RUN WITH THE HORSEMEN

Open Road Media

#1 New York Times bestselling author Greg Iles takes readers on a daringly executed roller-coaster ride as a family under attack takes justice into their own hands. It begins on a perfect night, with a perfect family about to be trapped in a perfect crime... Will Jennings is a successful young doctor in Jackson, Mississippi, with a thriving practice, a beautiful wife, and a five-year-old daughter he loves beyond measure. But Will and his family are being watched by a con man and psychopath who may be a genius. A man who has never been caught and whose victims have never talked to the police. A man whose life's work strikes at the heart of every family's unspoken fear: the unstoppable kidnapping. But this time he's picked the wrong family to terrorize. Because Will and Karen Jennings aren't going to watch helplessly as he victimizes them. They aren't going to let him get away with it. They're going to fight back...

Fireborn Pen and Sword History

Allegra Goodman has delighted readers with her critically acclaimed collections Total Immersion and The Family Markowitz, and her celebrated first novel, Kaaterskill Falls, which was a national bestseller and a National Book Award finalist. Abandoned by her folk-dancing partner, Gary, in a Honolulu hotel room, Sharon realizes she could return to Boston—and her estranged family—or listen to that little voice inside herself. The voice that asks: “How come Gary got to pursue his causes, while all I got to pursue was him?” Thus, with an open heart, a soul on fire, and her meager possessions (a guitar, two Indian gauze skirts, a macramé bikini, and her grandfather’s silver watch) Sharon begins her own spiritual quest. Ever the optimist, she is sure at each stage that she has struck it rich “spiritually speaking”—until she comes up empty. Then, in a karmic convergence of events, Sharon starts on the path home to Judaism. Still, even as she embraces her tradition, Sharon’s irrepressible self tugs at her sleeve. Especially when she meets Mikhail, falls truly in love at last, and discovers what even she could not imagine—her destiny.

The Winemaker Simon & Schuster

Lyra. Lucy. Percy. Once in a generation, a hero emerges whose story enthalls readers worldwide. Fireborn is an epic quest, perfect for fans of the His Dark Materials and The School for Good and Evil series, that will spin readers into a magical world like no other—and introduce them to an unforgettable new heroine named Twelve. Ember is full of monsters. Twelve gave up her name and identity to train in the art of hunting them—so she says. The truth is much more deadly: she trains to take revenge on those who took her family from her. But when Twelve’s new home is attacked, she’ll find herself on an unexpected journey, where her hidden past is inescapably intertwined with her destiny—and the very fate of her world.

MIND, BODY, AND SOUL

Penguin

Read by millions in thirty-two countries, soon to be a major motion picture, and voted “one of the ten most-beloved books of all time,” here is the English-language edition of Noah Gordon’s

masterworkIn eleventh-century London, a child holds the hand of his dying mother and is terrified, aware something is taking her. Orphaned and given to an itinerant barber-surgeon, Rob Cole becomes a fast-talking swindler, peddling a worthless medicine. But as he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer.Arab madrassas are the only authentic medical schools, and he makes his perilous way to Persia. Christians are barred from Muslim schools, but claiming he is a Jew, he studies under the world’s most renowned physician, Avicenna. How the woman who is his great love struggles against her only rival—medicine—makes a riveting modern classic. The Physician is the first book in Noah Gordon’s Dr. Robert Cole trilogy, which continues with Shaman and concludes with Matters of Choice.

The Jerusalem Diamond Vintage

In the year 1492, the Inquisition has all of Spain in its grip. After centuries of pogrom-like riots encouraged by the Church, the Jews - who have been an important part of Spanish life since the days of the Romans - are expelled from the country by royal edict. Many who wish to remain are intimidated by Church and Crown and become Catholics, but several hundred thousand choose to retain their religion and depart; given little time to flee, some perish even before they can escape from Spain. Yonah Toledano, the 15-year-old son of a celebrated Spanish silversmith, has seen his father and brother die during these terrible days - victims whose murders go almost unnoticed in a time of mass upheaval. Trapped in Spain by circumstances, he is determined to honor the memory of his family by remaining a Jew. On a donkey named Moise, Yonah begins a meandering journey, a young fugitive zigzagging across the vastness of Spain. Toiling at manual labor, he desperately tries to cling to his memories of a vanished culture. As a lonely shepherd on a mountaintop he hurls snatches of almost forgotten Hebrew at the stars, as an apprentice armorer he learns to fight like a Christian knight. Finally, as a man living in a time and land where danger from the Inquisition is everywhere, he deals with the questions that mark his past. How he discovers the answers, how he finds his way to a singular and strong Marrano woman, how he achieves a life with the outer persona of a respected Old Christian physician and the inner life of a secret Jew, is the fabric of this novel. The Last Jew is a glimpse of the past, an authentic tale of high adventure, and a tender and unforgettable love story. In it, Noah Gordon utilizes his greatest strengths, and the result is remarkable and moving.

