BOOK OF THE WITCH MOON CHORONZON EDITION

Penguin

A guide to conscious living through the moon and her phases, incorporating wellness rituals, spellwork, and witchcraft for the modern seeker. We all know the moon. We all have a relationship with it. The earliest people obeyed her orbit, timed their months and holidays and celebrations and agriculture to the moon; the echoes of that system are still visible today, though the connection to the moon is often forgotten. Sarah Faith Gottesdiener is the leader of a movement to remind us of that lineage, guiding our rhythms and our sleep, our energy and our emotions, reminding us of our humanity and our magic. In her self-published Many Moons Workbooks and Lunar Journals, as well as her sold-out classes, she has guided over 50,000 readers to a deeper relationship with the moon, and through it, with themselves. This evergreen book will be an informative and comprehensive guide to lunar living, incorporating radical, self-empowering, and magical tools and resources for the beginner and experienced lunar-follower alike. Depending on where we are in our lives, depending on what we are feeling or what is happening around us, the moon allows us a space to invite ritual into our daily lives. The Moon Book will provide a framework on how to utilize the entire lunar cycle holistically, while offering ways for the reader to develop a personal relationship with their own cycles—energetic, personal, and emotional—through the lens of the moon's phases.

REAWAKENING THE HEART OF WITCHCRAFT

Melbourne University

Now you can get the collection of rituals and wisdom that has helped start thousands of people on a Pagan path for over thirty-five years? *Magical Rites from the Crystal Well* by Ed Fitch. "The Crystal Well" was a small magazine that was published at a time when little information was available on Wicca, Witchcraft, and Paganism. Because of this, the rituals from that magazine circulated far and wide. Today, decades later, they are still popular. Why? Because they're some of the most beautiful, magical, and lyrical rituals ever written. These wonderful rituals have been collected in a beautifully illustrated book. Among the many rituals and techniques you'll find in *Magical Rites from the Crystal Well* are: - Rites for all of the seasons, including Midsummer, Lammas, Winter, and more. - The Rite of Calling Down the Moon - The Ceremony of Cakes and Wine - The Feast of the Full Moon - Storm Magic - Magical Dance - Building an Astral Temple - Pathworking - A Handfasting Rite - Rite of Dedication and Protection for an Infant Each rite includes complete instructions, with every word and every action clearly explained. The book also includes Pagan lore, such as the Rede of Chivalry, tips on forming a Pagan training group, how to tell if your pet is also your familiar, and much more. Almost every page has an elegant illustration. This book is not just filled with important ideas and rites that you can use, it's also beautiful to behold.

[The Invention of Hugo Cabret](#) Waveland Press Inc

Discover more than sixty spells and an abundance of potions, powders, and lore from around the world. Llewellyn's Little Book of Moon Spells is a handy, on-the-go guide to everyday moon magick

filled with spells and rituals for improving relationships, healing emotional wounds, removing obstacles, psychic protection, success, abundance, and much more. Whether you are a complete beginner or an experienced practitioner, the step-by-step instructions within these pages will help you attune to the tides of destiny and change troublesome situations into opportunities for positive transformation.

TRADITIONAL WICCA

Princeton University Press

ORPHAN, CLOCK KEEPER, AND THIEF, twelve-year-old Hugo lives in the walls of a busy Paris train station, where his survival depends on secrets and anonymity. But when his world suddenly interlock with an eccentric girl and her grandfather, Hugo's undercover life, and his most precious secret, are put in jeopardy. A cryptic drawing, a treasured notebook, a stolen key, a mechanical man, and a hidden message from Hugo's dead father form the backbone of this intricate, tender, and spellbinding mystery.

PAGANISM REVIVED

Oxford University Press, USA

What is witchcraft? What is paganism? And why are these ancient practices still with us? Alternative spiritual beliefs are attracting increasing numbers of followers in Australia and around the world. Focusing on Wicca, or witchcraft, Lynne Hume explores some of the mystery surrounding the diverse range of pagan practices and beliefs, and dispels some commonly held misconceptions. Hume's innovative multidisciplinary study examines the historical roots of pagan beliefs, and how pagan world views relate to contemporary environmentalism, feminism, morality and mainstream religions. It discusses the rituals of paganism, the notion of magic and what constitutes spiritual experience. Based partly on the author's own experiences, and rich with anecdotes from Australian Pagans, *Witchcraft and Paganism in Australia* is full of insights into this intriguing social phenomenon.

