Book 3 in the hugely popular series, The Spiderwick Chronicles. Things at the Grace residence are getting completely out of hand. As if being attacked by vile, smelly goblins and almost eaten by a bridge troll wasn't enough, now the house boggart, Thimbletack, is out to get Jared. Simon has a

very hungry griffon recuperating in the carriage house, and Mallory is convinced that the only way to stop the madness is to get rid of Arthur Spiderwick's Guide. But with all kinds of creatures after them, the Guide is the only protection the Grace kids have... If only they could work out why the faeries are stalking them? Could it be the Guide that they want? There's only one person who might know the answer ~ their crazy old Aunt Lucinda.

The Spiderwick Chronicles leave the old-fashioned charm of New England far behind and head south for some fiendish faerie fun in the hot Florida sun. Eleven-year-old Nicholas Vargas only thinks his life has been turned upside down after his developer father remarries and moves his new wife and daughter into the soon-to-be completed Mangrove Hollow. But an "expedition" to a nearby lake turns up a little nixie with a giant problem - the huge, lumbering, fire-breathing variety - and it's up to Nick; his stepsister, Laurie; and his big brother, Julian (plus a familiar face from the original Spiderwick Chronicles) to figure out the best way to stop a host of rampaging giants before all of Florida goes up in smoke.

The Spider and the Fly Little, Brown Books for Young Readers

The Wrath of Mulgarath Golden Books

First a pack of vile, smelly goblins snatch Simon. Then a band of elves try to entrap Jared. Why is the entire faerie world so eager to get their hands on Spiderwick's Guide? And will the Grace kids be left alone, now that the Guide has mysteriously disappeared? Don't count on it. At school, someone is running around pretending to be Jared, and it's not Simon. To make matters even worse, now Mallory has disappeared and something foul in the water is killing off all the plants and animals for miles around. Clues point to the old abandoned quarry, just outside of town. Dwarves have taken over an abandoned mine there. And the faerie world's abuzz with the news that a creature with plans to rule the world has offered them a gift to join with him -- he's given them a queen...

My Little Golden Book about Kamala Harris Sourcebooks, Inc.

Talk about out of the frying pan, into the fire! I was pretty sure that my freaky stepsister and that freaky field guide of hers would ruin my life. But now it looks like they're going to ruin all of Florida, too! Okay, maybe that's not fair. Maybe all these stupid giants would be waking up anyway, but if it wasn't for her and that book, I'd be home playing video games and this would be someone else's giant problem!
