Barefootin' Chronicle Books

This popular guide to expanding consciousness includes practical meditation and visualization techniques and breathing exercises for creating inner peace. Shows how to overcome unhealthy patterns from the past, deal with job and relationship changes, and accept the challenge of creating a personal role in transforming the world. National TV programs.

*Across That Bridge* Simon and Schuster

The host of CBS's The Late Late Show "takes us on a wild ride in his scintillating debut, a combination caper/morality tale with [a] barbed comic energy" (Kirkus Reviews, starred review). Two childhood friends from Scotland and two illegitimate half-brothers from the American South suffer and enjoy all manner of bizarre experiences which, as it turns out, are somehow interconnected and, surprisingly enough, meaningful. An eclectic cast of characters includes Carl Jung, Fatty Arbuckle, Virgil, Marat, Socrates, and Tony Randall. Love, greed, hope, revenge, organized religion, and Hollywood are alternately tickled and throttled as Craig Ferguson's madcap plot unfolds. Impossible to summarize and impossible to stop reading, this is a romantic comic odyssey that actually delivers—and rewards.

*Under the Bridge* Hyperion Books

The best-selling author of Nixonland presents a portrait of the United States during the turbulent political and economic upheavals of the 1970s, covering events ranging from the Arab oil embargo and the era of Patty Hearst to the collapse of the South Vietnamese government and the rise of Ronald Reagan.

*¡Vamos! Let's Cross the Bridge* Basic Books

From celebrated Congressman John Lewis comes an eyewitness account of history from a key member of the Civil Rights Movement and confidant to Martin Luther King Jr. In turbulent times

Americans look to the Civil Rights Movement as the apotheosis of political expression. As we confront a startling rise in racism and hate speech and remain a culture scarred by social inequality, there's no better time to revisit the lessons of the '60s and no better leader to learn from than the late Representative John Lewis. In the final book published before his passing, *Across That Bridge*, Congressman John Lewis draws from his experience as a prominent leader of the Civil Rights Movement to offer timeless wisdom, poignant recollections, and powerful principles for anyone interested in challenging injustices and inspiring real change toward a freer, more peaceful society. The Civil Rights Movement gave rise to the protest culture we know today, and the experiences of leaders like Congressman Lewis, a close confidant to Martin Luther King, Jr., have never been more relevant. Despite more than forty arrests, physical attacks, and serious injuries, John Lewis remained a devoted advocate of the discipline and philosophy of nonviolence. Now, in an era in which the protest culture he helped forge has resurfaced as a force for change, Lewis' insights have never been more relevant. In this heartfelt book, Lewis explores the contributions that each generation must make to achieve change. Now featuring an updated introduction from the author addressing the Trump administration, *Across that Bridge* offers a strong and moral voice to guide our nation through an era of great uncertainty. Winner of the NAACP Image Award for Outstanding Literary Work/Biography.

**Building the Bridge As You Walk On It** Vintage

Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

**March: Book One** Bill Cummings

Born at the height of the Heian period, the pseudonymous Lady Sarashina reveals much about the Japanese literary tradition in this haunting self-portrait. Born in 1008, Lady Sarashina was a lady-in-waiting of Heian-period Japan. Her work stands out for its descriptions of her travels and pilgrimages and is unique in the literature of the period, as well as one of the first in the genre of travel writing. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

### THE BRIDGE OVER CEDAR CREEK

Across That Bridge

The intriguing theory of a land bridge periodically linking Siberia and Alaska during the coldest pulsations of the Ice Ages had been much debated since Jose de Acosta, a Spanish missionary working in Mexico and Peru, first proposed the idea of a connection between the continents in 1589. But proof of the land bridge - now named Beringia after eighteenth-century Danish explorer Vitus Bering - eluded scientists until an inquiring geologist named Dave Hopkins emerged from rural New England and set himself to the task of solving the mystery. Through the life story of Hopkins, *The Last Giant of Beringia* reveals the fascinating science detective story that at last confirmed the existence of the land bridge that served as the intercontinental migration route for such massive Ice Age beasts as woolly mammoths, steppe bison, giant stag-moose, dire wolves, short-faced bears, and saber-toothed cats - and for the first humans to enter the New World from Asia. After proving unambiguously that the land bridge existed, Hopkins went on to show that the Beringian landscape cannot have been the "polar desert" that many had claimed, but provided forage enough to sustain a diverse menagerie of Ice Age behemoths.