How to Live in Harmony with the Solar Year Llewellyn Worldwide

The fantasy art of Charles Vess is acclaimed worldwide, his rich palette, striking compositions, and lavish detail second to none. Vess created memorable works for such best selling fantasy authors as Neil Gaiman, Susanna Clarke, Charles De Lint, and George R. R. Martin, as well as a who's-who list of publishers and clients. His art is breathtakingly singular while recalling the golden age of illustration, when paint and brush were the vessels that carried readers to distant lands, bygone ages, and realms of the imagination. Featuring a foreword by Susanna Clarke, author of *Jonathan Strange & Mr Norrell*.

Roll of Thunder, Hear My Cry Llewellyn Worldwide

The twentieth anniversary edition of *The Spiral Dance* celebrates the pivotal role the book has had in bringing Goddess worship to the religious forefront. This bestselling classic is both an unparalleled reference on the practices and philosophies of Witchcraft and a guide to the life-affirming ways in which readers can turn to the Goddess to deepen their sense of personal pride, develop their inner power, and integrate mind, body, and spirit. Starhawk's brilliant, comprehensive overview of the growth, suppression, and modern-day re-emergence of Wicca as a Goddess-worshipping religion has

left an indelible mark on the feminist spiritual consciousness. In a new introduction, Starhawk reveals the ways in which Goddess religion and the practice of ritual have adapted and developed over the last twenty years, and she reflects on the ways in which these changes have influenced and enhanced her original ideas. In the face of an ever-changing world, this invaluable spiritual guidebook is more relevant than ever.

Folklore and Neo-Paganism in America Harper Collins

A Down-to-Earth Guide to Traditional Wicca While there are many powerful variations of contemporary Witchcraft, traditional Wicca offers unique experiences for those who seek it out. This book explores structured, coven-based styles of Wicca, in which the practitioners typically trace initiatory lineages back to Wicca's early founders. Discussing covens, initiations, lineages, practices, ethics, and more, Traditional Wicca shares tips and ideas on how to get the most from this profound approach to Witchcraft. Discover how to recognize healthy, reputable covens. Learn how to navigate the process of asking for training and succeeding in an outer court. Explore the spiritual strength of lineages, hierarchies, and initiation. This book also includes contributions from several practitioners, providing valuable first-person perspectives on what it's like to be on the traditional Wiccan path. Praise : "Like the bristles of a besom, Thorn Mooney's Traditional Wicca sweeps through the subject of Witchcraft removing the dust and dirt of ignorance and prejudice to reveal the true heart of Wicca. Thorn writes with obvious sincerity, with feeling, and from experience. Her book covers everything from defining Witchcraft, through the workings of a coven, to actual initiation and beyond. She warns that Wicca is not for everyone and—I am personally delighted to see—includes a chapter on recognizing 'Red Flags' when first contacting others...especially those who might claim to be more than they actually are. This book is the quintessential guide for the true, sincere seeker."—Raymond Buckland, author of *Buckland's Complete Book of Witchcraft* "Traditional Wicca is a unique and important book. It's amazing to me that in over 70 years of publishing on the subject of Wicca, nothing like this book has ever been written! I'm kind of jealous I didn't think to write it myself. The chapter on initiation is, by itself, worth the cover price. If you want to understand what people mean by 'traditional Wicca,' whether or not you're seeking it, this is the one book you must read."—Deborah Lipp, Wiccan high priestess and author of *Merry Meet Again* "Traditional Wicca is a topic that few actually understand despite its long and distinguished history. With passion and skill, Thorn delivers a book that many familiar with Wicca will wish they had had when they were studying it, and those who find themselves on the path for the first time will rejoice at having found. Whether you intend to seek initiation or not, this book is full of valuable gems that will enhance any practice at any level. Traditional Wicca is an all-inclusive tour through the history, practices, and lore of traditional Wicca that weaves voices from all over the tradition and challenges everything you think you know about it."—Devin Hunter, author of *The Witch's Book of Power* "A masterful gem of insight and wisdom, Traditional Wicca reveals the time-honored practices of initiatory Wicca, thought all but lost by many, but hidden like so many occult secrets in plain sight. Drawing a clear and respectful distinction between eclectic Wicca and its older more traditional sibling, Thorn Mooney takes us on a personal journey exploring the powers and the pitfalls of the initiatory inner court, revealing the persistence of a thriving and dynamic Craft that is at once orthopraxic and changing, traditional and experimental. With practical advice for the seeker, peppered with personal anecdotes from several

practitioners and initiates alike, this book is a much-needed map...Highly recommended."—Storm Faerywolf, author of *Betwixt and Between*

