Without Rivalry. This wise, groundbreaking book gives parents the practical tools they need to cope with conflict, encourage cooperation, reduce competition, and make it possible for children to experience the joys of their special relationship. With humor and understanding—much gained from raising their own children—Fab er and Mazlish explain how and when to

intervene in fights, provide suggestions on how to help children channel their hostility into creative outlets, and demonstrate how to treat children unequally and still be fair. Updated to incorporate fresh thoughts after years of conducting workshops for parents and professionals, this edition also includes a new afterword.

I'M GOING TO BE A BIG SISTER!

HarperCollins Publishers

Big sisters are so STRANGE! STRANGE! Do you have a big sister? If so, what weird things does she do? Is she SUPERSUPER strange like mine? I bet she's NOWHERENO WHERE as strange as mine is! Atheneum/Anne Schwartz Books As far as little sister was concerned, there was nothing big sister couldn't do. One day, though, little sister wanted to be alone and she hid in the meadow.

Big sister couldn't find little sister so she began to cry--until little sister came to comfort her. Illustrated. Copyright © Libri GmbH. All rights reserved.

I AM A BIG BROTHER

Independently Published
The New York Times praised this best-selling picture book as "adorable, original, well-illustrated and fabulous." In this first book in the How-To Series (which includes How To Get Married and

How to Get a Job), the know-it-all big sister narrator tells it like it is: When you're a baby you don't read books. You eat them. You don't know how old you are, or even if you're a boy or a girl. And you have to keep a special plug in your mouth to stop your scream from coming out. But one day, you won't be little anymore, and then you'll be taller and smarter, and actually quite clever. Like the narrator. And you'll be

able to share memories of what it was like when you were little with your incredible Big Sister. The Sister Book McClelland & Stewart
The perfect picture book for children expecting a new sibling, from the beloved New York Times bestselling author of Dear Girl, I Wish You More, and Yes Day, Amy Krouse Rosenthal. The big news is this: Little Miss becomes a big sis! Little Miss learns

the wonders of becoming a big sister as she and her family celebrate the momentous arrival of a new baby. From Amy Krouse Rosenthal and Peter H. Reynolds, the creators of *Plant a Kiss*, comes a charming story about Little Miss, who is about to become a big sis. A perfect gift for any child becoming a big brother or sister and any expecting families! *Big Sister and Little Sister*

Palmetto Publishing Younger and elder siblings alike will delight in this portrait of a big sister from her baby sibling's perspective. The big sister likes to choose everyone's clothes for them, take her sibling to the zoo (made out of blocks and plastic animals) and even let baby talk on the phone (sometimes). Bright, shallow-depth photographs focus on the big sister and what she does

and give the impression that the reader is looking through the eyes of the baby. [Little Big Sister](#) Turtleback Books Here's a wonderful story about two sisters. The younger sister loves her big sister so much, that she's does everything just like her older sister. The older sister becomes a great role model, and in the eyes of younger sister she's her best

friend. Jesus Christ also wants to be our best friend.

You're The Biggest is a delightful book for a new sibling celebrating their role as the biggest following the arrival of a new baby. The story follows

two charming foxes, on a colourful journey, discovering the unique role of an older sibling. Beautifully illustrated in full colour this book is hard backed with cheerful end papers. With space for you to write a personal message in the front this book is a wonderful keepsake and makes the perfect gift for a child on the arrival of their new brother or sister. Our Welcome To The World book

complements this title and makes the perfect gift for the new baby. Ethically produced from sustainable sources. Made with love, from you to me.

BIG SISTER

Sourcebooks, Inc.
A Woman Through and Through In a culture that can belittle womanhood on the one hand—making it irrelevant—and glorify it on the other—making it everything—it's hard to know

what it really means to be a woman. But when we understand womanhood through the lens of Scripture, we see that we need a bigger category for what God has called “woman.” This book breathes fresh air into our womanhood, reminding us what life in Christ—as a woman—looks like. When we see that we are women in all we do, we can be at peace with how God has created us, recognizing

womanhood as an essential part of Christ’s mission and work.

It happens just like that, in the blink of an eye. An older sister has a mental breakdown and has to be hospitalized. A younger sister is left behind to cope with a family torn apart by grief and friends who turn their backs on her. But worst of all is the loss of her big sister, her confidante, her best friend, who has gone someplace no one can reach. In the tradition of *The Bell Jar*, I

Never Promised You a Rose Garden, and Lisa, Bright and Dark comes this haunting first book told in poems, and based on the true story of the author's life. 2000 Best Books for Young Adults (ALA) and 2000 Quick Picks for Young Adults (Recomm. Babies sure have a lot of growing up to

do! They can't eat with a fork, sleep in a real bed, poop on a potty, ride a trike, or read a book. On every sweet lift-the-flap spread, Karen Katz's illustrations celebrate the varied accomplishments of older siblings who may be in need of a little ego-stroking after a new baby's arrival! Each book ends on a warm, loving note with the older child reassuring the baby that "one day you'll be big like me."
