 Discovering Dorchester through Archaeology: About the Project
 The Cloister Gallery display,

described as the best of its kind in the country, tells the story of the Abbey through an interpreted collection of carved and moulded medieval stonework. The displays and artefacts in the Abbey Guest House pick out special features of the village of Dorchester-on-Thames and its environs, from Neolithic times to the present. Dorchester Abbey Museum | Oxfordshire Museums Council Rector's Welcome. It is a joy to welcome you to Dorchester Abbey - a place of prayer and pilgrimage for many centuries. The Christian message has been spread from Dorchester's Saxon cathedral, from its medieval monastic Abbey and from today's Parish Church, all combined in this beautiful building, over a period of almost fourteen hundred years. dorchester-abbey.org.uk - Rector's

Welcome Warwick James Rodwell OBE (born 24 October 1946) is an archaeologist, architectural historian and academic. He is Visiting Professor in the Department of Archaeology, University of Reading, and Consultant Archaeologist to Westminster Abbey, where he is also a member of the College of St Peter in Westminster. He is the author of many books and articles, including the standard textbook on church ... Warwick Rodwell - Wikipedia This is the last year of the Discovering Dorchester project and we would love to have as many new and old faces there as possible. We need to work out the tricky stratigraphy around our pit complexes in the north of the site and burrow our way through those greyish green silts that emerged below the

Roman road – so there is still a lot to do. Discovering Dorchester through Archaeology The Abbey Church of St Peter and St Paul, more usually called Dorchester Abbey, is a Church of England parish church in Dorchester on Thames, Oxfordshire, about 8 miles (13 km) southeast of Oxford.
