Raven Happy Hour

A hilarious and heartfelt memoir about finding your true voice by Sophie Santos, the fearless comic and host of *The Lesbian Agenda*. From the self-proclaimed Queen of the Stunted Late Bloomers and one of the most exciting emerging voices in comedy comes an honestly funny memoir about the awkward, cringeworthy, hilarious, and longest possible journey of coming of age and into her own. The only child of a perpetually transferring Filipino Spanish US Army officer and a spitfire nurse, Sophie Santos spent her early years starting over again and again--and accumulating her fair share of anxieties. Growing up in 99.6 percent white communities, where girls had to learn to flash Vaseline-capped smiles before they'd be considered real women, Sophie adapted. Determined to fit in, she transformed from a tomboy misfit into a hormone-crazed beauty pageant contestant and a southern sorority girl, among other personalities. She nailed each role she took on, not

shockingly, but nothing seemed to fit her true self. In her twenties, floundering and locked in her bedroom with lesbian YouTube clips playing on repeat, Sophie began to understand that her true self might be more tomboy misfit than southern belle. That realization set her off on a journey that led her through an unexpected lesbian puberty and eventually toward a New York comedy career.

Book Three of the Love's Territory Series Emma Barry

Lucky for Chloe Flynt, everyone knows it's easier to get out of a bad relationship than it is to get in one. But when it comes to hot, steamy, long-lasting passion, even Chloe is at a loss--until this British playgirl comes face to face with a true-blue Texas cowboy who tempts her to toss away her commitment-phobic habits once and for all to join him for a walk down the aisle. . . Falling in love

is much harder than breaking up. . . With three broken engagements under her oh so fashionable belt, it's high time London party girl Chloe Flynt gets a job. Unfortunately, Chloe isn't exactly qualified for anything, except dumping a Mr. Wrong or two (or three!) with a little dignity. Realizing she needs a new beginning, she lands in Austin, Texas, and opens a company helping other people do the dirty work of breaking up. . . Too bad Chloe's tall, tough-talking, and take-charge landlord, Matthew Tanner, isn't interested in her expertise. Because anyone can see that his girlfriend is clearly all wrong for him. Not that Chloe cares. She and Matthew have nothing in common--other than that mind-blowing attraction, that is. But when his girlfriend requests Chloe's services, all hell breaks loose. If there's one thing Chloe knows for sure, it's that just because she's good at breaking up bad relationships doesn't mean she has a talent for putting together good ones. Maybe it's finally time she gives it a try. . . [Presidents Make a Difference](#) CreateSpace Welcome to Hedgewitch Cove, Louisiana, where
