Scott Tennant, world-class classical guitarist and well-respected guitar educator, has brought together the most comprehensive technique handbook for the classical guitarist. It is presented here in both standard music notation and TAB. In addition to technical information not available elsewhere, he has compiled selections from Giuliani's 120 Right-Hand Studies; musical examples by Bach, Turina, Rodrigo and others; Tarrega arpeggio studies; and original compositions by Andrew

York and Brian Head. Essential information and a great sense of humor are effectively combined in this best-selling book.

(Guitar). Solo guitar arrangements of classical works are often so complex that they exceed the capabilities of most guitarists. Fabian Payr's Duets for Classical Guitar avoids this pitfall by sharing the original work between two guitars. In so doing, famous compositions from stylistically varied periods and for a range of original instrumentations are in some cases accessible to guitarists for the first time. The collection also includes well-known pieces from the demanding solo guitar repertoire that can be worked on by less advanced players thanks to this sharing approach.
