. By the author of *Little Grey* and *the Great Mystery*.

*Sprite Helps Say Goodbye* Penguin

From bestselling author Natalie Standiford, an amazing, touching story of two friends navigating the dark waters of their senior year. New to town, Beatrice is expecting her new best friend to be one of the girls she meets on the first day. But instead, the alphabet conspires to seat her next to Jonah, aka Ghost Boy, a quiet loner who hasn't made a new friend since third grade. Something about him, though, gets to Bea, and soon they form an unexpected friendship. It's not romance, exactly - but it's definitely love. Still, Bea can't quite dispel Jonah's gloom and doom - and as she finds out his family history, she understands why. Can Bea help Jonah? Or is he destined to vanish?
