Talk To Me In Korean

This book is the culmination of educational know-how and systematic grammar organization acquired by the three authors from their experience actually teaching Korean to foreigners in the classroom. In focusing strictly on Korean grammar, this series represents a departure from most current integrated teaching materials, allowing foreign learners to more easily concentrate on grammar in their study of Korean. The authors have included real dialogues and illustrations to make the study of Korean more interesting, especially for those students who have heretofore felt Korean grammar to be difficult. Further, this series equally serves as a general Korean grammar reference that can be used by Korean language instructors both in Korea and abroad who regularly experience the difficulty of teaching Korean grammar first-hand. Free Korean Class available here: <https://www.youtube.com/theworkonkorean> Song Won's Korean Grammar for Speaking is the quintessential text for learning how to speak and write Korean. As a proven, passionate, and dedicated teacher, Song Won has perfected his language learning system in the classroom. Now, he's finally put those same methods into an informative, easy-to-understand textbook. Korean Grammar for Speaking is methodically organized and broken down into separate units. In the beginning, students will build a foundation by learning how to read, write, and pronounce Hangul (the Korean alphabet). From there, students will learn everything from the counting systems and present tense verbs to more complex and complicated grammatical concepts. Within each unit, there will be vocabulary lists, a wide variety of practice problems, and end-of-unit quizzes. This comprehensive language-learning textbook will have you speaking, reading, and writing Korean in no time! Along with Korean grammar, this textbook will teach students important vocabulary words that are useful in many common, everyday situations. It will also highlight Korean slang and colloquialisms, as well. Song Won's language learning method is different from classic, traditional textbooks. This book will have students thinking and responding organically in Korean. The goal of Korean Grammar for Speaking is to make students fluent in Korean within six months. Although learning Korean will be a challenge, it's a challenge that will reward students many times over.

The revised second edition of *Basic Korean: A Grammar and Workbook* is an accessible reference grammar and workbook in one volume. The text can be used in conjunction with any primary textbook, both as a practice book to reinforce learning and as a reference guide to the basics of Korean grammar. This book is comprised of 26 units covering key aspects of Korean grammar students would expect to encounter in their first year learning the language. Grammatical descriptions are followed by examples and exercises which allow students to reinforce and consolidate their learning. This new edition has been updated and enhanced to include more varied exercises and contemporary vocabulary and dialogues. Clearly presented and user-friendly, *Basic Korean* provides readers with the essential tools to express themselves in a wide variety of situations, making it an ideal reference grammar and practice resource for both beginners and students with some knowledge of the language.