## ACROSS THAT BRIDGE

Univ. of Queensland Press

"An Occurrence at Owl Creek Bridge" (1890) is a short story by the American writer and Civil War veteran Ambrose Bierce. Described as "one of the most famous and frequently anthologized stories in American literature", it was originally published by The San Francisco Examiner on July 13, 1890, and was first collected in Bierce's book *Tales of Soldiers and Civilians* (1891). The story, which is set during the American Civil War, is known for its irregular time sequence and twist ending. Bierce's abandonment of strict linear narration in favor of the internal mind of the protagonist is an early example of the stream of consciousness narrative mode. Peyton Farquhar, a civilian and plantation owner, is being prepared for execution by hanging from an Alabama railroad bridge during the American Civil War. Six military men and a company of infantrymen are present, guarding the bridge and carrying out the sentence. Farquhar thinks of his wife and children and is then distracted by a noise that, to him, sounds like an unbearably loud clanging; it is actually the ticking of his watch. He considers the possibility of jumping off the bridge and swimming to safety if he can free his tied hands, but the soldiers drop him from the bridge before he can act on the idea. Famous works of the author Ambrose Bierce: "A Psychological Shipwreck", "Killed at Resaca", "An Inhabitant of Carcosa", "One of the Missing", "A Tough Tussle", "An Unfinished Race", "One of Twins", "A Horseman in the Sky", "The Spook House", "The Middle Toe of the Right Foot", "The Man and the Snake", "An Occurrence at Owl Creek Bridge", "The Realm of the Unreal", "The Boarded Window", "The Secret of Macarger's Gulch", "The Death of Halpin Frayser", "The Damned Thing", "The Eyes of the Panther", "Moxon's Master", "The Moonlit Road", "Beyond the Wall".

*This Bridge Will Not Be Gray* Strelbytskyy Multimedia Publishing

A "witty [and] compelling" true story for kids about San Francisco's Golden Gate Bridge—and why it's orange—by the New York Times–bestselling author! (Fast Company). In this delightfully original nonfiction book, National Book Award and Pulitzer Prize finalist Dave Eggers tackles one of the most famous architectural monuments in the world: the Golden Gate Bridge—and all the arguments and debates about building it and what it should look like. Cut-paper illustrations by Tucker Nichols enliven the tale, and this revised edition also includes real-life letters from local constituents making the case for keeping the bridge orange. With sly humor and lots of fascinating historical facts, this is an accessible, enjoyable read for kids (or adults), transporting readers to the glorious Golden Gate no matter where they live. "Eggers's featherlight humor provides laughs throughout." —Publishers Weekly (starred review). "A love letter to infrastructure." —The New York Times "A story compelling enough to keep adults interested as they read it (and re-read it and re-read it) each night at bedtime." —Fast Company

*Rules for a Knight* Knopf

The 40th anniversary edition of the classic Newbery Medal-winning title by beloved author Katherine Paterson, with brand-new bonus materials including an author's note by Katherine herself and a foreword by New York Times bestselling author Kate DiCamillo. Jess Aarons has been practicing all summer so he can be the fastest runner in the fifth grade. And he almost is, until the new girl in school, Leslie Burke, outpaces him. The two become fast friends and spend most days in the woods behind Leslie's house, where they invent an enchanted land called Terabithia. One morning, Leslie goes to Terabithia without Jess and a tragedy occurs. It will take the love of his family and the strength that Leslie has given him for Jess to be able to deal with his grief. *Bridge to Terabithia* was also named an ALA Notable Children's Book and has become a touchstone of children's literature, as have many of Katherine Paterson's other novels, including *The Great Gilly Hopkins* and *Jacob Have I Loved*.

**Across That Bridge** HJ Kramer

The author of *Jonathan Livingston Seagull* records a unique love affair.

**Carry On** Simon and Schuster

The Little Prince and *Le Petit Prince* (French: and *Le Petit Prince*) is a and novella and by French aristocrat, writer, and aviator and Antoine de Saint-Exupéry. It was first published in English and French in the US by Reynal and Hitchcock and in April 1943, and posthumously in France following the liberation of France as Saint-Exupéry's works had been banned by the Vichy Regime. The story follows a young prince who visits various planets in space, including Earth, and addresses themes of loneliness, friendship, love, and loss. Despite its style as a children's book, *The Little Prince* makes observations about life, adults and human nature. The Little Prince became Saint-Exupéry's most

successful work, selling an estimated 140 million copies worldwide, which makes it one of the and best-selling and most translated books ever published. It has been translated into 301 languages and dialects. *The Little Prince* has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film, television, ballet, and opera.

**Bridge to Terabithia** Penguin

One man's extraordinary journey through the twentieth century and how he learned to read at age 98 "Things will be all right. People need to hear that. Life is good, just as it is. There isn't anything I would change about my life."—George Dawson In this remarkable book, George Dawson, a slave's grandson who learned to read at age 98 and lived to the age of 103, reflects on his life and shares valuable lessons in living, as well as a fresh, firsthand view of America during the entire sweep of the twentieth century. Richard Glaubman captures Dawson's irresistible voice and view of the world, offering insights into humanity, history, hardships, and happiness. From segregation and civil rights, to the wars and the presidents, to defining moments in history, George Dawson's description and assessment of the last century inspires readers with the message that has sustained him through it all: "Life is so good. I do believe it's getting better." WINNER OF THE CHRISTOPHER AWARD "A remarkable autobiography . . . the feel-good story of the year."—The Christian Science Monitor "A testament to the power of perseverance."—USA Today "Life Is So Good is about character, soul and spirit. . . . The pride in standing his ground is matched—maybe even exceeded—by the accomplishment of [George Dawson's] hard-won education."—The Washington Post "Eloquent . . . engrossing . . . an astonishing and unforgettable memoir."—Publishers Weekly Look for special features inside. Join the Circle for author chats and more.

