*Police Oral Board Tactics
Manual* John Wiley & Sons

Named one of the best nonfiction books of the year by The Washington Post “Tangled Up in Blue is a wonderfully insightful book that provides a lens to critically analyze urban policing and a road map for how our most dispossessed citizens may better relate to those

sworn to protect and serve.” —The Washington Post “Remarkable . . . Brooks has produced an engaging page-turner that also outlines many broadly applicable lessons and sensible policy reforms.” —Foreign Affairs Journalist and law professor Rosa Brooks

goes beyond the "blue wall of silence" in this radical inside examination of American policing. In her forties, with two children, a spouse, a dog, a mortgage, and a full-time job as a tenured law professor at Georgetown University, Rosa Brooks decided to become a cop. A liberal academic and journalist with an enduring interest in law's troubled relationship with violence, Brooks wanted the kind of insider experience that would help her understand how police officers make sense

of their world—and whether that world can be changed. In 2015, against the advice of everyone she knew, she applied to become a sworn, armed reserve police officer with the Washington, DC, Metropolitan Police Department. Then as now, police violence was constantly in the news. The Black Lives Matter movement was gaining momentum, protests wracked America's cities, and each day brought more stories of cruel, corrupt cops, police violence, and the racial

disparities that mar our criminal justice system. Lines were being drawn, and people were taking sides. But as Brooks made her way through the police academy and began work as a patrol officer in the poorest, most crime-ridden neighborhoods of the nation's capital, she found a reality far more complex than the headlines suggested. In *Tangled Up in Blue*, Brooks recounts her experiences inside the usually closed world of policing. From street shootings and domestic

violence calls to the behind-the-scenes police work during Donald Trump's 2016 presidential inauguration, Brooks presents a revelatory account of what it's like inside the "blue wall of silence." She issues an urgent call for new laws and institutions, and argues that in a nation increasingly divided by race, class, ethnicity, geography, and ideology, a truly transformative approach to policing requires us to move beyond sound bites, slogans, and stereotypes.

An explosive and groundbreaking investigation, *Tangled Up in Blue* complicates matters rather than simplifies them, and gives pause both to those who think police can do no wrong—and those who think they can do no right. *How to Pass the Police Officer Interviews* PublicAffairs Your ticket to a higher score on the police officer exam Police exams are becoming increasingly difficult to pass, as law enforcement agencies are looking for the most

capable officers from the candidate application pool. To help select the most qualified candidate, more than half of the departments and agencies throughout the country are following the current trend of using the National Police Officer Selection Test (POST also referred to as NPOST). *Police Officer Exam For Dummies* features three POST exams based on the official test, plus one New York City (NYC) exam. If you're a prospective police officer who needs to take the written exam,

Police Officer Exam For Dummies gives you all the essential test preparation you need to succeed. Packed with study advice and test-taking tips, you'll get targeted instruction on everything you can expect on the actual exam. Targeted review in judgment, map reading, memory observation, and recall skills Coverage of all key subject areas 4 full-length practice officer exams with answers and detailed explanations Whether you're taking the local, county, state, or federal agency exam, this

guide contains everything you need to score your highest on the exam and realize your dream of becoming a police officer.

NORMAN HALL'S POLICE EXAM PREPARATION BOOK

CreateSpace Police Oral Board Interview is the ultimate guide for securing a top score on the law enforcement hiring list. This book was written for 2015 and beyond and guarantees to be the most up to date resource of its kind! Unlike other oral

board books that contain only a dozen or two sample questions, Police Oral Board Interview has over 100 of the most commonly asked police oral board interview questions and the very best answers to each question. Not only does Police Oral Board Interview give you great answers, it also gives you the rationale and reasoning for each answer so that you can easily formulate great answers to any question thrown at you. Besides offering over 100 oral board questions

and answers, this comprehensive guide is filled with tips, tricks and secrets that are guaranteed to win over your oral board and make you the obvious choice for any law enforcement position you apply for. Effects on Crime and Communities Charles C Thomas Publisher

