When The Rogue Returns

Simon Pulse

"Kau berusaha melakukan hal yang benar, Lady. Bukan salahmu bila semua berjalan keliru." Pasukan Mort telah

mundur tanpa melakukan pembantaian dan penjarahan, tapi bukan berarti Tearling terbebas dari ancaman. Tanpa keberadaan Ratu Kelsea, pihak Gereja Arvath semakin berani dan semena-mena, hingga mengancam untuk mengambil alih

pemerintahan. Sementara itu, iblis gelap yang selama ini terpenjara di Pegunungan Fairwitch di utara, telah bebas dan mulai meneror rakyat. Di dalam penjara, meskipun tidak lagi memegang kedua safir Tearling, Kelsea masih mendapat visi-visi dari masa lalu.

Dengan putus asa dia berusaha belajar dari kesalahan di masa lalu, untuk memperbaiki masa depan. Apakah Tearling masih dapat diselamatkan dari kehancuran? The Fate of The Tearling adalah buku pamungkas trilogi The Queen of The Tearling, debut spektakuler dari Erika Johansen yang hak cipta filmnya telah dibeli oleh Warner Bros. Emma Watson, aktris yang terkenal dengan perannya sebagai Hermione di film Harry Potter, telah setuju untuk menjadi produser

dan pemeran utama film ini. [Mizan Fantasi, Fiction, Fantasi, Remaja, Terjemahan, Indonesia] Rogue Queen Mizan Fantasi
A princess fleeing an arranged marriage teams up with a snarky commoner to foil a rebel plot in B. R. Myers' *Rogue Princess*, a gender-swapped sci-fi YA retelling of Cinderella. Princess Delia knows her duty: She must choose a prince to marry in order to secure an alliance and save her failing planet. Yet she secretly dreams of true

love, and feels there must be a better way. Determined to chart her own course, she steals a spaceship to avoid the marriage, only to discover a handsome stowaway. All Aidan wanted was to “borrow” a few palace trinkets to help him get off the planet. Okay, so maybe escaping on a royal ship wasn't the smartest plan, but he never expected to be kidnapped by a runaway princess! Sparks fly as this headstrong princess and clever thief battle wits, but everything

changes when they inadvertently uncover a rebel conspiracy that could destroy their planet forever.

Rogue: Untouched Swoon Reads

(First Book in the Twisted Design Series) To look at beautiful, confident, eighteen-year-old warrior, Bellamy Carrington, one would never expect the dark tragedies that had formed her. The blood spilled, the lives lost, the pain and hopelessness that shaped her childhood. Orphaned at six, the young rogue born

alpha vowed vengeance on the men who took her parents from her. The men who stole happiness and love from her life. And she did. Training under the tutelage of vampires, witches, rogue wolves, and other shapeshifters, for six years; Bellamy became a deadly and formidable force in the supernatural world. But, no one is perfect. After killing the hunters, she was captured by a dark witch. Beaten, poisoned, collared in silver, and slated for sacrifice in one of the

witch's spells. Bellamy made one last push for life and escaped. She was hopelessly lost, in pain, weak, and broken in so many ways. Bellamy gave up. She decided her death would be on her own terms. Fate had other ideas. A young future pack Alpha found her, half-drowned, in a pond and saved her life. He didn't care that she was a rogue. Warrick of the Hunter's Moon Pack only cared about preserving the life of the little girl. Warrick helped her find the life she deserved. He

found her an adoptive family and became a true and compassionate friend to her. Valuing her strengths and supporting her completely. Bellamy found new purpose, new hope, and a new life. All she was missing was what she saw her friends and pack mates finding every day. Love, a mate, someone to be entirely hers. She never thought she'd find a male worth offering for, until she allowed herself to be taken captive by vampires. When she met the man who could

change everything. The other half of her broken heart.

Book Two in the adult fantasy romance

adventure series from award-winning, bestselling author Jeffe Kennedy. Follows the prequel novella, *The Long Night of the Crystalline Moon*, in the *Under a Winter Sky* romantic fantasy holiday anthology and Book One of *Heirs of Magic*, *The Golden Gryphon* and the *Bear Prince*. A *Lonely Road* Stella has always been one to count her blessings. Empath, sorceress, shapeshifter, and healer, she's grateful for the gifts the goddess of shadows has bestowed

upon her. Yes, she's sensitive to emotions and can't bear to be in large crowds for long. And yes, that means she'll never be able to take a lover, as she's unable to withstand physical contact with anyone but her twin brother. Certainly now that he's found his true love, she feels more alone than ever. None of it haunts her, however, more than the vision of the lonely tower where her life path ends. An Unrequited Love Jakral Konyngrr is a man of simple tastes: good

whiskey, some coin in his pocket, and a fine blade in his hand. Though he's no prince, not a shapeshifter, and not blessed with any magic, he's happy in his skin. And yet he seems doomed to live the life of a hero from a tragic ballad, because the only woman he's ever wanted barely knows he's alive. As much as Jak longs for Stella, he's resigned himself to being forever in the background. At least he can guard her back. A Quest to Stop a Monster But now Jak and Stella have been thrown

together—along with a mismatched group of shifters, warriors, and sorceress friends—chasing and attempting to avert magic rifts that release monsters into their world. Worse, the strange intelligence behind the bizarre and deadly attacks seems to have developed a fascination for Stella. Battling for their lives and the good of the realm, they must fight—and perhaps love—together to alter the course of the future before it's too late. The Lady Rogue Morgan

In the dueling world, Dave the Knave, self-proclaimed Greatest Swordsman That Has Ever Lived, hears about the growing fame of Sir James the Great Knight, seconded by the faithful Squire Paul. Dave

THE QUEEN'S ADVANTAGE

The Rogue Queen:book 2
Filled with political intrigue, violent magic, and malevolent spirits, the mesmerizing second book in Sarah Beth Durst's Queens of Renthia epic fantasy trilogy that started with the award-winning *The Queen of Blood*. Everything has a spirit: the willow tree with leaves that kiss the pond, the stream that feeds the river, the wind that exhales fresh snow . . .

And those spirits want to kill you. It's the first lesson that every Renthian learns. Not long ago, Daleina used her strength and skill to survive those spirits and assume the royal throne. Since then, the new queen has kept the peace and protected the humans of her land. But now for all her power, she is hiding a terrible secret: she is dying. And if she leaves the world before a new heir is ready, the spirits that inhabit her beloved realm will run wild, destroying her cities and

slaughtering her people. Naelin is one such person, and she couldn't be further removed from the Queen—and she wouldn't have it any other way. Her world is her two children, her husband, and the remote village tucked deep in the forest that is her home, and that's all she needs. But when Ven, the Queens champion, passes through the village, Naelin's ambitious husband proudly tells him of his wife's ability to control spirits—magic that Naelin fervently denies. She knows that if the

truth of her abilities is known, it will bring only death and separation from those she loves. But Ven has a single task: to find the best possible candidate to protect the people of Aratay. He did it once when he discovered Daleina, and he's certain he's done it again. Yet for all his appeals to duty, Naelin is a mother, and she knows her duty is to her children first and foremost. Only as the Queen's power begins to wane and the spirits become emboldened—even as

ominous rumors trickle down from the north—does she realize that the best way to keep her son and daughter safe is to risk everything. Sarah Beth Durst established a place of dark wonder in *The Queen of Blood*, and now the stakes are even higher as the threat to the Queen and her people grows both from within and beyond the borders of Aratay in this riveting second novel of the *Queens of Renthia* series. **A Rogue of My Own** Skyscape
