An Introduction to the Petit-Lenormand Jazzybee Verlag

Reading tea leaves is a traditional divinatory method passed on through generations. The Cup of Destiny reveals the secrets of this ancient method, allowing you to make predictions for yourself and your friends. This kit includes a beautiful, decorated cup and saucer for making readings, and an illustrated book explaining how to interpret the patterns you will find in your cup. The first part of the book describes the ritual of turning the cup counter-clockwise and draining the left-over tea into the saucer. It goes on to explain the meanings of over 200 of the signs and symbols you are likely to see in the leaves when making a reading. The explanations accompanying these allow you to relate them to real events and future possibilities, providing clear insights which can be startlingly accurate: a heart near the rim of the cup means that love is not far away, while a cake may signify a celebration or a party. So, have a cup of tea and see what the leaves have to say about your future!