The Cole Trilogy Open Road Media

The national bestselling hit hailed by the New York Times as a “vibrant medieval mystery...[it] outdoes the competition.” In medieval Cambridge, England, Adelia, a female forensics expert, is summoned by King Henry II to investigate a series of gruesome murders that has wrongly implicated the Jewish population, yielding even more tragic results. As Adelia’s investigation takes her behind the closed doors of the country’s churches, the killer prepares to strike again.

Against Expression New York Review of Books

My name is Elizabeth Anne Hawksmith, and my age is three hundred and eighty-four years. Each new settlement asks for a new journal, and so this Book of Shadows begins... In the spring of 1628, the Witchfinder of Wessex finds himself a true Witch. As Bess Hawksmith watches her mother swing from the Hanging Tree she knows that only one man can save her from the same fate at the hands of the panicked mob: the Warlock Gideon

Masters, and his Book of Shadows. Secluded at his cottage in the woods, Gideon instructs Bess in the Craft, awakening formidable powers she didn't know she had and making her immortal. She couldn't have foreseen that even now, centuries later, he would be hunting her across time, determined to claim payment for saving her life. In present-day England, Elizabeth has built a quiet life for herself, tending her garden and selling herbs and oils at the local farmers' market. But her solitude abruptly ends when a teenage girl called Tegan starts hanging around. Against her better judgment, Elizabeth begins teaching Tegan the ways of the Hedge Witch, in the process awakening memories--and demons--long thought forgotten. Part historical romance, part modern fantasy, Paula Brackston's New York Times bestseller, The Witch's Daughter, is a fresh, compelling take on the magical, yet dangerous world of Witches. Readers will long remember the fiercely independent heroine who survives plagues, wars, and the heartbreak that comes with immortality to remain true to herself, and protect the protégé she comes to love.

Evidence, Famous Cases, and True Stories of These Mysterious Men and their Connection to UFO Phenomena Independently Published

"For indeed the Frankish nation, which was crushed by the avenger Hasting, was full of filthy uncleanness. Treasonous and oath-breaking, they were deservedly condemned; unbelievers and faithless, they were justly punished."Orphaned as a child by a blood-feud, and sold as a slave to an exiled chieftain in Ireland, the boy Hasting had little hope of surviving to adulthood. The gods had other plans. A ship arrived at his master's longphort carrying a man who would alter the course of his destiny, and take him under his wing to teach him the ways of the Vikings. His is a story of a boy who was a slave, who became a warlord, and who helped topple an empire.A supposed son of Ragnar Lodbrok, and referred to in the Gesta Normanorum as the Scourge of the Somme and Loire, his life exemplified the qualities of the ideal Viking. Join author and historian C.J. Adrien on an adventure that explores the coming of age of the Viking Hasting, his first love, his first great trials, and his first betrayal.

24 Hours The Cole TrilogyThe Physician, Shaman, and Matters of Choice

Presents an epic history that covers the period from the end of World War I through the 1970s, chronicling the decades-long migration of African Americans from the South to the North and West through the stories of three individuals and their families. *Love in the Time of Cholera (Illustrated Edition)* Open Road Media Clear and illuminating commentary on one of Bodhidharma's most important texts, designed to help Chan practitioners apply timeless and essential advice to their practice. Legend has it that more than a thousand years ago an Indian Buddhist monk named Bodhidharma arrived in China. His approach to teaching was unlike that of any of the Buddhist missionaries who had come to China before him. He confounded the emperor with cryptic dialogues, traveled the country, lived in a cave in the mountains, and eventually paved the way for a unique and illuminating approach to Buddhist teachings that would later spread across the whole of East Asia in the form of Chan--later to be known as Seon in Korean, Thien in Vietnamese, and Zen in Japanese. This book, a translation and commentary on one of Bodhidharma's most important texts, explores Bodhidharma's revolutionary teachings in English. Guo Gu weaves his commentary through modern and relatable contexts, showing that this centuries-old

wisdom is just as crucial for life now as it was when it first came to be. Masterfully translated and accompanied by helpful insights to supplement daily practice, *The Essence of Chan* is the perfect guide for those new to Chan, those returning, or those who have been practicing for years.

