The Celebrate
Recovery
Participant's
Guides are
essential tools
for the
personal
recovery
journey. In the
seven lessons
in Guide 3:
Getting Right
with God,

Yourself, and
Others, you
will move
through
principles 4-6
of the
recovery
process: 4
Openly
examine and
confess my
faults to God,
to myself, and
to someone I
trust. "Happy
are the pure in
heart"
(Matthew 5:8).
5 Voluntarily
submit to
every change
God wants to
make in my
life and
humbly ask
Him to
remove my
character

defects.
"Happy are
those whose
greatest
desire is to do
what God
requires"
(Matthew 5:6).
6 Evaluate all
my
relationships.
Offer
forgiveness to
those who
have hurt me
and make
amends for
harm I've
done to
others, except
when to do so
would harm
them or
others.
"Happy are
the merciful"
(Matthew 5:7).
"Happy are

the peacemakers" (Matthew 5:9). By working through the lessons and exercises found in each of the four Participant's Guides you will begin to experience the true peace and serenity you have been seeking, restore and develop stronger relationships with others and with God, and find freedom from life's hurts, hang-ups, and habits. All the scriptures have been updated to the new NIV 2011

version.

TAKING AN HONEST AND SPIRITUAL INVENTORY

Zondervan The Celebrate Recovery Participant's Guides are essential tools for the personal recovery journey. In the six lessons in Guide 1: Stepping Out of Denial Into God's Grace, you will experience the first 3 of the 8 recovery principles: 1 Realize I'm not God. I admit that I am powerless to

control my tendency to do the wrong thing and that my life is unmanageable. "Happy are those who know they are spiritually poor" (Matthew 5:3). 2 Earnestly believe that God exists, that I matter to him, and that he has the power to help me recover. "Happy are those who mourn, for they shall be comforted" (Matthew 5:4). 3 Consciously choose to commit all my life and will to Christ's care

and control. "Happy are the meek" (Matthew 5:5). By working through the lessons and exercises found in each of the four Participant's Guides you will begin to experience the true peace and serenity you have been seeking, restore and develop stronger relationships with others and with God, and find freedom from life's hurts, hang-ups, and habits. All the scriptures have been updated to the

Prodigal Daughter

HarperChristia n Resources
A gripping true story, Prodigal Daughter narrates a family's darkest time through addiction and their journey toward healing.

Father and daughter team, Rob Koke - founder and Senior Pastor of Shoreline Church - and Danielle pull back the curtain on the mind-numbing power of addiction and offer hope and real strategies for those longing for freedom. Unashamed and heartwarming, Danielle shares intimately about her teenage alcohol abuse and dependence on marijuana and Adderall.

She offers a rare, first-person insight into the mental and emotional effects of addiction, and what it takes to get and stay clean. Rob tells about his struggle with his daughter's addiction, dealing with its effect on their family, and the reality of what it looks like to love someone battling addiction in your own home. He explores common questions family members ask

like: Why can't they just stop? Why did they turn to drugs when I gave them everything I could? Where did I go wrong? How do I help without enabling? In a raw, real-time glimpse, father and daughter reveal the vulnerable letters they shared with each other during Danielle's rehab. With transparency, Rob and Danielle disarm the shame factor, and share lessons and

resources to prevent and overcome setbacks. This book is your field guide in the battle of addiction. Whether you're longing for freedom, or helping a loved one along the journey toward recovery, you're not alone. Danielle and Rob's story will challenge you with truth, equip you with strategies for the journey, and infuse your heart with hope. Celebrate Recovery Updated

Leader's Guide
Zondervan
You've undoubtedly heard the expression "time heals all wounds." Unfortunately, it isn't true. As many pastors and counselors know, people still carry hurts from thirty or forty years ago. The truth is, time often makes things worse. Wounds that are left unintended fester and spread infection throughout your entire body. Time only extends

the pain if the problem isn't dealt with. Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly a million people overcome their hurts, hang-ups, and habits. Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory, the Celebrate Recovery program has helped people for over 20 years to grow toward full

Christ-like maturity. Author and founder John Baker tells the true story of how Celebrate Recovery became one of the largest Christ-centered recovery programs in history. Baker will help you discover how God's love, truth, grace and forgiveness can bring healing into your life. n Resources Celebrate Recovery introduces The Journey Continues—four new participant's guides designed as a revolutionary, new second step study curriculum. This step study is taken after completing The Journey Begins (Participant Guides 1-4). In the seven lessons in Guide 8: Living Out the Message of Christ, you will experience Christ-centered and biblically

based studies filled with brand new acrostics, deeper questions, and more helpful Bible verses. The content in Guide 8 will focus on a deeper study of the final two principles on the road to recovery: Reserve a daily time with God for self-examination. Bible reading and prayer in order to know God and his will for my life and to gain the power to follow his will. Yield myself to God to be used to bring this Good

News to others, both by my example and by my words. "Happy are those who are persecuted because they do what God requires" (Matthew 5:10). By working through the lessons and exercises found in each of the four participant's guides of The Journey Continues, you will find a deeper sense of true peace and serenity, continue to restore and develop stronger relationships