Penguin

Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. *Book One* spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

*A Bridge Too Far* Pan Macmillan

#1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band—and meeting the man who would become her husband—her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will

resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

[To Engineer is Human](#) William Morrow

*Building the Bridge As You Walk On* It tells the personal stories of people who have embraced deep change and inspired author Robert Quinn to take his concept one step further and develop a new model of leadership—"the fundamental state of leadership." The exploration of this transformative state is at the very heart of the book. Quinn shows how anyone can enter the fundamental state of leadership by engaging in the eight practices that center on the theme of ever-increasing integrity—reflective action, authentic engagement, appreciative inquiry, grounded vision, adaptive confidence, detached interdependence, responsible freedom, and tough love. After each chapter, Quinn challenges you to assess yourself with respect to each practice and to formulate a strategy for personal growth.

*The Little Prince* Legacy Lit

#1 NEW YORK TIMES BESTSELLER • An intimate and revealing portrait of civil rights icon and longtime U.S. congressman John Lewis, linking his life to the painful quest for justice in America from the 1950s to the present—from the Pulitzer Prize-winning author of *The Soul of America* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND COSMOPOLITAN John Lewis, who at age twenty-five marched in Selma, Alabama, and was beaten on the Edmund Pettus Bridge, was a visionary and a man of faith. Drawing on decades of wide-ranging interviews with Lewis, Jon Meacham writes of how this great-grandson of a slave and son of an Alabama tenant farmer was inspired by the Bible and his teachers in nonviolence, Reverend James Lawson and Martin Luther King, Jr., to put his life on the line in the service of what Abraham Lincoln called "the better angels of our nature." From an early age, Lewis learned that nonviolence was not only a tactic but a philosophy, a biblical imperative, and a transforming reality. At the age of four, Lewis, ambitious to become a minister, practiced by preaching to his family's chickens. When his mother cooked one of the chickens, the boy refused to eat it—his first act, he wryly recalled, of nonviolent protest. Integral to Lewis's commitment to bettering the nation was his faith in humanity and in God—and an unshakable belief in the power of hope. Meacham calls Lewis "as important to the founding of a modern and multiethnic twentieth- and twenty-first-century America as Thomas Jefferson and James Madison and Samuel Adams were to the initial creation of the Republic itself in the eighteenth century." A believer in the injunction that one should love one's neighbor as oneself, Lewis was arguably a saint in our time, risking limb and life to bear witness for the powerless in the face of the powerful. In many ways he brought a still-evolving nation closer to realizing its ideals, and his story offers inspiration and illumination for Americans today who are working for social and political change.

*Across the Bridge* HarperCollins

Wartime intrigue spans the lives of three women—past and present—in this emotional novel from the acclaimed author of *The Last Year of the War*. February, 1946. World War Two is over, but the recovery from the most intimate of its horrors has only just begun for Annaliese Lange, a German ballerina desperate to escape her past, and Simone Deveraux, the wronged daughter of a French Résistance spy. Now the two women are joining hundreds of other European war brides aboard the renowned RMS Queen Mary to cross the Atlantic and be reunited with their American husbands. Their new lives in the United States brightly beckon until their tightly-held secrets are laid bare in their shared stateroom. When the voyage ends at New York Harbor, only one of them will disembark... Present day. Facing a crossroads in her own life, Brette Caslake visits the famously haunted Queen Mary at the request of an old friend. What she finds will set her on a course to solve a seventy-year-old tragedy that will draw her into the heartaches and triumphs of the courageous war brides—and will ultimately lead her to reconsider what she has to sacrifice to achieve her own deepest longings. CONVERSATION GUIDE INCLUDED

[Life Is So Good](#) John Wiley & Sons

An unforgettable fable about a father's journey and a timeless guide to life's many questions—from Ethan Hawke, four-time Academy Award nominee, twice for writing and twice for acting. A knight, fearing he may not return from battle, writes a letter to his children in an attempt to leave a record of all he knows. In a series of ruminations on solitude, humility, forgiveness, honesty, courage, grace, pride, and patience, he draws on the ancient teachings of Eastern and Western philosophy, and on the great spiritual and political writings of our time. His intent: to give his children a compass for a journey they will have to make alone, a short guide to what gives life meaning and beauty.

**LESSONS**

Vintage

The classic account of one of the most dramatic battles of World War II. A Bridge Too Far is Cornelius Ryan's masterly chronicle of the Battle of Arnhem, which marshalled the greatest

armada of troop-carrying aircraft ever assembled and cost the Allies nearly twice as many casualties as D-Day. In this compelling work of history, Ryan narrates the Allied effort to end the war in Europe in 1944 by dropping the combined airborne forces of the American and British armies behind German lines to capture the crucial bridge across the Rhine at Arnhem. Focusing on

a vast cast of characters—from Dutch civilians to British and American strategists to common soldiers and commanders—Ryan brings to life one of the most daring and ill-fated operations of the war. A Bridge Too Far superbly recreates the terror and suspense, the heroism and tragedy of this epic operation, which ended in bitter defeat for the Allies.