The Physician, Shaman, and Matters of Choice Penguin

From the author of *The Whisper of the River* and *Epiphany*. In this coming-of-age story, Porter Osbourne Jr. is a precocious, sensitive, and rambunctious boy trying to make it through adolescence during the Depression. On a red-clay farm in Georgia, he learns all there is to know about cotton-chopping, hog-killing, watermelon-thumping, and mule-handling. School provides a quick course in practical joking, schoolboy crushes, athletic glory, and clandestine sex. But it is Porter's family-- his genteel, patient mother, his swarm of cousins, his snuff-dipping grandmother, and, most of all, his beloved though flawed father-- who teaches Porter the painful truths about growing up strong enough to run with the horsemen. "The writing is elegant, reflective, and amused. Mr. Sams is a storyteller sure of his audience . . . gifted with perfect timing."--*The New York Times Book Review* "Remarkable both for its humor and its sustained and detailed picture of a mischievous Southern farmboy's life during the Great Depression."--*The Washington Post*

A NOVEL

Elsevier Health Sciences

Charles Bernstein has described conceptual "poetry pregnant with thought." Against Expression, the premier anthology of conceptual writing, presents work that is by turns thoughtful, funny, provocative, and disturbing. Editors Craig Dworkin and Kenneth Goldsmith chart the trajectory of the conceptual aesthetic from early precursors such as Samuel Beckett and Marcel Duchamp through major avant-garde groups of the past century, including Dada, Oulipo, Fluxus, and language poetry, to name just a few. The works of more than a hundred writers from Aasprong to Zykov demonstrate a remarkable variety of new ways of thinking about the nature of texts, information, and art, using found, appropriated, and randomly generated texts to explore the possibilities of non-expressive language.

A Novel of The Spanish Inquisition University of Michigan Press

In the year 1492, the Inquisition has all of Spain in its grip. After centuries of pogrom-like riots encouraged by the Church, the Jews - who have been an important part of Spanish life since the days of the Romans - are expelled from the country by royal edict. Many who wish to remain are intimidated by Church and Crown and become Catholics, but several hundred thousand choose to retain their religion and depart; given little time to flee, some perish even before they can escape from Spain. How he discovers the answers, how he finds his way to a singular and strong Marrano woman, how he achieves a life with the outer persona of a respected Old Christian physician and the inner life of a secret Jew, is the fabric of this novel. *The Last Jew* is a glimpse of the past, an authentic tale of high adventure, and a tender and unforgettable love story. In it, Noah Gordon utilizes his greatest strengths, and the result is remarkable and moving.

A Guide to Life and Practice according to the Teachings of Bodhidharma Shambhala Publications

Sejanus is notoriously known as the Tiberius' ambitious and ruthless Praetorian Prefect, widely believed to have craved the throne for himself and is considered the virtual ruler of Rome from AD 26-31. The figure of Sejanus has fascinated from ancient to more modern times. Sejanus, the emperor Tiberius' infamous Praetorian Prefect, is synonymous with overreaching ambition, murder, conspiracy and betrayal. According to the traditional storyline, this man craved the imperial throne for himself and sought it by isolating the naive emperor in his island pleasure palace on Capri whilst using his control over the Praetorian Guard, coupled with his immense power and influence in Rome, to purge the capital of potential opponents. His victims supposedly included the emperor's son, Drusus, poisoned by his own wife who had been seduced by Sejanus. The emperor, forewarned of Sejanus' ambition, struck first. The Prefect was arrested in the Senate, strangled and his corpse cast down the Gemonian Stairs. Study of Sejanus has generally been overshadowed by focus on Tiberius. John McHugh makes a fresh appraisal of the sources to offer the first full-length study in English to focus on this highly influential figure and his development of the Praetorian Prefecture.

Choices Macmillan

Winner of the Booker Prize. An insightful and thrilling novel about the British Empire in India during the Great Mutiny of 1857, as seen through the eyes of a young, love-struck idealist. India, 1857—the year of the Great Mutiny, when Muslim soldiers turned in bloody rebellion on their British overlords. This time of convulsion is the subject of J. G. Farrell's *The Siege of Krishnapur*, widely considered one of the finest British novels of the last fifty years. Farrell's story is set in an isolated Victorian outpost on the subcontinent. Rumors of strife filter in from afar, and yet the members of the colonial community remain confident of their military and, above all, moral superiority. But when they find themselves under actual siege, the true character of their dominion—at once brutal, blundering, and wistful—is soon revealed. *The Siege of Krishnapur* is a companion to *Troubles*, about the Easter 1916 rebellion in Ireland, and *The Singapore Grip*, which takes place just before World War II, as the sun begins to set upon the British Empire. Together these three novels offer an unequaled picture of the follies of empire.

