Land Rovers
plan to build a
small (yet still
capable) SUV

first began
back in the
late 80s. The
idea was to
attract
younger
buyers by
offering a
Land Rover
model for
every
milestone in a
person's life,
similar to
BMW. In 1994
the Rover
Group got
bought out by
BMW, which
meant a larger
budget for the
CB40
project.Land
