Love can be blinding and by the time the truth shines through, it's too late to escape.
Fame.Fortune.Success.Is that too much to ask?All I

need is to catch a break. To snag the attention of someone important. Someone who can help make my career everything I want it to be. Joseph was that man. Until the night the lights went out and I left with someone else. Someone who stole my breath and made me want for things I'd never considered before. I should have known better than to trust a stranger. Especially one of his stature and class. Money means power and power means control. Over my heart. My career. My

entire life. My dreams died the moment I agreed to his terms and a new chapter in my life began. I was blinded by my love for him and thought nothing would ever change the way I felt. Then I uncovered the truth about him. About the kind of man he really was and the secrets he paid good money to keep hidden from everyone. Now I'm trapped, with no way out. Book 1 of 2 in the Storm Series.

 "A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review
 American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with

an Australian—and get hitched—in two months. Especially if he’s as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn’t have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He’s finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but

she’ll be gone in a few months... Except now she’s determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? Each book in the Patterson's Bluff series is

“This heartfelt, witty addition to women’s fiction will appeal to fans of Elizabeth Berg and Anna Quindlen.” (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband

she adores, even after decades of marriage. It’s only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband

he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia’s sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all,

her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

DEATH WAITS IN THE DARK

Carolyn Crane
She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little

dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes, he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a

tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen

has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is

going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

The book chronicles the last thirty days of the authors stay in prison. It's a day-to-day look at life on the inside. The author had to use his words wisely and move wisely as well to stay out of harms way and able to be released on time other than be held accountable for more jail time. A book for everyone and readers of all backgrounds.

THE COTTAGE OF CURIOSITIES (PENGENLY SERIES, BOOK 2)

Entangled: Amara
I may be a shy, lowly letter carrier, but when my beloved apartment building is threatened by

a mysterious and reclusive billionaire, I'm willing to push the envelope. I'm going to march right up to Malcolm Blackberg's fortress of fierceness and deliver a cease-and-desist notice he can't refuse. Except as soon as I get inside his gilded doors, things go sideways-I'm mistaken for Malcolm's court-ordered emotional intelligence coach-they think I'm acting out a wacky postal carrier cosplay. They drag me in, a sacrificial lamb for the big bad. Make that big, smolderingly sexy

bad. Can I use this case of mistaken identity to get him to spare our building? Before I know it I'm flying around the country, up close and personal testing the most devilishly exasperating man I've ever met. He's scary for sure?but the way he sometimes looks at me turns my knees to jelly, and has me writing love letters to his gorgeous eyes, his mouthwatering smile, his impressive?package. Our coaching sessions are getting hot-hot-hot, but I can't let my guard down.

If he ever finds out I'm a first-class fake, I'll lose everything I've ever loved in this world!

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around

her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf

Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from

the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to

make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted

on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing. Because the King is about to get played at his own game-and lose. Checkmate.

Teddy King excels at many things. Playing hockey. Check. Scoring on and off the ice. Check. Being stupidly attractive ... Double check. Despite his demanding schedule, he still finds time to annoy me. I knew him way back when. Before he was the guy everyone wanted a piece of, he was just a rebellious college co-ed and one of my more energetic study partners. But secrets have a way of

getting out, and a steamy encounter from our college days (that we probably shouldn't have filmed) is about to cause a major scandal. Unless we can work together to stop it. Teddy's no stranger to hard work ... but the thing he wants most? Is me.
Note: This high-heat standalone is chock-full of scorching banter and steamy good times. He's a testosterone-dripping hockey player who wants a second chance. She's as tough as nails attorney intent on making partner. Frienemies to lovers. No

cliffhanger. Enjoy! Your favorite hot jocks are back with an all new stand-alone novel. If you like

sexy, confident men who know how to handle a stick (on and off the ice), and smart women who

are strong enough to keep all those big egos in check, this series is perfect for you!
