Everyone knows the girl is off limits. But it's so good to be bad. There's this girl... Heidi and I have been trading hungry looks all year, and everything she does makes me smile. But I don't do girlfriends, and I certainly can't get involved with the league commissioner's daughter. I need shots on goal, not a hookup and a widely misunderstood paparazzi photo. Can I resist her, though? The way she teases me should be a game penalty for interference with my libido. There's this guy... Jason wants me, but he won't admit it. That man looks at me the way a hockey player eyes the lunch buffet after practice—and I love it. But when victory is finally within my grasp, I blow it and

humiliate myself. Even then I can't even avoid him—as the team intern, I'm in constant view of his hard body and cocky smile. I need another chance. Now a USA Today bestselling series! BRYNN At thirty-four, I'm reeling from a divorce. I don't want to party or try to move on. I just want to stay home and post a new recipe on my blog: Brynn's Dips and Balls. But my friends aren't having it. Get out there again, they say. It will be fun, they say. I'm still taking a hard pass. Free designer cocktails, they say. And that's a game-changer. Too bad my ex shows up with his new arm candy. That's when I lose my mind. But when my besties dare me to leap on the first single man I see, they don't expect me to actually go through with it. TOM All I need right now is some peace and quiet while my home renovation TV show is on hiatus. But when a curvy woman in a red wrap dress charges me like she's a gymnast about to mount my high bar, all I can do is brace myself and catch her. What follows is the hottest experience of my adult life. I want a repeat, but my flying Cinderella disappears immediately afterward. She doesn't leave a glass slipper, either—just a pair of panties with chocolate bunnies printed on them. But I will find her.

It's a tale as old as time: the bad boy meets the good girl. He makes a daring proposition. Then the boy gets a mysterious head injury and loses a year of his life... The first time I meet Rickie, I don't know what to make of him. The second time we meet, he doesn't remember the six hours we spent together. Or standing me up afterward. I'm not the same, either. I've got secrets. I've told lies. Bad boys aren't my type, anyway. Even the ones with troubled gray eyes. But now we're roommates. Cue the awkward moments in the hallway when he's wearing only a towel and a smile. He's

determined to win me over, and his talented hands weaken my resolve. It's all fun and games until my past rears its ugly head and his secrets come to light, shaking our fragile connection, maybe even breaking it... Note: this is Daphne Shipley's story. Wanted: One roommate to share a 3-bedroom house, split the rent, and ideally not be the guy I can't stop thinking about. I'm a man with too many secrets, so the last thing I need is a new roommate with a sexy smile and blue eyes that see right through me. Eight years ago, Roderick left town after high school. We're not friends. I owe him nothing. But back then, I let one of my secrets slip, and he's the only one who noticed. Part of me knows I should run far, far away. But the other part wants him to come upstairs and spend the night. But if I let him in, I could lose everything. Seeking: a room to rent in town. I'm tidy, have no pets, and I will feed you homemade bread. I should probably add: Gay AF, and has no filter. It's no wonder my new landlord is so wary of me. A smarter man would ignore those hot glances from Kieran Shipley. The broody lumberjack wants more from me than another homemade pretzel, but if I push my luck, I'll end up back on the street. After barely surviving a shootout in New Orleans, Sidewinder medic Kelly Abbott has to suffer through a month of recovery before he can return home to Colorado. He's not surprised when fellow Sidewinder Nick O'Flaherty stays with him in New Orleans. Nor is he surprised when Nick travels home with him to help him get back on his feet — after all, years on the same Marine Force Recon team bonded the men in ways that only bleeding for a brother can. He's very surprised, though, when Nick humors his moment of curiosity and kisses him. Nick knows all of Kelly's quirks and caprices, so the kiss was a low-risk move on his part...or so he thought. But what should've been a simple moment unleashes a flood of confusing emotions and urges that neither man is prepared to address. Now, Kelly and Nick must figure out what they mean to each other — friends and brothers in arms, or something even deeper? — before the past can come back to ruin their tenuous future.

A Hockey Romance Elle Kennedy Inc.

Only in my family could a professional hockey player earning seven million dollars a year be considered a slacker. I'm at the height of my athletic career. Yet my arrogant brother is always trying to recruit me into the family business: a global security company so secretive that I don't even know its name. Pass, thanks. I don't need a summer job. But the jerk ambushes me with a damsel in distress. That damsel is Alex, the competitive, sassy girl I knew when we were kids. Now she's a drop-dead gorgeous woman in deep trouble. So guess who's on a flight to Hawaii? It's going to be a long week in paradise. My job is keeping Alex safe, while her job is torturing me with her tiny bikinis. Or maybe we're torturing each other. Can you fall for someone you've never met? Hailey Taylor Emery has a hunch that her favorite client at Fetch--an anonymous virtual assistant service--is actually hockey star Matt Eriksson. Although it's against the rules for her to check his file, she's 95% sure she spends at least part of each day texting with her lifelong crush and catering to his every need. Still nursing a wounded heart thanks to her recent breakup, Hailey is perfectly content with some harmless online flirting...until she has to meet her client. Face to face. Cue: utter panic. Matt Eriksson is no stranger to heartbreak. He's still not over the destruction of his marriage, and it sucks to be the only guy on the team who knows the truth--that hockey and long-term relationships are a toxic mix. He barely sees his kids, and dealing with his ex makes him feel insane. The only person in his life who seems to understand is someone

who won't show her pretty face. But it's nothing that a pair of fourth row hockey seats can't fix.

