research on political leaders, but this term is now used in organizational psychology as well. According to Burns, transforming leadership is a process in which "leaders and followers help each other to advance to a higher level of transformational leadership - Langston University Burns continues to study the art of leadership in this new examination of what he calls transitional

leadership. Taking into account Jefferson's famous words, Burns states that the most successful leaders are those who are conscious of the pursuit of happiness. Transforming Leadership: The Pursuit of Happiness: Burns ... Burns describes transforming leadership this way: Such leadership occurs when one or more persons engage with others in such a way that leaders and followers raise one another to

higher levels of motivation and morality. Their purposes, which might have started out as separate but related, as in the case of transactional leadership, become fused. The Themes and Theory of Leadership Transformational Leadership is a style first described by American historian and political scientist James MacGregor Burns in his 1978 book Leadership and expanded

on during the 1980s by fellow scholar Bernard M. Bass. Burns had studied various political leaders, including both Franklin D. Roosevelt and John F. Kennedy, and it is during this period he developed his leadership theories, including Transformational and Transactional Leadership. Transformational Leadership - How To - BusinessBalls.com Transformational and Transactional Leadership

James MacGregor Burns, who studied political leaders like Roosevelt and Kennedy, first described these two distinct styles of leadership in his 1978 book, *Leadership*. He used the word 'transforming' rather than 'transformational'. Both terms are used here, and they mean the same. Transformational and Transactional Leadership ...His work has influenced other transformation

al leadership theorists such as Bernard Bass, Bruce Avolio, and Kenneth Leithwood [citation needed], and inspired Georgia Jones Sorenson to found the Center for Political Leadership and Participation at the University of Maryland, which Burns joined in 1993, causing the center to be renamed in his honor in 1997 as the James MacGregor Burns Academy of

Theory

James Macgregor Burns began to define the distinct nature of leadership as a separate behaviour and activity to that of management. He moved us away from talking about leaders to talking about leadership. That shift alone made people view the topic in more philosophical ways rather than the more typical mechanistic or reductionist approach.
