Alien Viruses Marlowe & Company UFOs remain essentially a military and intelligence problem - and one demanding unprecedented security and deception, with access to information on a strictly 'need to know' basis. As early as 1960 former CIA director Admiral Hillenkoetter confirmed that, 'Behind the scenes, high-ranking air force officers are soberly concerned about the UFOs. But through official secrecy and ridicule, many citizens

are led to believe the unknown flying objects are nonsense.' The same could be said today. Based on many years of research by one of the world's most respected authorities on alien phenomena, Need to Know draws on top-secret documents, reports of encounters with large craft of unknown origin from pilots and personnel aboard aircraft carriers and destroyers and interviews with high-ranking military insiders. It is full of revelations, including the alarming escalation of aircraft accidents and the disappearance of hundreds of military aircraft during UFO encounters and recent near-misses with UFOs. The evidence is clear, balanced - and irrefutable.

Archon Invasion Simon and Schuster It is time for the truth to be told... On July 2, 1947 something crashed in the desert outside of Roswell, New Mexico. An explosion of light and sound made the sheep wail, the chickens squawk, and the children scream. And then the ranchers heard a noise they thought could only have come from the devil himself. For forty years, Majestic Agency director Wilfred Stone helped the CIA pretend the landing never happened. Then his conscience got the better of him. This is the real story, told to reporter Nicholas A. Duke by the guilt-racked shell of the man who once worked tirelessly to cover it all up. It is a truth so terrifying that Whitley

Strieber had to call it fiction. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

[The Rise, Fall and Return of the Nephilim](#)
Cosimo, Inc.

This is one of the most important books ever written on the clandestine world of the UFO cover-up. Grant Cameron and Scott Crain do more than demonstrate the reality of an extraterrestrial presence on Earth. Through tenacious investigation and impeccable research, they shine a light into the CIA, NSA, Air Force, Navy, and other inside groups that have managed this secret for decades. Their conclusion is inescapable and shocking: this is a secret that the insiders themselves struggle to understand and contain. "Government agencies, at various times, perceive a need to release some UFO information to the public. Some, definitely not all. How do they do it? Always via avenues that leave no one at risk. That means ensuring there is no direct connection between the agency and whomever is doing the actual releasing. It also means the necessity of mixing in some false information. It means, ultimately, to tell the truth, but tell it with a slant. Until there is a full disclosure of the UFO/ET reality, deniability will remain paramount to those in possession of this great secret." - By the authors, from the book's Introduction.

The Thought and Behavior of Extraterrestrials Night Shade

Top Secret/Majic is the result of nuclear physicist and renowned UFO investigator Stanton T. Friedman's twenty-one year search for the truth about the mysterious Operation Majestic 12, President Truman's top-secret UFO investigation team. In this updated edition of his landmark book, he tells the incredible tale of the July, 1947 recovery of a crashed flying saucer near Roswell, New Mexico, and the establishment by President Truman of a truly all-star cast to deal with the saucer and its non-human inhabitants. The first four Directors of Central Intelligence, the first Secretary of Defense, and several outstanding scientists and military leaders were part of the team. Through painstaking research and startling evidence?including documents that have never before been published?Friedman effectively exposes the U.S. government's biggest-kept secret: a fifty-eight year UFO cover-up.

THE ROSWELL LEGACY

Red Wheel/Weiser

MAJIC EYES ONLY is the most authoritative and comprehensive chronicle ever published on the subject of worldwide UFO

crashes and subsequent military retrievals from 1897 to the present. The author guides the reader through 74 UFO crash incidents supported by compelling evidence in the form of official documents, eyewitnesses and in some cases physical evidence.

GENERALS, PILOTS, AND GOVERNMENT OFFICIALS GO ON THE RECORD

Ryan S. Wood

Enhanced with photos and illustrations, this account tells what intelligence officer Major Jesse Marcel witnessed at Roswell prior to and after the crash of the most controversial UFO in U.S. history, including the physical characteristics of the craft and the items found at the debris field.