DJ's genius is for expressing the mood of the crowd with a ten second song snippet. With just a click and a fade, he can spread hope, pathos or elation among six thousand screaming fans. Furious and humiliated, she seeks help from the most unlikely candidate--her almost-brother-in-law, who promptly whisks her away to his apartment in San Diego, where she can recover her pride in peace and quiet. Dylan Wade is no fan of Claire's, but he can't ignore the jilted bride in her time of need. Bringing her home seems like a good idea--until he remembers his new roommate. they're caught up in an all-consuming sexual storm they can't fight even if they wanted to. But when their hearts get involved, Claire wonders if it can last, or if she's just setting herself up for more heartache. Warning: This book is very dirty. Ménage a trois and man-on-man dirty. Hosting her brother's wedding for an MVP guest list is the challenge of Jess Canning's life. Already the family screw-up, she can't afford to fail. And nobody (nobody!) can learn of the colossal mistake she made with the best man during a weak moment last spring. It was wrong, and there will not be a repeat. Absolutely not. Even if he is the sexiest thing on two legs. Blake Riley sees the wedding as fate's gift to him. Jess is the maid of honor and he's the best man? Let the games begin. So what if he's facing a little (fine, a lot) of resistance? He just needs to convince the stubborn blonde that he's really a good boy with a bad rap. Luckily, every professional hockey player knows that you've got to make an effort if you want to score. But Jess has more pressing issues to deal with than sexy-times with a giant man-child. Such as: Will the ceremony start on time, even though someone got grandma drunk? Does glitter ever belong at a wedding? And is it wrong to murder the best man? Caution: May cause accidental aspiration of tea or coffee. Do not read in a public place where loud laughter is inappropriate. Contains hot but hilarious hockey players, puppy cuddling and a snarky pair of underwear. Superfan Simon and Schuster

Bestselling authors Sarina Bowen and Lauren Blakely team up for the first time in an enemies-to-lovers, opposites-attract, irresistibly sexy standalone romance between the best man and the other best man! In my defense, I was left alone with a bottle of single-malt and a life-long penchant for protecting my baby sister. Still, that's no excuse to send ten drunk-texts on why her hasty marriage would be a mistake. If only I had just texted my sister. But nope. I accidentally sent the message to her, her groom, and his super hot wingman. I also used the phrase "super hot wingman," so I'd like to die now. Instead, I have to plan a wedding with the aforementioned hottie and share a too-small guesthouse in steamy Miami. Three days in the sun with the cocky, charming former athlete who likes to push my buttons? Fine, two can play at that let's-infuriate-each-other game. Until Asher ups the stakes with one wildly sexy suggestion. A no-strings fling, then I go back to my single dad life in New York, and he returns to his star-studded one. Sign me up. But the more nights I spend with the other best man, the more I want days too, and that just can't happen. Especially when I find out the real reason why... Contents Include: First times, a secret to-do list, champion-level flirting, fast cars, #eggplants, and two men who look good in formal wear.

TWISTED TWOSOME

Abigail Davies

What happened in high school stayed in high school. Until now. Five years ago, Michael Graham betrayed the only person who ever really knew him. Since then, he's made an art of hiding his sexual preference from everyone. Including himself. So it's a shock when his past strolls right into the Harkness College locker room, sporting a bag of hockey gear and the same slow smile that had always rendered Graham defenseless. For Graham, there is only one possible reaction: total, debilitating panic. With one loose word, the team's new left wing could destroy Graham's life as he knows it. John Rikker is stuck being the new guy. Again. And it's worse than usual, because the media has latched onto the story of the only "out" player in Division One hockey. As the satellite trucks line the sidewalk outside the rink, his new teammates are not amused. And one player in particular looks sick every time he enters the room. Rikker didn't exactly expect a warm welcome from Graham. But the guy won't even meet his eyes. From the looks of it, his former... best friend / boyfriend / whatever isn't doing so well. He drinks too much and can't focus during practice. Either the two loneliest guys on the team will self destruct from all the new pressures in their lives, or they can navigate the pain to find a way back to one another. To say that it won't be easy is the understatement of the year. Warning: unlike the other books in this series, this heartbreaking love story is about two guys. Contains sexual situations, dance music, snarky t-shirts and a poker-playing grandmother.