RELENTLESS SOULS

Barcelona Editions

The New York Times-bestselling novel that follows the life and career of a rabbi as he journeys through America: "A rewarding reading experience." —*Los Angeles Times* Michael Kind is raised in the Jewish cauldron of 1920s New York, familiar with the stresses and materialism of metropolitan life. Turning to the ancient set of ethics of his Orthodox grandfather, with a modern twist, he becomes a Reform rabbi. As insecure and sexually needy as any other young male, he serves as a circuit-rider rabbi in the Ozarks, and then as a temple rabbi in the racially ugly South, in a San Francisco suburb, in a Pennsylvania college town, and finally, in a New England community west of Boston. Along the way he falls deeply in love with and marries the daughter of a Congregational minister; she converts to Judaism and they have two complex, interesting children. Noah Gordon's picture of a brilliant and talented religious counselor—who at times is as bereft and uncertain as any of his congregants—is a deeply moving and very satisfying novel.

THE ALIENIST (TNT TIE-IN EDITION)

Dial Press

A man travels to Israel to uncover a diamond's remarkable past in this vivid historical saga from the *New York Times*-bestselling author of *The Physician*. A diamond cutter and seller from a long, respected line of precious-gem dealers, New Yorker Harry

Hopeman is intrigued by the story of the so-called "Jerusalem Diamond," a magnificent yellow jewel rumored to date back to the biblical time of King Solomon. So when he's asked to broker a deal that will return the legendary gemstone to Israel, he eagerly accepts. Arriving in the volatile Middle East, Hopeman soon discovers that his assignment will be anything but easy.

Representatives of the Holy Land's three major religions—Judaism, Christianity, and Islam—are all laying claim to the priceless jewel that once adorned the miter of Pope Gregory, and they will do anything to possess it. Partnering with Israeli government agent Tamar Strauss—a beautiful and courageous Yemenite war widow who inspires the visiting American's passion as well as his respect—Hopeman is soon entangled in a web of mystery and intrigue that crosses continents and stretches back thousands of years. As the duo follows the twisting travels of the gem and the bloody conflicts it has ignited throughout its extraordinary past—a history that intertwines with Hopeman's own family saga—the story of a breathtaking land and its people unfolds in all its drama and glory. International-bestselling author Noah Gordon—whose acclaimed historical novel *The Physician* was the inspiration for the major motion picture of the same name starring Ben Kingsley—“has packed a suspense tale with religious, historical and archeological underpinnings, along with fascinating insights into an industry whose conduct is generally shrouded from outside scrutiny” (*The Philadelphia Inquirer*).

The Sea Gate Red Wheel/Weiser

Set on the Caribbean coast of South America, this love story brings together Fermina Daza, her distinguished husband, and a man who has secretly loved her for more than fifty years.

The Essence of Chan Ballantine Books

The Cole Trilogy *The Physician, Shaman, and Matters of Choice* Open Road Media

Rabbi Harper Collins

The *New York Times*-bestselling author's historical saga of a family of healers—from Dark Ages London to Civil War America to modern-day Boston. In *The Physician*, an orphan in eleventh-century London, Robert Cole, becomes a fast-talking swindler. As he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer. Arab madrasas are the only authentic medical schools, and he makes his perilous way to Persia. Christians are barred from Muslim schools, but by claiming he is a Jew, he studies under the world's most renowned physician, Avicenna. Cole's journey and love for a woman who must struggle against her only rival—medicine—make *The Physician* a riveting modern classic. In *Shaman*, Dr. Robert Judson Cole, nineteenth-century descendant of the first Robert Cole, travels from his ravaged Scottish homeland, through the operating rooms of antebellum Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich his classical medical education. He marries a remarkable settler woman he had saved from illness. The Cole family is drawn into the bloody vortex of the Civil War, and their determination to survive in the midst of wilderness and violence will stay with the reader long after the final page. In *Matters of Choice*, Roberta Jeanne d'Arc Cole is the latest first-born descendant of Dr. Robert Cole. Favored to be named associate chief of medicine at a Boston hospital, she is married to a surgeon and owns a trophy residence in Cambridge as well as a summer house. But everything melts away. Her gender and her work at an abortion clinic cost her the hospital appointment. Her marriage fails. Crushed, she goes to her farmhouse in western Massachusetts, thinking to sell it, and finds an unexpected life. How she continues to fight for every woman's right to choose, while acknowledging her own ticking clock and maternal yearning, makes this prize-winning third story of the Cole trilogy relevant and unforgettable.
