THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a “strong man” of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between

the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as

seen from within.

All Things Mother Never Createspace Independent Publishing Platform  
Suffering from anxiety and depression, sixteen-year-old Mehreen Miah joins MementoMori, a website that allocates matches a method and date of death, and meets Cara and Olivia, but as the girls grow closer they realize the value of living, starting a sinister game as the website will not let them go.

**Never Let Me Go** Coffee House Press  
#1 NEW YORK TIMES BESTSELLER • OVER TWO MILLION COPIES SOLD! “Packed with incredible insight about what it means to

be a woman today.”—Reese Witherspoon (Reese’s Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and “patron saint of female empowerment” (People) explores the joy and peace we discover when we stop striving to meet others’ expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • “Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal.”—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn’t it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle

denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world’s expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member’s ability to bring her full self to

the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

*All the Things I Never Said* Harper Collins “Tamani masterfully bounces and slams two hearts up and down a shrouded court of first love and revelations.”—Rita Williams-Garcia, National Book Award Finalist and New York Times-bestselling author “A superb, complex romance full of heart, humor, and unforgettable characters.”—Kirkus (starred review) A glance was all it took. That kind of connection, the immediate and raw understanding of another person, just doesn’t come along very often. And as rising stars on their Texas high schools’ respective basketball teams, destined for bright futures in college and beyond, it seems like a match made in heaven. But Carli and Rex have secrets. As do their families. Liara Tamani, the author of the

acclaimed *Calling My Name*, follows two teenagers as they discover how first love, heartbreak, betrayal, and family can shape you—for better or for worse. A novel full of pain, joy, healing, and hope for fans of Elizabeth Acevedo, Jacqueline Woodson, and Jenny Han. “A beautifully poignant love letter: to a first love, to basketball, and to that enigmatic bunch we think we know best, only to discover we don't know at all—family. Tamani's latest is a bright shining star.”—David Arnold, *New York Times*-bestselling author of *Mosquitoland*

**Things I Never Told You** Schiffer Kids  
We all desire to have two things in this life: honest love and healing closure. We want answers that we don't always get. We want people who love us for ourselves and who never leave. We tend to hold back our thoughts and feelings for others that keep us hanging on when we need to let go. We want to no longer feel broken or undesired, but whole. In this book, Lacey Ramburger takes you through her own journey through her relationships- all the good, the bad, and unforgettable moments, as well as her relationship with herself. Incredibly raw and heartbreakingly honest, Ramburger's story will resonate

with anyone who has tried to find their self-worth and love in others, only to discover they've possessed it all along. A mixture of personal essays and poetry, Lacey invites you to walk with her as she brings to light the things she wished she had said, and how she found closure and healing within herself.

### **13 Things Mentally Strong People**

**Don't Do** Carolrhoda Books

These widely acclaimed essays from the author of *Infinite Jest* -- on television, tennis, cruise ships, and more -- established David Foster Wallace as one of the preeminent essayists of his generation. In this exuberantly praised book -- a collection of seven pieces on subjects ranging from television to tennis, from the Illinois State Fair to the films of David Lynch, from postmodern literary theory to the supposed fun of traveling aboard a Caribbean luxury cruise liner -- David Foster Wallace brings to nonfiction the same curiosity, hilarity, and exhilarating verbal facility that has delighted readers of his fiction, including the bestselling *Infinite Jest*.

*Calling My Name* Penguin

Risk everything . . . for love with this #1

*New York Times* bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. *Everything, Everything* will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic

debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions.

**Everything I Never Told You** Simon and Schuster

"Calling My Name is a treasure."—Nic Stone, New York Times–bestselling author of *Dear Martin* *Calling My Name* is a striking, luminous, and literary exploration of family, spirituality, and self—ideal for readers of Jacqueline Woodson, Jandy Nelson, Naomi Shihab Nye, and Sandra Cisneros. This unforgettable novel tells a universal coming-of-age story about Taja Brown, a young African American girl growing up in Houston, Texas, and deftly and beautifully explores the universal struggles of growing up, battling family expectations, discovering a sense of self, and finding a unique voice and purpose. Told in fifty-three short, episodic, moving, and iridescent chapters, *Calling My Name* follows Taja on her journey from middle school to high school. Literary and noteworthy, this is a beauty of a novel that

captures the multifaceted struggle of finding where you belong and why you matter.