The Graveyard Book Llewellyn Worldwide

Explores the roots of witchcraft while providing an integrated magical system to serve the modern witch Raven Grimassi is among the pioneering authors of the modern witchcraft renaissance. In *What We Knew in the Night*, he presents a cohesive and complete system of witchcraft based on traditional sources. The author's premise is that, beginning in the 1980s, with the rise of modern metaphysical publishing, authors began presenting very personal witchcraft practices. In the process, traditional and formerly well-established practices fell into obscurity, which potentially lead to confusion. *What We Knew in the Night* uncovers and clarifies those buried gems for a new generation, assembling and integrating key components of witchcraft, past and present. Grimassi lays out key mystical and practical foundations of witchcraft and restores their important role. Sharing lessons and advice from his own almost 50 years of personal study and practice, Grimassi explores what he describes as the "heart of the old rites." He also offers practical instructions and a clear 5-step process of empowerment—one chapter for each step—for anyone who wants to walk the path of witchcraft: *Virtue of the Moon* *The Wafting The Witch's Blade* *The Clay Pentacle* *The Witch's Ring* Having accomplished these steps, the reader will possess the "quintessence of witchery" and be firmly grounded in the arcane art of witchcraft.

A Novel in Words and Pictures Llewellyn Worldwide

"Vampires. Why do we care? In these pages you will find what is very simply, the most literate, imaginative, and just plain fascinating answer to that question ever written." ?Whitley Strieber In a culture that does not do death particularly well, we are obsessed with mortality. Margot Adler writes, "Vampires let us play with death and the issue of mortality. They let us ponder what it would mean to be truly long lived. Would the long view allow us to see the world differently, imagine social structures differently? Would it increase or decrease our reverence for the planet? Vampires allow us to ask questions we usually bury." As Adler, a longtime NPR correspondent and question asker, sat vigil at her dying husband's bedside, she found herself newly drawn to vampire novels and their explorations of mortality. Over the next four years—by now she has read more than 270 vampire novels, from teen to adult, from gothic to modern, from detective to comic—she began to see just how each era creates the vampires it needs. *Dracula*, an Eastern European monster, was the perfect vehicle for 19th-century England's fear of outsiders and of disease seeping in through its large ports. In 1960s America, *Dark Shadows* gave us the morally conflicted vampire struggling against his own predatory nature, who still enthralls us today. Think Spike and Angel, Stefan and Damon, Bill and Eric, the Cullens. *Vampires Are Us* explores the issues of power, politics, morality, identity, and even the fate of the planet that show up in vampire novels today. Perhaps, Adler suggests, our blood is oil, perhaps our prey is the planet. Perhaps vampires are us.

Charge of the Goddess Llewellyn Worldwide

The Witches' Almanac is a sophisticated publication appealing to general readers as well as hardcore Wiccans. Founded in 1971 by Elizabeth Pepper, the art director of *Gourmet* magazine for many years, *The Witches' Almanac* is a witty, literate, and sophisticated publication that appeals to all those devoted to the Craft. At one level, it is a pop reference that will fascinate anyone interested

in folklore, mythology, and culture; but at another, it is the most sophisticated and wide-ranging annual guide available today for the mystic enthusiast. Modeled after the Old Farmers' Almanac, it includes information related to the annual moon calendar (weather forecasts and horoscopes), as well as legends, rituals, herbal secrets, mystic incantations, interviews, and many a curious tale of good and evil. Although it is an annual publication, much of the content is both current and timeless—not specific to the date range of each issue. The theme of Issue 41 (Spring 2022–Spring 2023) is *The Moon: Transforming the Inner Spirit*. Also included are articles on geomancy, the lunar nodes, charms of the Welsh March, the Messenger of the Gods, the Orisha Sango, and much more.

The Moon in the Greek and Roman Imagination University of Pennsylvania Press

Are you intrigued by the world of Magic and Spells? Have you thought about how you can get started casting Spells but don't know where to start? Cunningham has several books on the subject of magic, each geared to a specific need. Every witch is welcome in these pages; every practice seen as part of the amazing constellation that is the modern magical community. What are you waiting for? Buy now!