Fact, Fiction, and Flying Saucers

Strategic Book Publishing & Rights Agency
In this classic and controversial fourth edition of "Flying Saucers: An Analysis of Air Force Project Blue Book," originally published by Gray Barker's Saucerian Press, Leon Davidson, a scientist on CIA contract at Los Alamos and acknowledged father of the "Disclosure" movement, examines the last Project Blue Book Report by the U.S. Air Force (No. 14), showing how the government lied, in order to cover up not only their own experimental craft, but also the possible existence of extraterrestrials. A must-have for both serious researchers and UFO buffs alike.

Who or what is an Archon? What is "The Genesis Six Experiment?" Who were the Nephilim? How did they return both before and after the Flood? What differentiates the days of Noah from the days of Jared? Were there female Nephilim? Could the giants reproduce? Why should we be concerned about the act of mixing animal and human DNA? Why did Jesus say the Last Days would be like the days of Noah? Find out in this information packed book by Rob Skiba!

Secret Journey to Planet Serpo Simon and Schuster

It should be no surprise that the various highly classified Operation Majestic 12 (or Majic-12 or MJ-12) documents have been attacked since their existence was first made public. Equally unsurprising is the fact that a number of phony or hoax or fraudulent MJ-12 documents have been

released as well. But if the original documents, such as the Eisenhower Briefing Document of November 18, 1952, the Truman-Forrestal Memo of Sept. 24, 1947, and the Cutler Twining Memo of July 14, 1954 (found in July, 1985, in Box 189 of Entry 267 of Record Group 341 at the National Archives by Jaime Shandera and William Moore) are genuine, then the consequences are enormous: aliens are visiting Earth, the government has recovered at least one crashed saucer and several alien bodies, and a very significant group of outstanding American scientists and military leaders has collected, reviewed, evaluated, and kept secret all kinds of information about the visitors. Under such a scenario, mankind is NOT alone, and the government has covered up the biggest story of the millennium and perhaps history in general. Ten years after the 1984 receipt of a roll of exposed 35mm film by Jaime Shandera at his Burbank, California home, and his efforts with William Moore and Stanton Friedman to evaluate them, a new roll of film showed up in the mailbox of aviation and science writer (and longtime ufologist) Don Berliner. This contained many pages of SOM 1-01: Majestic 12 Group SPECIAL OPERATIONS MANUAL: "Extraterrestrial Entities and Technology, Recovery and Disposal." Ufologists and UFO buffs alike owe it to themselves to look seriously at the material gathered here by Friedman, and decide for themselves whether or not we need to continue pushing for Disclosure and the truth.

Inside The Black Vault Createspace Independent Pub

Since 1947, the mysterious crash of an unidentified aircraft at Roswell, New Mexico, has fueled a firestorm of speculation and controversy with no conclusive evidence of its extraterrestrial origin -- until now. Colonel Philip J. Corso (Ret.), a member of President Eisenhower's National Security Council and former head of the Foreign Technology Desk at the U.S. Army's Research & Development department, has come forward to tell the whole explosive story. Backed by documents newly declassified through the Freedom of Information Act, Colonel Corso reveals for the first time his personal stewardship of alien artifacts from the crash, and discloses the U.S. government's astonishing role in the Roswell incident: what was found, the cover-up, and how these alien artifacts changed the course of 20th century history.