*All the Things We Never Knew* Phrey Press  
No math today; it's too hard! Said no teacher ever! Can you imagine your teacher saying this or suggesting you keep your gum and not to forget to stick it under the desk? In this comical look at all the things a teacher is never likely to say, kids, parents, and educators alike will laugh out loud at what might happen if the school day was turned upside down. While your teacher will never encourage you to paint on your desk or copy your neighbor's paper, kids know they can always count on the teacher to make learning fun. So even if things may not always go as planned, structure and boundaries create a safe space, and one thing is always for sure—a teacher will always miss her students at the end of the day.

*10 Things You Might Not Know About Nearly Everything* Candlewick Press  
From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally

courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

**A Supposedly Fun Thing I'll Never Do Again** Penguin  
A blond, blue-eyed little girl, the only child

of an educated Jewish family of Krakow, Poland. She was only 5 years old when the bleak years of World War II began and Nazi Germany occupied Poland. Separated from her parents, her grandparents never heard from again. This is a story about a child surviving an impossible ordeal and the courage she discovered in herself along the way.

*They'll Never Catch Us* Back Bay Books  
Days before her wedding, Julia Walsh is knocked sideways twice: once by the sudden death of her estranged father...and again when he appears on her doorstep after his funeral, ready to make amends, right his past mistakes and prevent her from making new ones. Surprised to say the least, Julia reluctantly agrees to turn what should have been her honeymoon into a spontaneous road trip with her father to make up for lost time. But when an astonishing secret is revealed about a past relationship, their trip becomes a whirlwind journey of rediscovery that takes them from Montreal to Paris to Berlin and back home again, where Julia learns that even the smallest gestures she might have taken for granted have the power to change her life forever.

*Never-Contented Things* Flatiron Books  
\*\*THE INSTANT NEW YORK TIMES BESTSELLER\*\* "The Minimalists show you how to disconnect from our conditioned material state and reconnect to our true essence: love people and use things. This is not a book about how to live with less, but about how to live more deeply and more fully." —Jay Shetty, #1 New York Times bestselling author of *Think Like a Monk* AS SEEN ON THE NETFLIX DOCUMENTARIES *MINIMALISM & LESS IS NOW* How might your life be better with less? Imagine a life with less: less stuff, less clutter, less stress and debt and discontent—a life with fewer distractions. Now, imagine a life with more: more time, more meaningful relationships, more growth and contribution and contentment—a life of passion, unencumbered by the trappings of the chaotic world around you. What you're imagining is an intentional life. And to get there, you'll have to let go of some clutter that's in the way. In *Love People, Use Things*, Joshua Fields Millburn and Ryan Nicodemus move past simple decluttering to show how minimalism makes room to reevaluate and heal the seven essential

relationships in our lives: stuff, truth, self, money, values, creativity, and people. They use their own experiences—and those of the people they have met along the minimalist journey—to provide a template for how to live a fuller, more meaningful life. Because once you have less, you can make room for the right kind of more.

## **MOBY DICK**

Schiffer Kids

For years, the Chicago Tribune's "10 Things You Might Not Know" column has been informing and entertaining readers on a diverse range of fascinating subjects. *10 Things You Might Not Know About Nearly Everything* is a collection of the best of these columns, presented in a fun and easy-to-read format. This book gives readers well-researched, obscure facts on universal topics—including arts and culture, food and leisure, history, politics, science and technology, sports, holidays and religion, lifestyle, language, and more. *10 Things You Might Not Know About Nearly Everything* contains a plethora of surprising trivia and pertinent tidbits on so many different areas that will appeal to

everyone from history buffs to sports fans to foodies, with an especially riveting look into Chicago-area history and facts. For example, in Zion, Illinois it was once not only illegal to gamble, curse, and sell alcohol and tobacco, but also to whistle on Sundays, put on plays, eat pork or oysters, spit, or wear tan-colored shoes. Some facts will make readers laugh and some will make jaws drop. This collection is a kaleidoscope of the absurd, the outrageous, and the sometimes-gruesome, making a highly entertaining mix of people, places, and things. 10 Things You Might Not Know About Nearly Everything will leave readers brighter, wittier, and curious to learn more about myriad worlds they never encountered before and will never forget.