A Reader Praeger Pub Text

Betrayal, lost babies, and terrifying nightmares follow Jade Montgomery to James Island, North Carolina. Damaged and devastated by her third miscarriage and deteriorating marriage, she drives to the strip of sand north of Wilmington to end her life. This was her happy place, the place of childhood vacations and college summers. Desperate for redemption, she walks into the Atlantic seeking solace from her failed pregnancies, unrelenting guilt, and dying spirit. She expected peace as she floated in her watery grave, but in that nanosecond between life and the ever-after she heard a whisper of hope begging her to fight. In *DRAWING DOWN THE MOON*, Jade survives her suicide attempt and is befriended by Agnes, a mysterious older woman, who uses her own devastation and mystical Wiccan wisdom to help her discover motherhood does not define womanhood. While still reeling from her breakdown, a forgotten reunion brings estranged sorority sisters back to the island of their college summers before suspicions and secrets separated them for decades. Jade's challenge is to uncover her authentic self, confront her demons, and find joy in the journey. This is a story of resilience, finding courage in spite of fear, and accepting that our life never unfolds as we imagine. It celebrates the feminine connection and the tenacity, humor, and spirit needed to uplift each other through the triumphs and tragedies of life.

Living Witchcraft Independently Published

Explores the growth, suppression, and modern reemergence of witchcraft as a religion, demystifying a misunderstood and maligned tradition and pointing out its relationship to feminism.

The Witches' Almanac 2022-2023 Standard Edition Issue 41 St. Martin's Essentials

In a culture where the supernatural possessed an immediacy now strange to us, magic was of great importance both in the literary mythic tradition and in ritual practice. In this book, Daniel Ogden presents 300 texts in new translations, along with brief but explicit commentaries. Authors include the well known (Sophocles, Herodotus, Plato, Aristotle, Virgil, Pliny) and the less familiar, and extend across the whole of Graeco-Roman antiquity.

A Witches' Guide to Trance-Prophesy, Drawing Down the Moon, and Ecstatic Ritual John Hunt Publishing

The earth, the moon, and the magical path to enlightenment. Written by a practicing witch who conducts classes and seminars on witchcraft—the oldest Western religion, a means of power and enlightenment, and a healing art. “Laurie Cabot has written a fascinating account of a beautiful and sadly misunderstood religion, witchcraft. She has with her life and work done a great deal to legitimize this ancient pagan form of worship. I am among the ecumenical Christians who have discovered the truth about witchcraft, that it is neither demonic nor evil. Power of the Witch is a marvelous introduction to the magical and highly ethical world of wicca.”—Whitley Strieber *Magic, Witchcraft, and Ghosts in the Greek and Roman Worlds* Dark Horse Comics

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be

completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

THE TRIUMPH OF THE MOON

OUP Oxford

An unparalleled exploration of magic in the Greco-Roman world What did magic mean to the people of ancient Greece and Rome? How did Greeks and Romans not only imagine what magic could do, but also use it to try to influence the world around them? In *Drawing Down the Moon*, Radcliffe Edmonds, one of the foremost experts on magic, religion, and the occult in the ancient world, provides the most comprehensive account of the varieties of phenomena labeled as magic in classical antiquity. Exploring why certain practices, images, and ideas were labeled as “magic” and set apart from “normal” kinds of practices, Edmonds gives insight into the shifting ideas of religion and the divine in the ancient past and in the later Western tradition. Using fresh approaches to the

history of religions and the social contexts in which magic was exercised, Edmonds delves into the archaeological record and classical literary traditions to examine images of witches, ghosts, and demons as well as the fantastic powers of metamorphosis, erotic attraction, and reversals of nature, such as the famous trick of drawing down the moon. From prayer and divination to astrology and alchemy, Edmonds journeys through all manner of ancient magical rituals and paraphernalia—ancient tablets, spell books, bindings and curses, love charms and healing potions, and amulets and talismans. He considers the ways in which the Greco-Roman discourse of magic was formed amid the cultures of the ancient Mediterranean, including Egypt and the Near East. An investigation of the mystical and marvelous, *Drawing Down the Moon* offers an unparalleled record of the origins, nature, and functions of ancient magic.

A Midsummer-night's Dream Scholastic Inc.

Presenting the forbidden works of Chaos, Vampiric and Luciferian Sorcery. A grimoire which explores the dark feminine current of HECATE, *Witch Moon* explores ritual and dream Lycanthropy, Chaos Sorcery and Luciferian Ritual practice as well as the darksome practice of Vampirism and Predatory Spirituality. The Nine Angles and the Trapezoid workings, inspired by Anton LaVey and presented around the cult of Daeva-Yasna, the persian demon-sorcery of Yatuk Dinoh. Contains the Rituals of Dream, ritual and astral vampirism as an initiatory tool, other Cabalistic workings presenting the Qlippoth. Contains the Grimoire based on Ancient Egyptian Vampirism, LIBER AAEPEP, Luciferian Magick practice, The Chaos Cult Workings of Choronzon as Vampire, The Rites of Hecate, the Infernal and Luciferian Sabbat, and the foundations of Satanic practice in Magick.
