How to Defeat the Enemy During These Dark Days
As the time approaches for Jesus' return, the spiritual battle between good and evil is heating up. Evidence is all around: shootings, genocide, civil wars, increased persecution. Our enemy is real, and it seems as if he is winning. The good news is that God is at work in powerful ways--and that Satan is not winning. But we need to know how to wage war against him and his plans for these turbulent days. We must understand not only the intensified warfare environment of the end times, but how we can walk in our authority in Jesus Christ. Here are the practical insights you need on how to fight using the spiritual weapons God has given us: the blood of Jesus, the Word of God, our own testimony, and more. When we learn how to wield these weapons, we

will see victory over Satan and his kingdom and bring hope to these dark days.

Prayers for Victory in Spiritual Warfare
Spiritual warfare is a reality that faces Christians every day. Their daily walk with the Lord and fight with Satan affects every aspect of their life: their personal victory, the state of their families, their interaction with the world around them, and their ultimate

service and performance on earth. Every Christian finds himself harassed and under the relentless hand of the enemy. Spiritual casualties surround us on every side. Luke warmness, defeat, and compromise seem to be the order of day. Deep within the heart of every true Christian stands a hunger to please his Master. This book focuses on that deep cry--the spiritual seed within. It equips the child of God and steadies him to a life of spiritual fulfillment in Christ as he fights and wins spiritual battles. Nobody is born a natural spiritual fighter. Like any army which recruits soldiers and trains them before releasing them to the battle field, the Christian soldier likewise has to be trained. His training is crucial knowing that the enemy he is fighting does not give him a chance to train before launching his attacks. Prayer and Spiritual Warfare equips and encourages the believer to effectively stand against the deceptive schemes of Satan by applying scriptural truths. It teaches the nature of

the spiritual battle, what it takes to win battles, and weapons that are used to fight in this warfare. It trains God's soldiers to receive and obey orders from the war General-God. It discloses the deceptive schemes of the enemy and equips believers to deal with opposition and stand their ground in battle. It exalts Christ and points to His role in spiritual warfare. It weaves practical modern day- 21st century-struggles that face Christians and the church as a whole with scriptural truths of God's Word to combat spiritual apathy. Yes! Christians can fight the enemy with courage and be the light of the world today.

Yet, too often Christians choose to maintain a reactive, defensive position in spiritual warfare. *Warfare Scripture Prayers & Declarations* is a dynamic prayer resource that offers believers a fresh perspective on spiritual warfare—praying offensively before your enemy strikes as opposed to defensively praying after the attack of the enemy has occurred. God's strategy in warfare is not to simply pray, but

Spiritual warfare is real, and we are all involved whether we like it or not. The Bible plainly tells us that Satan schemes against humanity and that he wants to devour us. Daily we struggle against Satan's strategies and desire to take over God's kingdom. This battle will not go away, and ignoring it could be disastrous. But don't be afraid. The victory is already won by Christ. No enemy is powerful enough to overcome the risen savior. In these pages, Mark Bubeck exposes the reality of the conflict and the hope believers have. He answers such questions as: What is Satan's strategy in

spiritual warfare? Can a Christian be oppressed by demons? Can demonic affliction be passed down through family lines? What are the symptoms of demonic activity in a person's life? Having sold more than 350,000 copies worldwide, this bestseller will help the reader triumph in the battle against demonic activity by relying on the almighty and powerful Son of God.

How to Pray - Intercessory Prayer and Spiritual Warfare Prayers Moody Publishers

No more general, routine, and unfocused praying.

This book lays the foundation for engaging in spiritual warfare by effective, pointed, biblically based prayer. Part I presents in the first chapter a solid theological foundation, treating worldview, the reality of the spirit world, and our resources. The next chapters show the place of prayer in warfare and delineate some strategies, tactics, and cautions. Part II suggests some pattern warfare prayers for personal, church, and world needs. Believers have used some of these very effectively to see the Lord intervene and remove oppression and obstacles. Winning the War through Prayer is like a bucket of cold water thrown onto a largely lukewarm Church. For those who have already experienced the power of demonic forces and the triumph of Christ, this book will give them more practical knowledge of how to confront the enemy. For those who have ignored the biblical teaching about our invisible war, such readers will be jolted in to reality. Their eyes will be open to a new level of spiritual discernment and a new way of praying that is directed against the forces that seek to

destroy us (Dr. Erwin Lutzer). In my evaluation, this book is the best presentation of biblical warfare praying that has been written. God has use Fred to write an articulate, doctrinally sound, biblical call to warfare praying that exceeds anything yet written an academic and biblical study, a very useable and much needed document (Dr. Mark I. Bubeck).