### **All Those Things We Never Said**

Anchor Canada

I'm a cat person. He has two BIG dogs. There is no chance this will work. There are three things I said I'd never do— Never move back in with my parents. Thanks to a summer storm, not only am I residing with my parents—temporarily—but a tree falls on their house and traps me in the bathtub. Enter the hottie firefighter who

rescues me, bubbles and all. Then my parents have to move in with me. Oh joy. Never let my mom set me up on a blind date. She asks so many times, I finally agree. And the hot firefighter—Adam—is the one who shows up. Because I've always wanted to go on a first date with a guy who has seen me in nothing but bubbles. Not. Never date a guy with a dog. Adam is nearly perfect . . . except he has dogs. The furry beasts frighten me, and no way would Pookie tolerate them. But for a chance at love and to get over my fear, I volunteer to dog sit for the weekend. It doesn't go well. Someone is going to end up in the doghouse. It might be me. -----

----- Three Things I'd Never Do is a sweet romantic comedy with heartwarming characters and a touch of sizzle that will have you laughing your way to the happily ever after.

Song for the Unraveling of the World

Delacorte Press

THE NEW YORK TIMES BESTSELLER\* THE UNMISSABLE TIKTOK SENSATION\* OVER 1.6 MILLION COPIES SOLD WORLDWIDE Grumpy, small-town barber + hopelessly romantic runaway bride = great big bust

ups, all the tension and lots of steamy encounters! Escaping her seemingly perfect wedding, Naomi Witt arrives in rough-around-the-edges Knockemout, Virginia, running to the rescue of her estranged twin, Tina. Too bad for Naomi her evil twin hasn't changed at all. After helping herself to Naomi's car and cash, Tina leaves her with something unexpected: the 11-year-old niece she didn't know she had. Now she's stuck in town with no job, no plan, no home and a whole lot of extra responsibility. There's a reason local barber Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into trouble, he can leave her alone and get back to his peaceful, solitary life. At least that's the plan, until their lives begin to entwine in ways they never imagined . . . \*New York Times bestseller, 18 weeks from October 2022 - February 2023\* \*With 78.9 million views on #thingswenevergotover as of April 2023\* 'I laughed. I cried. I laughed while I cried, and I definitely blushed' Book Addict

*Things We Never Said* Small Beer Press  
Nathan Ballingrud's Shirley Jackson Award winning debut collection is a shattering and luminous experience not to be missed by those who love to explore the darker parts of the human psyche. Monsters, real and imagined, external and internal, are the subject. They are us and we are them and Ballingrud's intense focus makes these stories incredibly intense and irresistible. These are love stories. And also monster stories. Sometimes these are monsters in their traditional guises, sometimes they wear the faces of parents, lovers, or ourselves. The often working-class people in these stories are driven to extremes by love. Sometimes, they are ruined; sometimes redeemed. All are faced with the loneliest corners of themselves and strive to find an escape. Nathan Ballingrud was born in Massachusetts but has spent most of his life in the South. He worked as a bartender in New Orleans and New York City and a cook on offshore oil rigs. His story "The Monsters of Heaven" won the inaugural Shirley Jackson Award. He lives in Asheville, North Carolina, with his daughter.

## FACTFULNESS

Ballantine Books

#1 New York Times Bestseller "Funny and smart as hell" (Bill Gates), Allie Brosh's *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, "The God of Cake," "Dogs Don't Understand Basic Concepts Like Moving," and her astonishing, "Adventures in Depression," and "Depression Part Two," which have been hailed as some of the most insightful meditations on the disease ever written. Brosh's debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to

figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars\* Stories about dogs The secret to eternal happiness\* \*These are lies. Perhaps I have underestimated my sneakiness!

## **All the Things My Mother Never Told Me** Agate Digital

Can you imagine what would happen if Santa forgot to take his GPS with him on Christmas Eve and got lost delivering the presents? In this silly look at Santa Claus in a number of worst-case scenarios, kids and parents alike will laugh out loud at the million and one little things that could go wrong, from Santa having to pull his sleigh himself because the reindeer are tired, or getting the presents mixed up so you accidentally end up with Grandma's new

hat instead of the toy you wanted. While not everything may always go as planned, one thing is for sure--Christmas magic will always prevail. Even if Santa loses his suspenders or stops to take a selfie with his reindeer, kids know you can always count on him because Santa will never forget where you live--just make sure you

stay on the nice list this year!!

**Things My Mother Never Told Me** Tor Teen

A newborn's absent face appears on the back of someone else's head, a filmmaker goes to gruesome lengths to achieve the silence he's after for his final scene, and a

therapist begins, impossibly, to appear in a troubled patient's room late at night. In these stories of doubt, delusion, and paranoia, no belief, no claim to objectivity, is immune to the distortions of human perception. Here, self-deception is a means of justifying our most inhuman impulses—whether we know it or not.
