201 Spanish Phrases You Need to Know

Flashcards Barron's
Educational Series,
Incorporated

This concise summary
of Spanish grammar
serves language
students as a handy
textbook supplement
for classroom use. It's
also a helpful quick-
reference source for
translators whose first
language is English.

Topics covered include
parts of speech,
sentence structure,
punctuation, idioms,
and pronunciation
advice. It also features
definitions of basic
grammatical terms
with examples in
Spanish and English.
Small in size but

packed with helpful
instruction, this edition
is printed with
headings and key
phrases in a second
color for easy
reference.

4,000 Idiomatic
Expressions Barrons
Educational Series
Idiomatic expressions
are the 'salt and
pepper' of any
language. They give
Spanish its colour and
imagery, its richness
and variety. From set
phrases and idioms to
metaphorical
expressions and
proverbs, these
essential components
allow users to add
humour and spice to
their language, vividly
embodying Hispanic
culture while
naturalizing their
communication style to
more closely resemble
that of native
speakers. Key features:

Includes a selection of the most widely used idioms from Spain and Latin America; Idioms are classified into specific and easy-to-reference categories; Creative activities, exercises, mnemonic devices and learning strategies facilitate the acquisition and mastery of idiomatic language; Connections between the Spanish language and Hispanic culture are explained and illustrated; Reference tables at the end of each section highlight similarities between English and Spanish usage of idiomatic language; Original samples, as well as fragments from various Spanish-speaking countries and well-known literary works, are included to help expose students to the use of idioms in

journalistic and literary writing. Practical, informative and highly entertaining, this is the ideal text for all intermediate and advanced learners of Spanish.

SPANISH-ENGLISH POCKET DICTIONARY

Barrons Educational Series

This Spanish vocabulary-building book presents more than 13,000 entries. It also includes an enclosed audio MP3, which coaches language students in correct pronunciation of Spanish and contains approximately 10 hours of audio, which covers virtually all of the book. All vocabulary in this book is categorized under different themes. Each theme groups together many different words

relating to similar topics, which helps students of Spanish and travelers to Spanish-speaking countries conveniently find words that are related by subject. Among each book's 24 separate subject themes are: business terms, medical terms, household terms, scientific words and phrases, units of measurement, clothing, food and dining, transportation, art and culture, and others.

The Big Red Book of Spanish Idioms Barrons Educational Series Incorporated

A supplementary textbook outlining the fundamentals of the Spanish language and providing help for common obstacles such as complex sentence structure,

vocabulary, and telephone conversations.

501 Spanish Verbs Barron's Educational Series

More than 2,000 commonly used Spanish idioms illustrated in simple sentences with English translations.

Barron's Spanish Language Study Cards

Barrons Educational Series Spanish language students interested in checking their proficiency level or preparing for tests will value these flash cards, which are designed to question them on rules of Spanish usage. The cards cover parts of speech, rules of punctuation, specialized vocabulary, idiomatic expressions, and much more. Most

cards provide a grammatical rule or explanation, then test readers by asking them to solve related exercises. Finally, the student should be able to provide answers to each flash card's question. The answers are printed on the reverse side. Using the cards in this way, language students get comprehensive coverage of virtually every aspect of written and spoken Spanish. *Spanish At a Glance* Simon and Schuster Learn the basics of the Spanish language with this easy-to-use guide by one of America's most prominent language teachers. Anyone can read, write, and speak Spanish in only a few short weeks with this unique and proven

method, which completely eliminates rote memorization and boring drills. With original black and white illustration by Andy Warhol, Madrigal's Magic Key to Spanish will provide readers with a solid foundation upon which to build their language skills.

SPANISH EVERY DAY

Spanish Idioms Presents abbreviations, irregular verbs, a table of weights and measures in addition to defining common Spanish and English idioms.

Spanish for Gringos Level Two McGraw Hill Professional

This book is designed to help doctors, nurses, and medical assistants communicate in Spanish with Latino

patients and their families who have little or no command of English. Fully updated text includes the addition of vocabulary for informing families about patients' medical care or death; instructing patients on how to navigate online forms; a sample disclosure and consent form in both Spanish and English; and a new section on working with medical interpreters. Every Spanish word in the book is followed by its phonetic pronunciation. The book also provides easy-to-follow tips on understanding colloquial spoken Spanish. Author William Harvey concentrates on words and phrases likely to be used in a medical setting. True-to-life

dialogues dramatize situations pertaining to pregnancy, broken bones, pediatric care, heart and lung diseases, pharmacy prescriptions, and much more.

EASY SPANISH PHRASE BOOK NEW EDITION

Simon and Schuster Spanish words, phrases, and instructive exercises are presented to help English-speaking attorneys and paralegals communicate effectively with Hispanic clients who have little or no English. Every Spanish word and expression in the book is followed by its phonetic pronunciation and easy-to-follow tips to help its readers understand colloquial

spoken Spanish. Author William Harvey concentrates on words and phrases likely to be used in law offices, courtrooms and similar settings, and which pertain to contracts, wills, real estate transactions, law suits, legal rights issues, misdemeanors, and felonies. Presented in these pages and on the enclosed audio CDs are true-to-life dialogues that dramatize typical encounters. This book's approach to teaching practical Spanish bypasses grammar rules and concentrates on practical conversational situations. Vocabulary and sentences presented on the compact discs relate to the book's text and provide practice in listening comprehension.

Spanish Vocabulary Learning in Meaning-Oriented Instruction Routledge

A unique approach to Spanish reading comprehension, Spanish for Reading can be used as a

textbook supplement in classrooms or by anybody who is teaching himself Spanish. It begins by demonstrating similarities between words and parts of words in Spanish and English, and proceeds to offer practical instruction that will help readers broaden recognition of words and phrases. Each of the book's fifteen chapters concludes with a reading passage, the first of them quite easy to comprehend, and successive passages increasingly complex and sophisticated. Early passages are simple essays on Spain's and the Spanish-speaking world's language, geography, and culture. Later passages are excerpts from well-

known works by world renowned Spanish writers, including Jorge Luis Borges, Pablo Neruda, and Gabriel Garcia-Marquez. Students who use this volume methodically will ultimately be reading and understanding these passages in their original, unedited Spanish, without need to seek outside help. Short of spending time in Spain or Latin America, here is as good an introduction to Spanish culture as a student will be able to find anywhere. Photos and line drawings.