[Top Secret/Majic](#) Tor Books

Documents how 12 people, as part of a top-secret U.S. government program,

traveled to the planet Serpo and lived there for 13 years • Based on the debriefing of the Serpo team and the diary of the expedition's commander • Explains how the aliens helped us reverse-engineer their antigravity spacecraft and develop technology to solve our planet-wide energy problems • Reveals how our government has an ongoing relationship with the Serpo aliens On July 16, 1965, a massive alien spacecraft from the Zeta Reticuli star system landed at the Nevada test site north of Las Vegas. Following a plan set in motion by President Kennedy in 1962, the alien visitors known as the Ebens welcomed 12 astronaut-trained military personnel aboard their craft for the 10-month journey to their home planet, Serpo, 39 light-years away. In November 2005, former and current members of the Defense Intelligence Agency--directed by Kennedy to organize the Serpo exchange program--came forward to reveal the operation, including details from the 3,000-page debriefing of the 7 members of the Serpo team who returned after 13 years on the planet. Working with the DIA originators of the Serpo project and the diary kept by the expedition's commanding officer, Len Kasten chronicles the complete journey of these cosmic pioneers, including their remarkable stories of life on an alien planet, superluminal space travel, and advanced knowledge of alien technologies. He reveals how the Ebens presented the U.S. with "The Yellow Book"--a complete history of the universe recorded holographically, allowing the reader to view actual scenes from pre-history to the present. He explains how the Ebens helped us reverse-engineer their antigravity spacecraft and develop technology to solve our planet-wide energy problems--knowledge still classified. Exposing the truth of human-alien interaction and interplanetary travel, Kasten reveals not only that the Ebens have returned to Earth eight times but also that our government continues to have an ongoing relationship with them--a relationship with the potential to advance the human race into the future.

A MAJESTIC-12 Thriller Gill & Macmillan Ltd

Alien Mind begins where other books usually leave off. Rather than debate whether UFO's and aliens exist, the updated edition V of Alien Mind quotes human witnesses and informative aliens in a startling, new exploration of the thoughts and assumptions of our extraterrestrial neighbors. Sixty-five years after Roswell, evidence suggests that aliens are trying to get humans to step beyond elite greed and failed ecology in

order to develop a more mature kind of cosmic citizenship. Although some content may be unsettling, this book should help to fill in some of the blanks in public knowledge about aliens. Alien Mind introduces previously unreported sources and helps readers understand how aliens think and feel about their interactions with humans and other aliens. It discusses alien science and how humans can both detect and identify different types of aliens and their energy networks.

THE DAY AFTER ROSWELL

CreateSpace

David Icke's strongest book to date, *The Robots' Rebellion* reveals the alarming extent to which people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and planets in the Universe has been suppressed for years, says Icke, by the world's power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion against those who have kept this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies and deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world's established religions are not going to welcome Icke's challenging book. But it is not intended for those who wield and abuse power. This book is for the world's unwilling robots who, says Icke, in an upbeat conclusion, have it within themselves to rise up — and take control of their own exciting destiny.

Earth's Encounters with Extraterrestrial Technology

Rowman & Littlefield

The 1961 UFO abduction of Betty and Barney Hill stirred worldwide interest, because of the book *The Interrupted Journey*, the subsequent media coverage, and a 1975 TV movie. The case is mentioned in almost all UFO abduction books. It also became a target for debunkers, who still attack it today. But the complete story of what really happened that day, its effect on the participants, and the findings of investigators has never been told ... until now. In *Captured!*, you'll get an insider's look at the alien abduction, previously unpublished information about the lives of the Hills before and after Barney's death in 1969, their status as celebrities, Betty's experiences as a UFO investigator, and other activities before her death in 2004. Kathleen Marden, Betty Hill's niece, shares details from her discussions with Betty and from the evidence of the UFO abduction. She also looks at the Hills' riveting hypnosis sessions about their time onboard the spacecraft. In addition, coauthor, physicist, and ufologist Stanton T. Friedman, the original civilian investigator of the Roswell Incident, reviews and refutes the arguments of those who have attacked the Hill case, as well as the star map that Betty Hill saw inside the craft and later recreated.