Steve Osborne has seen a
thing or two in his twenty
years in the New York
Police Department (NYPD)
-- some harmless things,
some definitely not. In
"Stakeout," Steve and his

partner mistake a
Manhattan dentist for an
armed robbery suspect
and reduce the man down
to a puddle of snot and
tears when questioning
him. In "Mug Shot," the
mother of a suspected
criminal makes a strange
request and provides a
sobering reminder of the
humanity at stake in his
profession. And in
"Home," the image of his
family provides the
adrenaline he needs to
fight for his life when
assaulted by two armed
and violent crackheads.
From his days as a rookie

cop to the time spent
patrolling in the Anti-
Crime Unit -- and his
visceral, harrowing
recollections of working
during 9/11 -- Steve
Osborne's stories capture
both the absurdity of
police work and the
bravery of those who do
it. His stories will speak to
those nostalgic for the
New York City of the
1980s and '90s, a bygone
era of when the city was a
crazier, more dangerous
(and possibly more
interesting) place.

Peterson's

The best-selling bible of the movement to defund the police in an updated edition The massive uprising that followed the police killing of George Floyd in the summer of 2020— by some estimates the largest protests in US history—thrust the argument to defund the police to the forefront of international politics. That case had been put persuasively a few years earlier in *The End of*

Policing by Alex Vitale, now a leading figure in the urgent public discussion over policing and racial justice. The central problem, Vitale demonstrates, is the dramatic expansion of the police role over the last forty years. Drawing on firsthand research from across the globe, he shows how the implementation of alternatives to policing—such as drug legalization, regulation, and harm reduction instead of the policing of drugs—has led to

reductions in crime, spending, and injustice. This updated edition includes a new introduction that takes stock of the renewed movement to challenge police impunity and shows how we move forward, evaluating protest, policy, and the political situation. *A handbook for prospective police officers, special constables and police community support officers* How2become Every police force in England and Wales uses the same national

application form and assessment centre. This book tells you not just about the process, but what you need to do to impress the assessors. Now in a revised new edition to reflect the recent changes in the six core skills by which all police applicants are assessed, it provides:

How2Become Ltd
Two courageous
journalists chart how the

KGB rose from the Soviet ashes and recreated itself as the FSB at the prompting and with the assistance of Vladimir Putin In The New Nobility, two courageous Russian investigative journalists open up the closed and murky world of the Russian Federal Security Service. While Vladimir Putin has been president and prime minister of Russia, the Kremlin has deployed the security services to intimidate the political opposition, reassert the power of the state, and carry out

assassinations overseas. At the same time, its agents and spies were put beyond public accountability and blessed with the prestige, benefits, and legitimacy lost since the Soviet collapse. The security services have played a central- and often mysterious-role at key turning points in Russia during these tumultuous years: from the Moscow apartment house bombings and theater siege, to the war in Chechnya and the Beslan massacre. The security

services are not all-powerful; they have made clumsy and sometimes catastrophic blunders. But what is clear is that after the chaotic 1990s, when they were sidelined, they have made a remarkable return to power, abetted by their most famous alumnus, Putin.

CHASING THE SCREAM

Simon and Schuster
Proactive policing, as a

strategic approach used by police agencies to prevent crime, is a relatively new phenomenon in the United States. It developed from a crisis in confidence in policing that began to emerge in the 1960s because of social unrest, rising crime rates, and growing skepticism regarding the effectiveness of standard approaches to policing. In response, beginning in the 1980s and 1990s, innovative police practices and policies that took a more proactive

approach began to develop. This report uses the term "proactive policing" to refer to all policing strategies that have as one of their goals the prevention or reduction of crime and disorder and that are not reactive in terms of focusing primarily on uncovering ongoing crime or on investigating or responding to crimes once they have occurred. Proactive policing is distinguished from the everyday decisions of police officers to be proactive in specific

situations and instead refers to a strategic decision by police agencies to use proactive police responses in a programmatic way to reduce crime. Today, proactive policing strategies are used widely in the United States. They are not isolated programs used by a select group of agencies but rather a set of ideas that have spread across the landscape of policing. Proactive Policing reviews the evidence and discusses the data and methodological gaps on:

(1) the effects of different forms of proactive policing on crime; (2) whether they are applied in a discriminatory manner; (3) whether they are being used in a legal fashion; and (4) community reaction. This report offers a comprehensive evaluation of proactive policing that includes not only its crime prevention impacts but also its broader implications for justice and U.S. communities.

The Ultimate Guide to a Successful Oral Board Interview

From the creator of the
popular website Ask a
Manager and New York's

work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough

discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party
Praise for *Ask a Manager*

“A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives.

Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even

better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole

Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together