THE ROBOTS' REBELLION - THE STORY OF SPIRITUAL RENAISSANCE

Red Wheel/Weiser

Why would two women separated by thousands of miles share a common thread involving alien abduction? Both cases are supported by multiple witnesses and have substantial evidence. Both women experienced missing time while driving with a companion, and were later taken from their homes. Both have been unwilling participants in ongoing experimental procedures that appear to follow family genetic lines. Both witnesses have given detailed descriptions of the crafts' interiors and technology, medical procedures, messages from the visitors, and the types of ETs they have encountered, including their society's hierarchical structure. Even more startling, both have independently described finding themselves on identical huge craft, within

the same timeframe. The Alien Abduction Files finally reveals: The little-known details of alien experimental procedures The theoretical science that can explain alien technology The messages conveyed by the ETs to abduction experiencers The vulnerabilities and benefits of living life as an abduction experiencer The evidence that these phenomena are real.

A Cold War fought by superhuman agents reaches a boiling point in the thrilling finale to the MAJESTIC-12 historical thriller/superhero mash-up series from Michael J. Martinez. Josef Stalin is dead. In the aftermath, the Soviet Union is thrown into crisis, giving former secret police chief Laverentiy Beria exactly the opening he needs. Beria's plan is to secretly place his country's Variants—ordinary people mysteriously imbued with strange, superhuman powers—into the very highest levels of leadership, where he can use them to stage a government coup and seize control of the USSR. America's

response comes from its intelligence communities, including the American Variants recruited for the top-secret MAJESTIC-12 program, who are suddenly thrown into their most dangerous and important assignment yet. From the halls of the Kremlin to the battlefields of Korea, superpowered covert agents face off to determine the future of the planet—a future their very existence may ultimately threaten.

Behold a Pale Horse Red Wheel/Weiser

This work is the result of the author's 11-year search for the truth about the mysterious Operation Majestic 12, classified Top Secret / Majic. The book tells the tale of the July 1947 recovery of a crashed flying saucer near Roswell, New Mexico, and the establishment by President Truman of a cast (Majestic-12) to deal with the saucer and its non-human inhabitants. The US government, the National Security Agency and the CIA are all implicated in what appears to be a cover-up.

Majestic Dundurn

IF UFOS DON'T EXIST, THEN THEY CAN'T CRASH. But something did crash near Corona, a tiny town not far from Roswell, New Mexico, in 1947. And that crash has been dissected and debated ever since. Aviation/science writer Don Berliner and nuclear physicist Stanton Friedman, the original civilian investigator of the so-called Roswell incident, have delved into the controversy to find the truth. They sifted through once-classified government documents, interviewed military and civilian witnesses, pieced together evidence, considered alternative theories,

and concluded that a UFO crashed near Corona—and the U.S. government knew it and covered it up. Crash at Corona proves that what was found in the New Mexico desert wasn't a weather balloon or a secret weapon—it was a UFO. "One of the more credible books arguing the existence of UFOs...Most arresting of all is the testimony of those who handled the debris, who had no opportunity to compare notes, yet have described the materials ...in almost identical language."- Publishers Weekly DON BERLINER has written more than 300 magazine articles and 25 books on aviation history and space and was also a staff writer for the National Investigations Committee on Aerial Phenomena (NICAP). He is board chairman of the non-profit Fund for UFO Research, Inc., and is a delegate to the UFO Research Coalition. STANTON T. FRIEDMAN is a nuclear physicist who has worked for General Electric, General Motors, Westinghouse, and other corporations. He is also the author of TOP SECRET/MAJIC and has appeared on Larry King, Unsolved Mysteries, and Nightline, and was involved with the documentaries UFOs Are Real and Flying Saucers Are Real. He was the final speaker at the fiftieth anniversary conference at the International UFO Museum and Research Center at Roswell, and has given more than 700 lectures on the subject of UFOs. *The Case for the UFO* Speaking Volumes A UFO expert returns to Roswell, New Mexico, to sift through the evidence and uncover what really happened there in July of 1947 and to reveal what the government and military know about alien encounters. Reprint.
